[Global Perspectives on Sport and Physical Cultures](#) Annette Hofmann, Gerald R. Gems, Maureen Smith, 2018-04-19 *Global Perspectives of Sport and Physical Culture* is a compilation of diverse essays derived from the works of prominent international scholars that address significant international issues relative to sporting practices from a historical perspective. A variety of movement cultures are examined and analysed, such as various aspects of the turner and gymnastic movements, the transnational development of dance, competitive sport, non-competitive performance, and mountaineering. Michael Krüger's introductory chapter sets a framework for analysis with a historiographical and philosophical treatment of modern sport as an example of nationalism, internationalism, and cultural imperialism. The succeeding chapters discuss the confrontation of commercialization with national interests, the importance of gender in the construction of various movement cultures, as well as the conditions and circumstances that effect societal and cultural

change This book was previously published as a special issue of the International Journal of the History of Sport

**Mapping Leisure** Ishwar Modi, Teus J. Kamphorst, 2018-02-06 This volume addresses the rich and varied thoughts concepts approaches and leisure practices in sixteen countries of three continents Australia Asia and Africa The chapters showcase the diversity in the forms and ways in which the idea and practice of leisure have developed across space and time However the common thread through the chapters is that concepts and practices of leisure are found all over the world from pre historic settlements to the present day consumer societies Seemingly being at leisure is a capacity of the human species present at birth and which develops in a variety of individual and societal contexts Even in situations where leisure gets little official recognition as being an aspect of life such as under colonial rule or in extremely work centric societies it needs to be contextually understood This is a welcome addition to the literature on leisure studies from a global and comparative perspective Rowing News ,2003-05-04 **Rowing News** ,2004-06 *North German Lloyd Bulletin* ,1912
