Dungeon Module A2 Secret of the Slavers Stockade

by Harold Johnson with Tom Moldvay
AN ADVENTURE FOR CHARACTER LEVELS 4-7

The battle against the slavers continues! You and your fellow adventurers have defeated the slavers of Highport, but you have learned of the existence of another slaver stronghold, and you have decided to continue the attack. But beware! Only the most fearless of adventurers could challenge the slavers on their own ground, and live to tell of it!

This module was originally used for the official ADVANCED DUNGEONS & DRAGONS™ Tournament at Gen Con® XIII Convention and is the second of four in a series of related tournament modules from TSR Hobbies, Inc.

This module contains a challenging scenario, the tournament scoring system plus nine pre-rolled, playtested tournament characters. Also included are large scale referee's maps, notes, and background information. A2 is a complete adventure in itself, but it is also a companion to A1 (Slave Pits of the Undercity), A3 (Assault on the Asile of the Slave Lords) and A4 (In the Dungeons of the Slave Lords). Be sure to look for other exciting adventure modules from the Game Wizards of TSR.

The North American Indian: Salishan tribes of the coast. The Chimakum and the Quilliate. The Willapa Edward S. Curtis, 1913 A comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions The value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race It has been the aim to picture all features of the Indian life and environment types of the young and the old with their habitations industries ceremonies games and everyday customs Though the treatment accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here General introduction
