

REFORMING THE RUSSIAN LEGAL SYSTEM

GORDON B. SMITH

Reforming The Russian Legal System

AN Whitehead

Reforming The Russian Legal System:

Reforming the Russian Legal System Gordon B. Smith, 1996-12-12 This book examines how traditional indigenous Russian legal values and the 74 year experience with communism and socialist legality are being combined with Western concepts of justice and due process to forge a new legal consciousness in Russia today Reforming Justice in Russia, 1864-1996 Peter H. Solomon, 1997 Based on a set of papers prepared for a spring 1995 conference held at Massey College University of Toronto reflecting collaboration and discussion among specialists in law and justice in tsarist Russia and their counterparts working on the subject in the USSR and post Soviet Russia Organized in sections on varieties of justice in imperial Russia courts and Soviet power and justice and the Russian transition papers examine areas such as rural arson in European Russia in the late imperial era sexual harassment claims of the 1920s criminal justice under Stalin and trials in modern Russia Annotation copyrighted by Book News Inc Portland OR Reforming Justice in Russia, 1864-1994 Peter H. Solomon, 2017-07-05 Measuring Russian legal reform in relation to the rule of law ideal this study also examines the legal institutions culture and reform goals that have actually prevailed in Russia Judgements about future prospects are measured adding new dimensions to our understanding of the Soviet legacy *The Rule Of Law And Economic Reform In Russia* Jeffery Sachs, 2019-05-20 What impact has Russia's chosen path of reform had on the development of law after the collapse of the communist regime This collection of essays examines how Russia's distinctive traditions of law and lawlessness are shaping the current struggle for economic reform in the country Nine renowned scholars chosen from specialties in history politics *Conference on the Reform of the Judiciary in the Russian Federation* Council of Europe, Commission of the European Communities, Russia (Federation), 1998-01-01 **Russia's Great Reforms, 1855-1881** Ben Eklof, John Bushnell, Larissa Zakharova, 1994-06-22 The Great Reforms undertaken during the reign of Alexander II represented a unique attempt by the tsarist government to restructure virtually every aspect of Russian life beginning with the emancipation of the serfs and continuing through reforms of local government the judiciary the military education the financial system censorship and other domains This volume the work of an international group of scholars that includes historians from Russia maps out the major landmarks in the conceptualization and implementation of the Great Reforms during the reign of Alexander II and proposes a variety of perspectives from which to view them From publisher's description **Everyday Law in Russia** Kathryn Hendley, 2017-02-07 Everyday Law in Russia challenges the prevailing common wisdom that Russians cannot rely on their law and that Russian courts are hopelessly politicized and corrupt While acknowledging the persistence of verdicts dictated by the Kremlin in politically charged cases Kathryn Hendley explores how ordinary Russian citizens experience law Relying on her own extensive observational research in Russia's new justice of the peace courts as well as her analysis of a series of focus groups she documents Russians' complicated attitudes regarding law The same Russian citizen who might shy away from taking a dispute with a state agency or powerful individual to court might be willing to sue her insurance company

if it refuses to compensate her for damages following an auto accident Hendley finds that Russian judges pay close attention to the law in mundane disputes which account for the vast majority of the cases brought to the Russian courts Any reluctance on the part of ordinary Russian citizens to use the courts is driven primarily by their fear of the time and cost measured in both financial and emotional terms of the judicial process Like their American counterparts Russians grow more willing to pursue disputes as the social distance between them and their opponents increases Russians are loath to sue friends and neighbors but are less reluctant when it comes to strangers or acquaintances Hendley concludes that the rule of law rubric is ill suited to Russia and other authoritarian polities where law matters most but not all of the time **Russia's**

Constitutional Revolution Robert Ahdieh,2010-11-01 Civil Procedure in Russia Dmitry Maleshin,2017-10-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Romania provides essential information on the country s sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Romania will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law **Dostoevsky's Legal and Moral**

Philosophy Raymond Angelo Belliotti,2016-11-28 This work closely examines the trial of Dmitri Karamazov as the springboard to explaining and critically assessing Dostoevsky s legal and moral philosophy The author connects Dostoevsky s objections to Russia s acceptance of western juridical notions such as the rule of law and an adversary system of adjudication with his views on fundamental human nature the principle of universal responsibility and his invocation of unconditional love Central to Dostoevsky s vision is his understanding of the relationship between the dual human yearnings for individualism and community In the process the author related Dostoevsky s conclusions to the thought of Plato Augustine Anselm Dante Kierkegaard Schopenhauer Nietzsche and Sartre Throughout the work the author compares contrasts and evaluates Dostoevsky s analyses with contemporary discussions of the rule of law the adversary system and the relationship between

individualism and communitarianism *Russia 1848-1917* Jonathan Bromley, 2002 A study of Russia from 1848 to 1914 It is designed to fulfil the AS and A Level specifications in place from September 2000 The AS section deals with narrative and explanation of the topic There are extra notes biography boxes and definitions in the margin and summary boxes to help students assimilate the information The A2 section reflects the different demands of the higher level examination by concentrating on analysis and historians interpretations of the material covered in the AS section There are practice questions and hints and tips on what makes a good answer Russian Law Journal , Russian Law Journal , The Russian Law Journal RLJ magazine is one of the first English language legal academic editions regularly published in Russia It is an All Russian interuniversity platform designed to promote Russian legal researches abroad The magazine is meant for both Russian and foreign readers including major world legal libraries academics and practicing lawyers International editorial board and editorial team are represented by professors from leading world centers of legal education and legal science like Harvard Yale Cambridge and La Sorbonne as well as by scientists from Russian law schools Moscow State University Kutafin Moscow State Law University Saint Petersburg State University Higher School of Economics Russia in the Age of Reaction and Reform 1801-1881 David Saunders, 2014-07-30 This eagerly awaited study of Russia under Alexander I Nicholas I and Alexander II the Russia of War and Peace and Anna Karenina brings the series near to completion David Saunders examines Russia's failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution Why despite so much effort did it fail This is a superb book both as a portrait of an age and as a piece of sustained historical analysis *Law and the Russian State* William E. Pomeranz, 2018-12-27 Russia is often portrayed as a regressive even lawless country and yet the Russian state has played a major role in shaping and experimenting with law as an instrument of power In *Law and the Russian State* William E Pomeranz examines Russia's legal evolution from Peter the Great to Vladimir Putin addressing the continuities and disruptions of Russian law during the imperial Soviet and post Soviet The book covers key themes including Law and empire Law and modernization The politicization of law The role of intellectuals and dissidents in mobilizing the law The evolution of Russian legal institutions The struggle for human rights The rule of law The quest to establish the law based state It also analyzes legal culture and how Russians understand and use the law With a detailed bibliography this is an important text for anyone seeking a sophisticated understanding of how Russian society and the Russian state have developed in the last 350 years *Russian and Soviet History* Steven A. Usitalo, William Benton Whisenhunt, 2008-01-28 An original and thought provoking text *Russian and Soviet History* uses noteworthy themes and important events from Russian history to spark classroom discussion Consisting of twenty essays written by experts in each area the book does not simply repeat the conventional themes found in nearly all Russian history texts anthologies and documentary compilations Rather it showcases current thinking on Russian cultural political economic and social history from the end of the sixteenth century to the demise of the Soviet experiment Informed by archival work in

the former Soviet Union and a broad range of published sources this book is intended to introduce students to Russian history in an accessible and provocative format Its eclectic essays offer readers an incomparable taste of the complexity and richness of Russia as it has evolved from late Muscovy to the modern era This text is perfect for undergraduate and graduate students in Russian history and is a great resource for scholars in the field Contributions by Sergei Arutiunov Richard Bidlack Kees Boterbloem James Cracraft Chester S L Dunning Colum Leckey Alexander M Martin Susan P McCaffray Martha Merritt Patrick O Meara Scott W Palmer Jelena Pogosjan Thomas E Porter Ana Siljak Douglas Smith William Taubman Steven A Usitalo Jeffrey Veidlinger Rex A Wade and William Benton Whisenhunt **Murder Most Russian** Louise

McReynolds,2012-12-18 How a society defines crimes and prosecutes criminals illuminates its cultural values social norms and political expectations In *Murder Most Russian* Louise McReynolds uses a fascinating series of murders and subsequent trials that took place in the wake of the 1864 legal reforms enacted by Tsar Alexander II to understand the impact of these reforms on Russian society before the Revolution of 1917 For the first time in Russian history the accused were placed in the hands of juries of common citizens in courtrooms that were open to the press Drawing on a wide array of sources McReynolds reconstructs murders that gripped Russian society from the case of Andrei Gilevich who advertised for a personal secretary and beheaded the respondent as a way of perpetrating insurance fraud to the beating death of Marianna Time at the hands of two young aristocrats who hoped to steal her diamond earrings As McReynolds shows newspapers covered such trials extensively transforming the courtroom into the most public site in Russia for deliberation about legality and justice To understand the cultural and social consequences of murder in late imperial Russia she analyzes the discussions that arose among the emergent professional criminologists defense attorneys and expert forensic witnesses about what made a defendant s behavior criminal She also deftly connects real criminal trials to the burgeoning literary genre of crime fiction and fruitfully compares the Russian case to examples of crimes both from Western Europe and the United States in this period *Murder Most Russian* will appeal not only to readers interested in Russian culture and true crime but also to historians who study criminology urbanization the role of the social sciences in forging the modern state evolving notions of the self and the psyche the instability of gender norms and sensationalism in the modern media **The Third**

Branch ,1993 Policing Post-communist Societies Niels A. Uildriks,P. van Reenen,2003 Eastern European countries have been involved in a complex transition towards more democratic forms of government Since the demise of communism the building up of an independent judiciary and a general reorientation of the police role within society have been key issues On the basis of three country studies in Russia Lithuania and Mongolia this book analyses the present state of policing in a variety of post communist societies in terms of police public violence democratic policing the rule of law and human rights It is also complemented by recent comparable and previously unpublished police data for Romania Bulgaria and Poland Those studies have been carried out amongst the rank and file of the uniform branch in Lithuania and Russia which were

commissioned by the Soros Open Society Foundation They were specifically concerning views and experiences concerning police public violence and current policing problems in general A third study was carried in Mongolia amongst criminal investigators and sought to explore violent investigative practices This book seeks to combine a thorough theoretical analysis with unique empirical data It analyses the different problems of transition of post communist societies towards more democratic forms of government with unique data from both outside and inside the police

Constitutional Reforms and International Law in Central and Eastern Europe Rejn Avovič Müllerson, Malgosia Fitzmaurice, Mads Tønnesson Andenæs, 1998 The recent developments in central and eastern Europe have changed the political landscape of the world The dissolution of the Soviet Union Czechoslovakia and Yugoslavia the collapse of Communism in Europe market reforms and the processes of democratisation are all seminal events affecting not only the countries in transition but other states as well All these changes presuppose fundamental legal reforms In this process most of the countries in transition have adopted new constitutions where issues of participation in the international political order and questions of international law enjoy a prominent place This book is one outcome of many research activities concerning these transitions in central and eastern Europe at the Centre of European Law King s College London It contains essays about constitutional reforms and international law by leading international judges and academics It is edited by Mads Andenas Director of the Centre of European Law at King s College London Malgosia Fitzmaurice Reader in International Law at Queen Mary and Westfield College London and Rein Müllerson Professor in International Law at King s College
