Lydia Langerwerf, Cressida Ryan, 2020-05-15 Hercules is a hero we were all brought up to appreciate the basic idea of the ancient hero But what about him makes him one This book aims to challenge some of the standard expectations as to what constitutes a hero considering the phenomenon of heroism from a range of viewpoints In this book we invite you to walk around the monumental notions of the hero and heroism and endeavour to reach out and touch them on all sides The chapters in this volume testify to the difficulty of answering the question what is a hero and engage with a variety of themes in attempting to offer some replies They demonstrate not just the variety of ways in which the protagonists of ancient literature can be deemed heroic but also the tendency for aspects of heroism to turn sour once identified It seems that the moment we recognise heroic features we are forced to question them Do heroes necessitate anti heroes for example Portraying protagonists heroic qualities in an ambiguous light focuses the reader s attention on the problem of realising the ideals of heroism in historic actuality Various chapters ask the rhetorical question of whether we should expect or more importantly desire historical actors to behave like mythical heroes To what extent can a hero ever be integrated into normal society What difference might there be between a tragic and an epic hero The commonplace The only good hero is a dead hero summarises the extent to which this book also focuses on heroic death and dying Covering Euripides to Monty Python Roman soldiers to the modern military this volume offers the reader a chance to think about the changing notion of the hero and recognise heroic qualities throughout western culture *The Steppes of Paris* Helen Harris, 2014-07-21 I prefer autumn

In autumn I am at my best It will be one of my lasting regrets when you are gone that we won t have known each other in autumn Edward had hoped for Latin America but the newsdesk sent him to Paris In Paris there were no machine gun toting revolutionaries with faces like icons Instead there was Irina exotically Russian desirably statuesque and ten years older than Edward In an icy Paris winter Edward and Irina are drawn together *The Steppes of Paris* is an elegant and bittersweet story of unpredictable love in the City of Light from the highly acclaimed author of *Angel Cake* and *Playing Fields in Winter* I have never read a novel that describes so well the plight of the ex pat in Paris the fraught progress of the affair is described with sharply wry observation Sunday Express A breath of spring although with two acclaimed novels already to her credit Helen Harris s talents are well past the budding stage wry beautifully exact and bubbling with life Christopher Wordsworth The Guardian The couple s story is colourful often funny and absorbing Eastern Daily Express An attractive well written portrait

of a young man and elderly Russian family well worth reading The Bookseller Excellent an intriguing tale ultimately leaving the reader with the slow cringing sense of horror as the book reaches its climax Jane Yelland The Huddersfield Daily Examiner [North Carolina Reports](#) North Carolina. Supreme Court, 1919 Cases argued and determined in the Supreme Court of North Carolina [The Pirate's Seduction](#) Bethany M. Sefchick, 2019-06-12 After the passing of her beloved grandfather and infant son Lady Lucy Woodfield is being sent to Montserrat to become an elderly plantation owner's mistress mostly so she won't become an embarrassment for her remaining family Before she can reach her destination however her ship is attacked by pirates and she is taken captive Since her family refuses to pay the ransom Lucy is to be sold into slavery most likely becoming a prostitute in one of the area's many brothels Bloody Harry Blackburn is a pirate captain in desperate need of a woman a very specific type of woman Harry needs a lady of Quality who can give him a son so that he may claim a portion of an aristocratic English title for his own Fortunately for him Lucy just happens to be the sort of lady he's seeking Unfortunately there's a price on Harry's head and he's being hunted by one of the most fearsome pirates in the West Indies all over a simple misunderstanding about some gold Can Lucy be what Harry desires or will her past prevent her from understanding that Harry needs more than just a warm body in his bed Will Harry ever realize that Lucy is far more than just a delicate English lady And will they both manage to evade Boucher the Butcher and find a future together Is it hot Yes it is Please be advised that this 80 200 word novel is written in the true spirit of pirates including salty language and extremely sexual situations that would be historically appropriate for that era It is NOT a sweet and clean romance and is intended for those seeking a MUCH hotter and sexier read while still looking for a romantic happily ever after This novel is not appropriate for younger audiences [Cartesian Poetics](#) Andrea Gadberry, 2020-11-10 What is thinking What does it feel like What is it good for Andrea Gadberry looks for answers to these questions in the philosophy of Ren Descartes and finds them in the philosopher's implicit poetics Gadberry argues that Descartes's thought was crucially enabled by poetry and shows how markers of poetic genres from love lyric and elegy to the puzzling forms of the riddle and the anagram betray an impassioned negotiation with the difficulties of thought and its limits Where others have seen Cartesian philosophy as a triumph of reason Gadberry reveals that the philosopher accused of having slashed poetry's throat instead enlisted poetic form to contain thought's frustrations Gadberry's approach to seventeenth century writings poses questions urgent for the twenty first Bringing literature and philosophy into rich dialogue Gadberry centers close reading as a method uniquely equipped to manage skepticism tolerate critical ambivalence and detect feeling in philosophy Helping us read classic moments of philosophical argumentation in a new light this elegant study also expands outward to redefine thinking in light of its poetic formations [Artful Seduction](#) Karl Posso, 2017-12-02 The controversial works of Brazilian authors Silviano Santiago 1936 and Caio Fernando Abreu 1948-96 offer distinctive but complementary explorations of male homosexual subjectivities formulated through displacement exile and the abject Posso examines the innovative ways in which these
