Lent through Eastertide David Lyon Bartlett,Barbara Brown Taylor,2008-01-01 We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett and Barbara Brown Taylor Book Jacket **Reluctant Prophets and Clueless Disciples** Robert Darden,2005-02-01 It was once said that all a person has to do to realize God has a very good sense of humor is to look at a platypus The same sentiment applies to the Bible The Bible often seems like foreign territory

not only for students encountering it in introductory classes but also for those who have spent many years in church. To many people it is an intimidating collection of rules, lists, and theological arguments. But in reality, most of the Bible is made up of fascinating stories. Sometimes they're funny, sometimes they're weird, sometimes they're inspiring, but they're never dull. This college-level introduction invites students into biblical studies through creative, humorous retellings and a few cartoons here and there of the basic biblical narratives. The best way to get into the Bible, says Robert F. Darden, is to get to know its stories. In this new approach to introducing the Bible to students, Darden covers the major biblical stories and characters, retelling them in such a way as to bring out their original humor and pathos and inviting the student to encounter them more fully by moving into the text itself. Click here to listen to Terri Gross's interview with Robert Darden on NPR's Fresh Air about the Black Gospel Music Restoration Project. Darden runs the project at Baylor University, where he is a journalism professor. The purpose of the project is to identify, acquire, preserve, record, and catalogue the most at-risk music from the black gospel music tradition, primarily between 1945 and 1970. Wandering, Not Lost Barry L. Casey, 2019-11-01. A spiritual journey may take many forms: from Dante's descent to the pits of Hell and up the other side to the bliss of Paradise, to Pilgrim's progress, or even to Billy Pilgrim unstuck in time in Vonnegut's *Slaughterhouse-Five*. It could be Elijah running headlong into the desert, or Jonah being flung ashore and shouting in Nineveh, a petulant prophet to the end. Faith can be carried like pennies in the pocket, or worn like a coat of many colors. Abraham and Moses, Mary and Peter, all of them carried their faith, and all of them had their doubts. Doubt is the companion of faith, and the mystery that bonds them together comes out in stories. These are stories of faith, doubt, and mystery. Not all who wander are lost. *A Long, Long Way* Greg Garrett, 2020-05-04. The American cinema is one of the great myth-making machines of the last century, and has been used to craft defining narratives of race. Films like *Birth of a Nation* and *Gone with the Wind* have promoted racist stereotypes, and films like *Get Out* and *BlacKkKlansman* have worked to tear those same stereotypes down. Greg Garrett's new book suggests that looking to religious traditions can help us discern and correct our national narratives of race and ultimately lead to reconciliation in a meaningful and lasting way. **Living Water** Robert P. Vande Kappelle, 2022-10-27. Everyone loves a good story: one with interesting characters, an intriguing plot, lots of twists and turns, and a surprise ending. Jesus was a master storyteller, teaching primarily through a technique we call parables. In fact, over one-third of the gospel material in the New Testament is parabolic in nature. Examining the parables of Jesus, *Living Water* views parables as a wisdom genre belonging to the Jewish tradition of *mashal*: sacred poetry, stories, proverbs, riddles, and dialogues through which wisdom is conveyed. In the Hebrew Bible, the Old Testament *mashal* is often associated with perplexing sayings, for its meaning is deliberately obscured in order to force the reader or listener to deeper thought and higher consciousness. While examining the parables of Jesus, *Living Water* focuses not so much on traditional explanations and interpretations but on their paradoxical and perplexing nature. In addition, this book encourages us to take a parabolic approach to all Scripture viewing.
