Dana and Roger Investigators - Kidnapping in New York Marcel Pujol, 2024-08-05 New York New Year's Eve December 1991 Roger's girlfriend Carlie Donnelly is kidnapped from Marquee Club on Tenth Avenue along with three fellow students from Stella Maris on an early graduation trip Paddy Carlie's father acting on pure paternal instinct takes the first available flight to the city that never sleeps and brings Roger along with him However Dana also joins them and the pair of young investigators puts their brains and instincts to work on their first kidnapping case For the first time in their careers both have a very personal stake in resolving the case as quickly as possible and bringing Carlie back home But there is no ransom note and as the news threatens to become media sensational and undermine the authority of the Mayor of New York City and the NYPD an FBI team sets up a command center at the 10th Precinct not only to locate the four kidnapped Uruguayan tourists but also to uncover something much larger and much more sinister

Verminaard - The Last Dragon Marcel Pujol, 2024-09-09 Verminaard the dragon that ravages the Kingdom of Pigotry has kidnapped Princess Loreley daughter of King Novak Before the princess was kidnapped in broad daylight there were almost no cows left in the kingdom such was the dragon's appetite Gast n the Ladle a bard by profession arrives at the main square of the palace when Novak is offering a reward for saving his daughter Remorak a merchant who wants the monarch's deposition tricks the unsuspecting minstrel into accepting the mission of rescuing the princess from the dragon's lair and a mission that begins as an impossible journey an unattainable task ends up being a life lesson for such dissimilar characters

Kidnapped Democracy Ramón A. Feenstra, 2019-11-19 Large sections of democracy and its basic structures have recently been hijacked By stealth powerful elites have gradually gained control of the political sphere and transformed it to serve their own interests The political systems of what appear to be established democracies in all corners of the world are showing signs of this takeover which has led to widespread citizen disaffection and indignation Kidnapped Democracy uses the metaphor of captivity to illustrate the differences and similarities between conventional kidnappings and the hijacking of a political system The book's nine chapters identify the kidnappers the accomplices the hostages the victims and the negotiators before examining the effect of a peculiar Stockholm syndrome and finally reflecting on possible ways to secure the release of democracy

testimonios para un trabajo que finalmente no vio la luz el autor se enfrentó a diversas copias del manuscrito en cuestión algunas en poder del propio Amodio y otras depositadas en archivos por lo que decidí estudiarlas contrastándolas. El resultado de esta meticulosa investigación sorprende y desnuda una intencionalidad oculta. Lo que conocemos como el libro de Amodio no es uno sino varios surgidos de sucesivas e intencionadas alteraciones. Detrás de la misteriosa edición se esconde un probable autor original y más de un editor de orígenes y propósitos conjeturalmente encontrados.

Pop Culture in Latin America and the Caribbean Elizabeth Gackstetter Nichols, Timothy R. Robbins Ph.D., 2015-07-28 This insightful book introduces the most important trends people events and products of popular culture in Latin America and the Caribbean In recent times Latin American influences have permeated American culture through music movies television and literature This sweeping volume serves as a ready reference guide to pop culture in Central America South America and the Caribbean focusing on Mexico Brazil Venezuela Argentina Haiti Cuba the Dominican Republic

Jamaica and Costa Rica among other areas The work encourages hands on engagement with the popular culture in these places making such suggestions as Brazilian films to rent or where to find Venezuelan music on the Internet To start the book covers various perspectives and issues of these regions including the influence of the United States how the idea of machismo reflects on the portrayal of women in these societies and the representation of Latino Caribo cultures in film and other mediums Entries cover key trends people events and products from the beginning of the 20th century to the present day Each section gives detailed information and profound insights into some of the more academic and often controversial debates on the subject while the inclusion of the Internet social media and video games make the book timely and relevant

Learn Spanish News Vol.2: Nik Marcel, LEARN SPANISH NEWS Vol 2 English Spanish THIS EDITION The dual language text has been arranged into sentences and shorter paragraphs for quick and easy cross referencing The source text is the Spanish language edition of Voice of America VOA The Spanish text has been translated into English for this dual language project The reader can choose between four formats Section 1 English to Spanish Section 2 Spanish to English Section 3 English Section 4 Spanish A methodology for getting the most out of this bilingual format is explained in the book's Foreword The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language to be able to read only in the foreign language and extract enough understanding to continue the language learning process fruitfully this way A reader might like to go back to reading dual language news for reinforcement and further development returning to foreign language only news with a deeper understanding By going back to the same old news you are going over words word patterns and passages with which you already have a certain familiarity The process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated The aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time If you are having trouble with the level of difficulty in the text a suggested path for learning languages is as follows Familiarise yourself with a basic language instruction book or re read the one you have Once a student has studied the basics a suitable book about basic grammar can be helpful The suggestion is that any grammar book be studied more with the intent of recognition and understanding rather than memorising and obsessive rote learning Go through as much of the grammar book you feel you can digest maybe even the whole book skipping over what is not easily understood After this read through a portion of text in a book called Spanish Sentences by 2LanguageBooks looking for examples of what you have picked up or gleaned in your hopefully not so arduous study of grammar Even repeatedly seeing a word that you remember seeing listed as a subject pronoun or a third person plural verb of some sort is a great help Then depending on your inclination return to the grammar book or your basic Spanish book or move on to lengthier bilingual text like in 2Language Books texts containing news or stories for example or find some suitable Spanish text a simple novel a Spanish news website etc Grammar books will likely have some verb charts However

there are currently good on line resources that go further dictionaries with a verb conjugation search option Many basic language books offer some form of audio support Internet services primarily news based radio stations offer podcasts Audio from television is an additional resource and can be formatted for use on various digital platforms However if audio is an important component of your interest in languages electronic devices that support quality text to speech TTS will likely be appealing With a library card TTS technology in a device that supports the relevant content and the above mentioned resources an entire language learning system is available for not much more than a cup of coffee There is no substantial financial outlay to get you started Furthermore there are no additional ongoing fees and updates and there are no expiry dates on premium content and resources

A Dual Language Book Project 2Language Books *After Violence* Elin Skaar, Camila Gianella Malca, Trine Eide, 2015-04-17 *After Violence* Transitional Justice Peace and Democracy examines the effects of transitional justice on the development of peace and democracy Anticipated contributions of transitional justice mechanisms are commonly stated in universal terms with little regard for historically specific contexts Yet a truth commission for example will not have the same function in a society torn by long term civil war or genocide as in a society emerging from authoritarian repression Addressing trials reparations truth commissions and amnesties the book systematically addresses the experiences of four very different contemporary transitional justice cases post authoritarian Uruguay and Peru and post conflict Rwanda and Angola Its analysis demonstrates that context is a crucial determinant of the impact of transitional justice processes and identifies specific contextual obstacles and limitations to these processes The book will be of much interest to scholars in the fields of transitional justice and peacebuilding as well as students generally concerned with human rights and democratisation
