Selected Essays of Charles Lamb Charles Lamb, 1901 *Selected Essays of Charles Lamb* Ernest Dressel

North, 2015-06-27 Excerpt from *Selected Essays of Charles Lamb* Edited With Introduction and Notes A vast number of young people owe their first introduction to Shakespeare to Charles and Mary Lamb whose graphic and discriminating Tales from Shakespeare have familiarized readers of succeeding generations with the principal dramas of the great master This indebtedness to Lamb and his sister may well inspire a desire for a more intimate acquaintance with their lives and a more extended study of Lamb's writings It is with the hope of increasing the regard of such as already partially know him and of awakening an interest in those to whom he is a stranger that the editor has prepared the present compilation from Lamb's Essays Perhaps nothing would have amused Lamb more than the idea of making selections from his works but it is due to him to show the many sided quality of his genius as well as the conditions and circumstances out of which it was developed It is impossible to understand Lamb's work thoroughly without a definite knowledge of his life and surroundings No character study in English literature exceeds his in interest because his life his essays and his letters are inseparably interwoven About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Selected Essays of Charles Lamb** Charles Lamb, 1931 **Selected Essays of Charles Lamb.
