Refugees In America In The 1990s A Reference Handbook:

Refugees in America in the 1990s David W. Haines, 1996-07-17 A study of refugees in the United States discussing the general patterns and policies governing refugee resettlement looking at the histories of immigrants from individual countries and comparing the experiences of multiple refugee groups

Refugee Resettlement in the United States Marnie K. Watson, Pritha Gopalan, 2022-07-28 This book focuses on refugee resettlement in the post 9 11 environment of the United States with theoretical work and ethnographic case studies that portray loss transition and resilience Each chapter unpacks resettlement at the macro or micro scale underscoring the multiple and mostly unsupported negotiations refugees must undertake in their familial social educational and work spheres to painstakingly reconstruct and reintegrate their lives The contributors show how civil society groups and individuals push back against xenophobic policies and strive to support refugee communities and how agentive efforts result in refugees establishing stable lives despite punishing odds This volume will be of interest to anthropologists and other scholars with a focus on refugee and migration studies

The Strangers in Our Midst Ulrike Elisabeth Stockhausen, 2021-05-25 Evangelical Christians in the United States today are known for their hard line restrictive approach to immigration and refugees This book shows that this has not always been the case and is in fact a relatively new position The history of evangelical involvement with refugees and immigrants has been overlooked in the current debate Since the early 1960s evangelical Christians have been integral players in US immigration and refugee policy Motivated by biblical teachings to welcome the stranger they have helped tens of thousands of newcomers by acting as refugee sponsors or providing legalization assistance to undocumented immigrants Until the 1990s many evangelicals did not distinguish between documented and undocumented newcomers all were to be loved and welcomed In the last decade of the twentieth century however a growing anti immigrant consensus in American society grew alongside evangelicals political alignment with the Republican Party leading to a rethinking of their theology Following the GOP s lead evangelicals increasingly emphasized the need to obey American law which many argued undocumented immigrants failed to do Today the evangelical movement is more divided than ever about immigration policy While conservative evangelicals are often immigration hard liners many progressive and Latinx evangelicals hope to convince their fellow evangelicals to take a more welcoming approach The Strangers in Our Midst argues that the key to understanding evangelicals divided approaches to immigration is to look at both their theology and their politics Both of which have shaped how and especially to whom they extend their biblical values of hospitality

Refugees in Europe, 1919-1959 Matthew Frank, Jessica Reinisch, 2017-09-21 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched Refugees in Europe 1919 1959 offers a new history of Europe s mid 20th century as seen through its recurrent refugee crises By bringing together in one volume recent research on a range of different contexts of groups of refugees and refugee policy it sheds light on the common assumptions that underpinned the history of refugees throughout the period under review The essays

foreground the period between the end of the First World War which inaugurated a series of new international structures to deal with displaced populations and the late 1950s when Europe's home grown refugee problems had supposedly been solved and attention shifted from the identification of an exclusively European refugee problem to a global one. Borrowing from E. H. Carr's *The Twenty Years Crisis* first published in 1939, the editors of this volume test the idea that the two post war eras could be represented as a single crisis of a European dominated international order of nation states in the face of successive refugee crises which were both the direct consequence of that system and a challenge to it. Each of the chapters reflects on the utility and limitations of this notion of a forty years crisis for understanding the development of specific national and international responses to refugees in the mid 20th century. Contributors to the volume also provide alternative readings of the history of an international refugee regime in which the non European and colonial world are assigned a central role in the narrative.

Asian American History Day by Day Jonathan H. X. Lee, 2018-10-12 For student research this reference highlights the importance of Asian Americans in U.S. history, the impact of specific individuals and this ethnic group as a whole across time, documenting evolving policies, issues and feelings concerning this particular American population. *Asian American History Day by Day: A Reference Guide to Events* provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the contributions of Asian Americans to U.S. culture in that time. The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event, person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event. Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life. With this guide in hand, teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research.

The Chinese/Vietnamese Diaspora Yuk Wah Chan, 2012-06-12 Over three decades have passed since the first wave of Indochinese refugees left their homelands. These refugees, mainly the Vietnamese, fled from war and strife in search of a better life elsewhere. By investigating the Vietnamese diaspora in Asia, this book sheds new light on the Asian refugee era, 1975-1991, refugee settlement and different patterns of host-guest interactions that will have implications for refugee studies elsewhere. The book provides a clearer historical understanding of the group dynamics among refugees, the ethnic Chinese, Vietnamese refugees from both the North and South as well as the northern Vietnamese refugees, an examination of different aspects of migration including planning for migration, choices of migration route and reasons for migration, an analysis of the ethnic and refugee politics during the refugee era, the settlement and subsequent resettlement. This book will be of interest to students and scholars of globalization, migration, ethnicities, refugee histories and politics.

Immigration in America Today James Loucky, Jeanne M. Armstrong, Larry J. Estrada, 2006-08-30 America today is witnessing the largest and most sustained wave of

immigrants its borders have ever seen Although factors like the Great Depression World War II and quota restrictions had slowed the massive influx of Europeans from the early part of the 20th century policies like the 1965 Immigration and Nationality Act have relaxed quotas and opened America's doors to hundreds of thousands of immigrants a year from both Eastern and Western hemispheres to reach a height of over 9 million immigrants in the 1990s Today immigrants and policy makers alike grapple with issues regarding employment education refugee status and family reunification as well as illegal immigrants many from Mexico whose legal immigration alone accounts for more than 20% of immigrants in the US Despite this this comprehensive reference source allows a glimpse of the same motivating factors that drove earlier immigrants through Ellis Island's gates the promise of economic opportunity and the hope of a better life Over 70 A-Z entries address topical and timely aspects of modern US immigration including bilingual education domestic work employer sanctions gangs gender homeland security migrant education posttraumatic stress disorder stereotypes

The Peoples Of Las Vegas Jerry L. Simich, Thomas C. Wright, 2005-03-07 Beneath the glitzy surface of the resorts and the seemingly cookie cutter suburban sprawl of Las Vegas lies a vibrant and diverse ethnic life People of varied origins make up the population of nearly two million and yet until now little mention of the city has been made in studies and discussion of ethnicity or immigration The Peoples of Las Vegas One City Many Faces fills this void by presenting the work of seventeen scholars of history political science sociology anthropology law urban studies cultural studies literature social work and ethnic studies to provide profiles of thirteen of the city's many ethnic groups The book's introduction and opening chapters explore the historical and demographic context of these groups as well as analyze the economic and social conditions that make Las Vegas so attractive to recent immigrants Each group is the subject of the subsequent chapters outlining migration motivations and processes economic pursuits cultural institutions and means of transmitting culture involvement in the broader community ties to homelands and recent demographic trends

A Companion to 20th-Century America Stephen J. Whitfield, 2008-04-15 A Companion to 20th Century America is an authoritative survey of the most important topics and themes of twentieth century American history and historiography Contains 29 original essays by leading scholars each assessing the past and current state of American scholarship Includes thematic essays covering topics such as religion ethnicity conservatism foreign policy and the media as well as essays covering major time periods Identifies and discusses the most influential literature in the field and suggests new avenues of research as the century has drawn to a close

Information Sources of Political Science Stephen W. Green, Douglas J. Ernest, 2005-07-15 A thoroughly revised and updated new edition of the world's leading comprehensive bibliography of American and international politics The eagerly anticipated new edition of the widely acclaimed Information Sources of Political Science is the most comprehensive English language political bibliography available offering the surest way for students and researchers to get straight to the information they need Like no other volume it provides a fully rounded view of the field both in the United States and internationally including relevant works in

history economics sociology and education Its 2 500 entries cover a wide variety of source types indexing and abstracting services major bibliographical tools encyclopedias dictionaries handbooks directories statistical compilations and more In addition this edition is the first to feature substantial coverage of electronic resources both databases and Internet sites Each source receives its own annotation with entries grouped in categories to bring together like works for easy comparison This work is a cornerstone reference for academic and public libraries

Asian Americans Pyong Gap Min,2006 Compared to many existing texts on this subject which tend to take a rather historical approach this book focuses on more contemporary Asian experiences Thus Min has provided a new tool for those of use who have looked for adequate material to teach current Asian American trends in advanced undergraduate courses in the sociology of race as well as in ethnic studies Encompassing a variety of perspectives from prominent scholars makes this book a valuable device to examine the less visible aspects of Asian Americans lives Students and educators alike would certainly benefit from diligent study of this text TEACHING SOCIOLOGY reviewed October 2006 by Etsuko Maruoka SUNY Stony BrookOffering a broad overview of the Asian American experience Asian Americans provides an accessible resource for all students interested in the expanding and important Asian American population While historical information is provided for each group the main focus is on the variables and issues that impact Asian American life today The scholars who author the chapters look at topics such as labor force participation and economic status educational achievements intermarriage intergroup relations and settlement patterns Photo essays help to enhance the presentations Key Features Covers the Asian American population as a whole as well as individual ethnic groups i e Korean Americans Indian Americans etc Covers theories as well as providing sociological data to illustrate issues for Asian Americans as a whole and as individual groups Visual essays on the following topics provide powerful illustrations of the text content Filipino Americans Japanese Americans Korean Americans Chinese Americans South Asian Americans Southeast Asian Americans Economic Adaptation Second Generation Experiences Updated to not only include information derived from 2000 Census data but also has a focus on the second generation experience

The Ethics and Politics of Asylum Matthew J. Gibney,2004-07-08 Over the last two decades asylum has become a highly charged political issue across developed countries This book draws upon political and ethical theory and an examination of the experiences of the United States Germany the United Kingdom and Australia to consider how to respond to the challenges of asylum In addition to explaining why asylum has emerged as such a key political issue it provides a compelling account of how states could move towards implenting morally defensible responses to refugees

Multicultural America Ronald H. Bayor,2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to

realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits **Refugee Education** Enakshi Sengupta,Patrick Blessinger,2018-09-10 This volume examines how universities and colleges are working towards implementing various interventions to integrate refugees along with non governmental organizations and local governments to achieve an optimal level of integration with host communities *Contemporary Ethnic Geographies in America* Christopher A. Airriess,2015-09-28 Ethnic diversity has marked the United States from its inception and it is impossible to separate ethnicity from an understanding of the United States as a country and Americans as a people Since the 1965 Immigration and Nationality Act the United States has experienced watershed transformations in its social cultural and ethnic geographies Considering the impact of these wide ranging changes this unique text examines the experiences of a range of ethnic groups in both historical and contemporary context It begins by laying out a comprehensive conceptual framework that integrates immigration theory globalization transnational community formation and urban cultural and economic geography The contributors then present a rich set of case studies of the key Latin American Asian American and Middle Eastern communities comprising the vast majority of newer immigrants Each case offers a brief historical overview of the group s immigration experience and settlement patterns and discusses its contemporary socioeconomic dynamics All these communities have transformed and been transformed by the places in which they have settled Exploring these changing communities places and landscapes this book offers a nuanced understanding of the evolution of America s contemporary ethnic geographies Focusing on the Underserved Sam D. Museus,Amefil Agbayani,Doris M. Ching,2016-10-01 Recent discussions and dissemination of information regarding the rapid growth of Asian Americans and Pacific Islanders AAPI across our nation are creating some awareness among administrators and educators in higher education institutions regarding the extensive diversity of AAPIs the struggles of some AAPI populations in pursuing and succeeding in higher education and the lack of support for their educational success National discourse on AAPIs among educators policymakers and AAPI communities underscores the need for more research including more relevant research that can inform policy and practice that will enhance educational opportunities for AAPIs who are underserved in higher education The book focuses on diverse topics many of which do not appear in the current literature The chapters are authored by an array of distinguished and emerging scholars and professionals at various universities and colleges across the nation The authors whose insights are invaluable in understanding the diverse issues and characteristics that affect the

educational success of underserved AAPI students and they represent the ethnicities and cultures of Cambodian Chinese Guamanian Chamorro Filipino Hispanic Hmong Japanese Korean Laotian Native Hawaiian Okinawan Samoan Vietnamese and multiracial Americans The authors not only integrate theoretical concepts statistical analyses and historical events but they also merge theory and practice to advocate for social justice for AAPIs and other underrepresented and underserved ethnic minority groups in higher education *The Spirit Catches You and You Fall Down* Anne Fadiman,2012-04-24 Winner of the National Book Critics Circle Award for Nonfiction this brilliantly reported and beautifully crafted book explores the clash between a medical center in California and a Laotian refugee family over their care of a child *The New Americans* Mary C. Waters,Reed Ueda,Helen B. Marrow,2007-01-30 The U S has always been a nation of immigrants shaped by successive waves of new arrivals This comprehensive guide provides an authoritative account of the most recent surge of immigrants Based on the latest U S Census data and scholarly research this book is an essential reference for anyone curious about the changing face of America **Australasian Journal of American Studies** ,2006 The Vietnamese American 1.5 Generation Sucheng Chan,2006 Riveting stories by refugees who fled Vietnam

Refugees In America In The 1990s A Reference Handbook: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Refugees In America In The 1990s A Reference Handbook : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
