Bailey,Claude Bissell,Roy Daniells,Northrop Frye,Desmond Pacey,1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the Literary History of Canada is now being reissued revised and enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume 3 has been

newly written for this edition of the History and covers the years from about 1960 to 1974 The contributors to this volume are Claude Bissell Desmond Pacey Lauriat Lane jr Michael S Cross Thomas A Goudge John Webster Grant John H Chapman William E Swinton Henry B Mayo Malcolm Ross Brandon Conron Clara Thomas Sheila A Egoff John Ripley William H New George Woodcock and Northrop Frye **Orpheus in Brooklyn** Bertrand Mathieu, 2019-07-08 No detailed description available for Orpheus in Brooklyn **Canadian Poets, 1960-1973** George Woodcock, 1976-01-01 Compiled in 1976 by George Woodcock this book lists works by 600 poets in 1200 books and booklets during the era leading up to Canada's literary coming of age This listing of the writings in verse of Canadian poets between 1960 and 1973 came into existence because I was invited by Carl F Klinck the General Editor of the Literary History of Canada to write for a new edition of that work the chapter covering poetry published in Canada since 1960 It was obvious that my first need was an adequate list for I very soon realized that in quantity even more than in character the poetry published in Canada during the past decade has differed radically from what had appeared at any other time in the literary progress of our country Introductory note by George Woodcock **Fawn Bones** Richard Sommer, 1986 For Richard Sommer the business of a poem is not to persuade to the truth of an idea or to generalize on experience but to play with the facts of experience and to play one idea against another An evocative collection these are poems that offer in a variety of emotional ranges a deep sense of the connections between inter human experience artistic expression and the natural world Sommer served as a volunteer game warden in the Eastern Townships of Quebec during poaching season a dangerous but for him necessary undertaking Fawn Bones is in part the result of a poet standing between nature and lawlessness
