Historical Dictionary of Rococo Art Jennifer D. Milam, 2011-04-18 The Rococo emerged in France around 1700 as a playful revolt against the grandeur of the Baroque and the solemnity of Classicism. It flourished during the reign of Louis XV and began to go out of fashion in the second half of the 18th century. During this brief period of less than a century it spread throughout the courts and cities of Europe with significant regional variations on the style developing in Bavaria Potsdam Venice and Great Britain. The period produced an extraordinary number of artistic innovators who challenged received conventions developed novel subject categories and eroded hierarchical distinctions between the arts. The Historical Dictionary of Rococo Art covers all aspects of Rococo art history through a chronology an introductory essay a review of the literature an extensive bibliography and over 350 cross referenced dictionary entries on prominent Rococo painters sculptors decorative artists architects patrons theorists and critics as well as major centers of artistic production. Garden at Monceau Carmontelle, 2020-12-08 Carmontelle's landmark publication Garden at Monceau beautifully reproduced to show the Parisian garden's artistic and cultural importance before the French Revolution. Originally published in 1779 Garden at Monceau is a richly illustrated presentation of the garden Louis Carrogis known as Carmontelle designed on the eve of the French Revolution for Louis Philippe Joseph d'Orléans duc de Chartres. With its array of architectural follies intended to surprise and amaze the visitor the garden was a setting for ancien régime social life. Carmontelle's portrayal of his work in Garden at Monceau therefore serves as an expression of a key moment in the history of European landscape design garden architecture and social history. This facsimile edition with its English language text and reproductions of the original engravings is accompanied by essays that interpret the landscape design and examine Carmontelle's larger career as a painter and theater producer.
