One of the finest books about love and forgiveness we have ever read. This inspiring book guides us how to reach the full potential to a lasting commitment of joy, peace, forgiveness, and endless love while fulfilling yourself daily. The best loved teaching and forgiveness show us how we can transform all life difficulties of the couple into a valuable opportunity for building a healthy relationship we have been looking for a long time. When we are talking about love or forgiveness is there really Western or Eastern love? Does not everyone seek happiness, joy, peace, unconditional love, financial security? Do we not seek a wise, intelligent and captivating man or woman to build forgiveness and love based on mutual respect, understanding, responsibility, integrity, and humility, faithfulness, effective communication, family and community spirit? Human being is perfectly imperfect but we can be perfected in love, forgiveness, and kindness. Each of us has already been hurt, betrayed, and despised by our wife or our husband and would like to hear the words: "I apologize sincerely. I am sorry for everything that has happened between us. I truly regret everything. I love you tremendously. You are adorable. We will get there. I trust you. I promise to be faithful, supportive, and loyal. Shouldn't you also think about forgiving, loving, having patience for your husband and for your wife who was yesterday the prince charming or the woman of your dreams who no longer has any value in your eyes today? You are saying: 'He's my enemy.'"
