Justified in Christ Chris Castaldo, 2017-01-26 Analyzing and comparing the doctrines of justification held by a legendary nineteenth century Catholic John Henry Newman and an Italian hero of the Reformation Peter Martyr Vermigli this book uncovers abiding opportunities as well as obstacles at the Catholic Protestant divide These earnest scholars of the faith were both converts moving in opposite directions across that divide and as a result speak to us with an extraordinary degree of credibility and insight In addition to advancing scholarship on several issues associated with Newman's and Vermigli's doctrines and illuminating reasons and attendant circumstances for conversion across the Tiber the overall conclusions of this study offer a broader range of soteriological possibilities to ecumenical dialogue among Roman Catholics and Reformed Protestants by clarifying the common ground to which both traditions may lay claim

The Devil behind the Surplice Wade Johnston, 2018-01-16 Between 1548 and 1551 controversies over adiaphora or indifferent matters erupted in both Germany and England Matthias Flacius Illyricus in Germany and John Hooper in England both refused to accept among other things the same liturgical vestment the surplice While Flacius' objections to the imperial liturgical requirements were largely contextual because the vestments and rites were forced on the church and were part of a recatholicizing agenda Hooper protested because he was convinced that disputed vestments and rites lacked a biblical basis The Devil behind the Surplice demonstrates that while Flacius fought to protect the reformation principle of justification by grace alone through faith alone Hooper strove to defend the reformation principle that Scripture alone was the source and norm of Christian doctrine and practice Ultimately Flacius wanted more Elijahs prophets to guide a faithful remnant and Hooper wanted a new Josiah a young reform king to purify the kingdom and strip it of idolatry

Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics

Pentecostal Aspects of Early Sixteenth-century Anabaptism Charles Hannon Byrd II, 2019-04-04 Early sixteenth century radical Anabaptism emanated in Swiss protest during Huldrych Zwingli's protest against the Roman Catholic Church Much like Luther Zwingli founded his reform effort on the premise that the Bible was the sole arbiter of the Christian faith sola scriptura and the sufficiency of the shed blood of Christ for eternal salvation sola fide Based on these two principles both Zwingli and Luther adopted the doctrine of the priesthood of the believer which recognized every believer's Spirit empowered ability to read and interpret the Bible Radical adherents to Zwingli first rejected the idea of infant baptism which Zwingli continued to practice This led to the radical practice of the rebaptism of adults which was subsequently labeled as Anabaptism These Anabaptists also interpreted 1 Corinthians 12:14 Paul's description of the manifestation of the gifts of the Holy Spirit as the biblical format for conducting proper church This direction led Zwingli and the city of Zurich to outlaw the Anabaptists and their practices which brought severe persecution and martyrdom

Early French Reform Jason Zuidema, Theodore Van Raalte, 2016-04-29 Reminding us that the Genevan

Reformation does not begin and end with John Calvin this book provides an introduction to Guillaume Farel 1489 1565 one of several important yet often overlooked French speaking reformers Born in 1489 near Gap France Farel was an important first generation French speaking Reformer and one of the most influential early leaders of the Reform movement in what is now French speaking Switzerland Educated in Paris he slowly began to question Catholic orthodoxy and by the 1520s was an active protestant preacher resulting in his exile to Switzerland Part of Farel s aggressive work in this area brought him to Geneva several times where in 1535 and 1536 he secured votes in favour of the Reform and later in 1536 persuaded the young theologian John Calvin to stay Farel also penned Geneva s confession of faith of that year and their ecclesiastical articles of the next As such this volume underlines the fact that Calvin entered the reform movement in Geneva in a situation in which Farel had been already deeply involved To better understand that situation the book is divided into two parts The first provides a rich and nuanced portrait of Farel s early thought by way of interpretive essays the second section offers translations of a number of Farel s key texts These translations include some of the first widely accessible full length translations of Farel s work into English Offering both a scholarly overview of Farel and his life and access to his own words this book demonstrates the importance of Farel to the Reformation It will be welcomed not only by scholars engaged in research on French reform movements but also by students of history theology or literature wishing to read some of the earliest theological texts originally written in French

The Singing of the Strasbourg Protestants, 1523-1541 Daniel Trocme-Latter, 2016-03-09 This book explores the part played by music especially group singing in the Protestant reforms in Strasbourg It considers both ecclesiastical and popular songs in the city how both genres fitted into people s lives during this time of strife and how the provision and dissemination of music affected the new ecclesiastical arrangement Justification

as the Speech of the Spirit Jeffrey K. Anderson, 2021-08-10 In the past few decades there have been an increasing number of authors and movements that reject the classic Protestant understanding of justification e g the New Perspective on Paul Auburn Avenue Theology the Renewal Movement etc While the various proposals differ in many respects they are generally united in their rejection of justification as a legal declaration made by the Father about the believer based on the work of the Son In particular among renewal Pentecostal Charismatic authors there have been several attempts to redefine justification insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer s righteousness These attempts are in part rooted in the absence of any overt pneumatology in the doctrine s typical formulation One need only read the above sentences to see that there is no mention of the Holy Spirit This book addresses these and other concerns especially by renewal authors and demonstrate that the doctrine is in fact pneumatologically informed albeit latently rather than blatantly As a result there is no need to redefine the theology of the Reformers and their successors

Retrieval for the Sake of Renewal Christopher R. Hanna, 2022-11-18 To borrow imagery from C S Lewis s The Lion the Witch and the Wardrobe Timothy George s perspective as a historical theologian is the wardrobe that we can

walk through to get to Narnia an exciting new place where we discover the wonderful works of Augustine Aquinas Calvin Luther Wesley and many others George is one of the most respected church historians theologians and Christian educators of our time But how did this Baptist preacher from Tennessee become a premier church historian and follow in the footsteps of great historians like the Harvard scholar George Huntston Williams who was a Unitarian the Duke scholar David Steinmetz who was a Methodist and the Yale scholar Jaroslav Pelikan who was a Lutheran and later Eastern Orthodox This book will uncover how each of these influences contributed to George s eye opening heart warming and kingdom advancing approach to the study of church history **Justified in the Spirit** Frank D. Macchia, 2010-07-26 Argues persuasively that Christian teaching about the Spirit pneumatology has much to offer to a correct understanding of justification We have here a book of singular consequence William G Rusch Yale Divinity School
