L. Agnihotri,2018-10-25 The love saga Absurdities of Oblivion tells of blood related lovers Separated as children they later meet by chance This powerful psychoanalytical study of their struggle in an absurd world establishes identity and making one s place in society The novel deals with the theme of existentialism exploring life with a threadbare approach to human values Above all barriers of caste creed and religion it preaches communal harmony with its secular outlook The novel shows that relations made upon human upon human kinship are sometimes more lasting than man made artificial relations that stand on greed and self interest Man s struggle for existence and the role of circumstances occurring in life are richly highlighted The problems of uprooting exile and estrangement reach an exciting climax particularly in the case of the lovers The Mahabharata ,1888 **Sweet Potato** Kim Tongin,2017-09-19 Kim Tongin 1900 1951 is one of Korea s earliest and most respected modern writers whose naturalist fiction brilliantly depicts Korean life during a period of profound social change Namesake of the prestigious Dong in Literary Award Kim Tongin s succinct writing style can still inspire readers and provide insight into early 20th century Korea over 60 years after his death Finally a volume of Kim Tongin s short stories most of them previously untranslated is available to readers of English **ANKH** Sam Yacoub,2024-01-22 The portal is open and the world will never be the same The ancient gods are anxious to return to reignite their old glory If unleashed it will shatter man s hope for peace The Arab Israeli conflict took a nasty turn a dark cloud hovered over the entire Middle East as the world s armies launched toward the ultimate battle As the planet balances on the edge of World War III Amidst the U S ground forces a group of archeologists go missing in the ruined city of Abu Simbel A military team and scientists arrive in Egypt to investigate It wasn t just old ruins and deserts to contend with The mission became a survival run as political intrigues threatened to tear them apart The team must act fast to discover the truth deep into Abu Simbel A mystery was present an alien celestial artifact rests in those ancient ruins a portal to somewhere else It may be the key to finding the missing archeologists or the doorway to places beyond human conception And the story begins They enter to face forces fighting a war older than time Against all odds a group of people frozen in time and waiting for a deliverer holding back the ancient powers They were caught into a conduit
