Young, 1927 *We Will See Our Pets In Heaven* Brian Burgess, 2013-08-22 Biblical Evidence That Animals Really Do Go To Heaven If you have pets or are grieving the loss of a pet then you must read this book We love our pets and they love us They become part of the family and it is painful when we have to say goodbye however you will be comforted to know that they are not gone forever as many people would believe Inside this book you will get a glimpse of what heaven will be like and you will see that God loves and cares for his animals and there is indeed a place for them in heaven In this book you will learn that animals are innocent and are not in need of salvation and that it was never our Heavenly Father desire that we or his animals would suffer death The pets that we had to

say goodbye to are alive in heaven right now in their spiritual bodies and we will see them again if we accept Jesus as our Savior Your Pet Is Not Gone Forever I know how hard it is to lose a pet I ve had the pleasure of caring for many pets throughout my life and I am grief stricken every time one of them passes away Dealing with the loss of a pet is difficult especially when you ve been taught as a child and led to believe throughout the years by misinformed people such as parents family and friends that they are gone forever and that you ll never see them again After losing my Black Lab back in December 2009 and then my Golden Retriever in 2011 I decided to find out for myself what the Bible had to say about the subject What I found out was very comforting and I know you will be comforted too when you read this book
