Secrets Of The Universe Scenes From The Journey Home:

Secrets of the Universe Scott Russell Sanders, 1992-10-31 Ranging from an autobiographical tour de force that describes a childhood spent with an alcoholic father to Looking at Women a reflection on male yearning and confusion to a look at the place or absence of nature in recent American fiction

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

The Seven Deadly Virtues and Other Lively Essays Lynn Z. Bloom, 2008 This volume contains eye opening essays from a pioneering voice in creative nonfiction and composition studies Inspirational educator and writer Bloom brings to fore the trials and triumphs she has experienced in coming of age as a scholar teacher wife mother grandmother and most especially a writer A pioneer in composition studies and a chronic nonconformist Bloom is a lifelong advocate of opportunity authenticity and expression Taking a stance in favor of bold creativity in living teaching and the act of writing that ties both together she warns against the snares and sneers of the seven deadly virtues duty rationality conformity efficiency order economy and punctuality that so often subvert the mission of education and the potential of expressive communication Ranging from the comic to the confessional Bloom's memoir interweaves the pleasures and problems of a forbidden marriage and complex family the joys of cooking and travel the struggles to become a professor in an era that rejected women faculty and the risks of heeding the siren call of creative nonfiction These fifteen essays probe the assumptions and values ethical intellectual social aesthetic and inevitably political of what Bloom has found to be the most complicated challenging satisfying aspects of her loves and labors

Swift's Satires on Modernism: Battlegrounds of Reading and Writing G. Atkins, 2012-12-17 More than three centuries later Jonathan Swift's writing remains striking and relevant In this engaging study Atkins brings forty plus years of critical experience to bear on some of the greatest satires ever written revealing new contexts for understanding post Reformation reading practices and the development of the modern personal essay

Naked Barbies, Warrior Joes, and Other Forms of Visible Gender Jeannie B. Thomas, 2003 In this folkloric examination of mass produced material culture in the United States Jeannie Banks Thomas examines the gendered sculptural forms that are among the most visible including Barbie Ken and G I Joe dolls yard figures gnomes geese and flamingos and cemetery statuary angels sports related images figures of the Virgin Mary soldiers and politicians Images of females are often emphasized or sexualized frequently through nudity or partial nudity whereas those of the male body are not only clothed but also armored in the trappings of action and aggression Thomas locates these various objects of folk art within a discussion of

the post women s movement discourse on gender In addition to the items themselves Thomas explores the stories and behaviors they generate including legends of the supernatural about cemetery statues oral narratives of yard artists and accounts of pranks involving yard art narratives about children s play with Barbie Ken and G I Joe and the electronic folklore or e lore about Barbie that circulates on the Internet

Turning to Earth F. Marina Schauffler,2003 *Turning to Earth* offers a window into the heart of environmental change moving beyond the culture s traditional reliance on policy reforms and technological measures It charts the course of ecological conversion a dynamic inner process by which people come to ally themselves with the natural world and speak out on its behalf Stories by ecological converts illuminate a critical realm long neglected by environmental scholars and activists how the terrain of spirit psyche and conscience shape our commitment to Earth Marina Schauffler s engaging exploration of inner ecology deftly weaves together numerous autobiographical accounts with insights from the fields of ecocriticism ecopsychology environmental philosophy and environmental education An opening portrait of the writer and activist Terry Tempest Williams traces her deepening devotion to Earth Each subsequent chapter explores a key element of ecological conversion drawing primarily on the personal testimony of Williams and five other pioneering writers Rachel Carson Alice Walker Edward Abbey Scott Russell Sanders and N Scott Momaday *Turning to Earth* extends the parameters of contemporary environmental discussion by illustrating how substantive change hinges not just on political and institutional reforms but also on profound inner transformation The compelling life narratives of ecological converts provide inspiration and direction for the growing number of activists educators scholars and citizens committed to changing the world from the inside out

The Midwestern Pastoral William Barillas,2006-02-15 The midwestern pastoral is a literary tradition of place and rural experience that celebrates an attachment to land that is mystical as well as practical based on historical and scientific knowledge as well as personal experience It is exemplified in the poetry fiction and essays of writers who express an informed love of the nature and regional landscapes of the Midwest Drawing on recent studies in cultural geography environmental history and mythology as well as literary criticism *The Midwestern Pastoral Place and Landscape in Literature of the American Heartland* relates Midwestern pastoral writers to their local geographies and explains their approaches William Barillas treats five important Midwestern pastoralists Willa Cather Aldo Leopold Theodore Roethke James Wright and Jim Harrison in separate chapters He also discusses Jane Smiley U S Poet Laureate Ted Kooser Paul Gruchow and others For these writers the aim of writing is not merely intellectual and aesthetic but democratic and ecological In depicting and promoting commitment to local communities human and natural they express their love for their understanding of and their sense of place in the American Midwest Students and serious readers as well as scholars in the growing field of literature and the environment will appreciate this study of writers who counter alienation and materialism in modern society

Essayists on the Essay Carl H. Klaus,Ned Stuckey-French,2012-03-15 The first historically and internationally comprehensive collection of its kind

Essayists on the Essay is a path breaking work that is nothing less than a richly varied sourcebook for anyone interested in the theory practice and art of the essay This unique work includes a selection of fifty distinctive pieces by American Canadian English European and South American essayists from Montaigne to the present many of which have not previously been anthologized or translated as well as a detailed bibliographical and thematic guide to hundreds of additional works about the essay From a buoyant introduction that provides a sweeping historical and analytic overview of essayists thinking about their genre a collective poetics of the essay to the detailed headnotes offering pointed information about both the essayists themselves and the anthologized selections to the richly detailed bibliographic sections Essayists on the Essay is essential to anyone who cares about the form This collection provides teachers scholars essayists and readers with the materials they need to take a fresh look at this important but often overlooked form that has for too long been relegated to the role of service genre used primarily to write about other more literary genres or to teach young people how to write Here in a single celebratory volume are four centuries of commentary and theory reminding us of the essay s storied history its international appeal and its relationship not just with poetry and fiction but also with radio film video and new media **Reading Essays**

G. Douglas Atkins, 2010-01-25 Approaches abound to help us beneficially enjoyably read fiction poetry and drama Here for the first time is a book that aims to do the same for the essay G Douglas Atkins performs sustained readings of more than twenty five major essays explaining how we can appreciate and understand what this currently resurgent literary form reveals about the art of living Atkins s readings cover a wide spectrum of writers in the English language and his readings are themselves essays gracefully written engaged and engaging Atkins starts with the earliest British practitioners of the form including Francis Bacon John Dryden Alexander Pope and Samuel Johnson Transcendentalist writers Henry David Thoreau and Ralph Waldo Emerson are included as are works by Americans James Baldwin Zora Neale Hurston and E B White Atkins also provides readings of a number of contemporary essayists among them Annie Dillard Scott Russell Sanders and Cynthia Ozick Many of the readings are of essays that Atkins has used successfully in the classroom with undergraduate and graduate students for many years In his introduction Atkins offers practical advice on the specific demands essays make and the unique opportunities they offer especially for college courses The book ends with a note on the writing of essays furthering the author s contention that reading should not be separated from writing Reading Essays continues in the tradition of such definitive texts as Understanding Poetry and Understanding Fiction Throughout Atkins reveals the joy delight grace freedom and wisdom of the glorious essay **The Land We Share** Eric T. Freyfogle, 2003-08-08 Is private ownership an inviolate right that individuals can wield as they see fit Or is it better understood in more collective terms as an institution that communities reshape over time to promote evolving goals What should it mean to be a private landowner in an age of sprawling growth and declining biological diversity These provocative questions lie at the heart of this perceptive and wide ranging new book by legal scholar and conservationist Eric Freyfogle Bringing together insights from history law

philosophy and ecology Freyfogle undertakes a fascinating inquiry into the ownership of nature leading us behind publicized and contentious disputes over open space regulation wetlands protection and wildlife habitat to reveal the foundations of and changing ideas about private ownership in America Drawing upon ideas from Thomas Jefferson Henry George and Aldo Leopold and interweaving engaging accounts of actual disputes over land use issues Freyfogle develops a powerful vision of what private ownership in America could mean an ownership system fair to owners and taxpayers alike that fosters healthy land and healthy economies
