The Cambridge Companion to Contemporary Irish Poetry Matthew Campbell, 2003-08-28 In the last fifty years Irish poets have produced some of the most exciting poetry in contemporary literature writing about love and sexuality violence and history country and city This book provides a unique introduction to major figures such as Seamus Heaney but also introduces the reader to significant precursors like Louis MacNeice or Patrick Kavanagh and vital contemporaries and successors among others Thomas Kinsella Paul Muldoon and Nuala Ni Dhomhnaill Readers will find discussions of Irish poetry from the traditional to the modernist written in Irish as well as English from both North and South This Companion the only book of its kind on the market provides cultural and historical background to contemporary Irish poetry in the contexts of modern Ireland but also in the broad currents of modern world literature It includes a chronology and guide to further reading and will prove invaluable to students and teachers alike **Irish Poetry Since 1950** John

Goodby, 2000-12-15 Irish Poetry since 1950 is a survey of poetry from Northern Ireland the Republic Britain and the US covering the 1950s the 1960s the early period of the Troubles up to 1976 the 1980s and the 1990s **The Cambridge Companion to Contemporary Irish Poetry** Matthew Campbell, 2003-08-28 In the last fifty years Irish poets have produced some of the most exciting poetry in contemporary literature writing about love and sexuality violence and history country and city This book first published in 2003 provides an introduction to major figures such as Seamus Heaney and also introduces the reader to significant precursors like Louis MacNeice or Patrick Kavanagh and vital contemporaries and successors among others Thomas Kinsella Nuala N Dhomhnaill and Paul Muldoon Readers will find discussions of Irish poetry from the traditional to the modernist written in Irish as well as English from both North and South This Companion provides cultural and historical background to contemporary Irish poetry in the contexts of modern Ireland but also in the broad currents of modern world literature It includes a chronology and guide to further reading and will prove invaluable to students and teachers alike

The Strangers' House Alexander Poots, 2023-03-14 A penetrating study and celebration of Northern Irish literature telling the region's story through the extraordinary novels and poetry produced by decades of conflict Northern Ireland is one hundred years old Northern Ireland does not exist Both of these statements are true It just depends who you ask How do you write about a place like this THE STRANGERS HOUSE asks this question of the region's greatest writers living and dead What have they made of Northern Ireland and what has Northern Ireland made of them Northern Ireland is roughly the same size as the State of Connecticut yet has produced an extraordinary number of celebrated poets and novelists Louis MacNeice too clever to be happy formed by his childhood on the shores of Belfast Lough son of a Protestant

clergyman banned for ever from the candles of the Irish poor C S Lewis who discovered Narnia in the rolling drumlins and black rock of County Down Anna Burns chronicler of North Belfast and winner of the Booker Prize And Seamus Heaney the man of wry precision the poet with the gift of surprise As well as household names Poots also examines writers who may be less familiar to an American readership These include the dark and bawdy novels of Ian Cochrane a half blind writer obsessed with Columbo and Forrest Reid a man who saw Arcadia in the Irish countryside and who was perhaps the North s first queer author Reading the work of these writers together produces a testament to over one hundred years of literary endeavor and human struggle THE STRANGERS HOUSE is the story of how men and women have written about a home divided and used their work to move in the words of Seamus Heaney like a double agent among the big concepts **Women of Abstract Expressionism** Joan Marter,2016-01-01 This publication contains a survey of female abstract expressionist artists revealing the richness and lasting influence of their work and the movement as a whole as well as highlighting the lack of critical attention they have received to date **Robert Kipniss** Richard J. Boyle,Robert Kipniss,2007 A stunning monograph covering nearly 55 years of work by this internationally collected artist His paintings are evocative of the intense contemplation and extraordinary technical facility so much admired in his prints **The Poetry of Derek Mahon** Hugh Haughton,2010-10-21 Derek Mahon is one of the leading poets of his time both in Ireland and beyond famously offering a perspective that is displaced from as much as grounded in his native country From prodigious beginnings to prolific maturity he has been through thick and thin through troubled times and other a writer profoundly committed to the art of poetry and the craft of making verse He has also been no less a committed reviser of his work believing the poem to be more than a record in verse but a work of art never finished This virtuoso study by Hugh Haughton provides the most comprehensive account imaginable of Mahon s oeuvre Haughton s brilliant writing always serves and illuminates the poetry yielding extraordinary insights on almost every page The poetry its revisions and reception are the subject here but so thorough is the approach that what is offered also amounts indirectly to an intellectual biography of the poet and with it an account of Northern Irish poetry vital to our understanding of the times **Sympathetic Ink** Shane Alcobia-Murphy,2006-01-01 Northern Irish poets have been notably reticent when addressing political issues in their work In Sympathetic Ink Shane Alcobia Murphy traces that tendency through the works of Seamus Heaney Paul Muldoon and Medbh McGuckian Using collections of the poets papers made only recently available Alcobia Murphy focuses on the oblique subtle strategies they apply to critique contemporary political issues He employs the concept of sympathetic ink or invisible ink arguing that rather than avoiding politics these poets have via complex intertextual references and resonances woven them deeply into the formal construction of their works Acute and learned Sympathetic Ink will serve as a perfect introduction to these crucial figures of Irish poetry *Northern Irish Poetry* E. Kennedy-Andrews,2014-08-18 Through discussion of the ways in which major Northern Irish poets such as John Hewitt Seamus Heaney Michael Longley Louis MacNeice and Derek Mahon have

been influenced by America this study shows how Northern Irish poetry overflows national borders complicating and enriching itself through cross cultural interaction and hybridity *The Wrong Country* Gerald Dawe, 2018-06-05 This engaging personal chronicle by Irish poet Gerald Dawe explores the lives and times of leading Irish writers including W B Yeats Elizabeth Bowen Samuel Beckett and Stewart Parker alongside lesser known names from the earlier decades of the twentieth century such as Ethna Carberry Alice Milligan Joseph Campbell and George Reavey It also portrays the changing cultural backgrounds of the author's contemporaries such as Derek Mahon Eavan Boland Eiléan Ní Chuilleanáin Colm Tóibín Leontia Flynn and Sinéad Morrissey Gerald Dawe presents an accessible view of modern Irish literature filtered perceptively through his own distinctive lens and raises important questions about cultural belonging the commercialisation of contemporary writing and the influence of Irish literary culture in a digital age In this lyrical exploration of national identity *The Wrong Country* repositions our understanding of modern Irish writing in a wider context for today's readers **Derek Mahon: A Retrospective** Nicholas Grene, Tom Walker, 2024-09-17 Derek Mahon 1941-2020 is widely recognized as one of the most important Irish poets of his generation This collection of new critical essays offers an important retrospective assessment of the nature of his poetic achievement Bringing together many leading scholars of modern and contemporary Irish poetry including a notable number of accomplished poet critics its contributors range widely across Mahon's body of work Their essays offer fresh considerations of the biographical geographical and literary contexts that shaped his poetic voice This includes paying attention not only to more familiar influences but also to previously little considered interlocutors The stylistic and formal achievement of his voice is re-evaluated in ways that range from attentive close readings to considerations of his controversial practice of self-revision and his engagements with music and experiments in translation The politics of a poet often misleadingly considered apolitical are also reframed to take in the engagements of his early work through to the ecocritical commitment of his later poetry Indeed a notable aspect of this book is the consideration it gives to all the phases of Mahon's career As a whole the collection opens up many new ways of reading and understanding Mahon's important body of work *Northern Irish Poetry and Theology* G. McConnell, 2014-06-17 *Northern Irish Poetry and Theology* argues that theology shapes subjectivity language and poetic form and provides original studies of three internationally acclaimed poets Seamus Heaney Michael Longley and Derek Mahon **Farming in Modern Irish Literature** Nicholas Grene, 2021 Explores the various ways in which the farm and farming have been represented in Irish writing in the period of Independence and Partition after 1922 **Reading Globally, K-8** Barbara A. Lehman, Evelyn B. Freeman, Patricia L. Scharer, 2010-09-20 In *Reading Globally, K-8* the authors make the case for why it is necessary to be globally literate and multiculturally aware in today's shrinking world and they provide the tools teachers need to incorporate appropriate reading selections into primary and secondary school classrooms By using books from or about other countries teachers empower students to view the world in a more positive manner enriching and broadening their students' lives and

ultimately preparing them for life in a global economy and culture This reader friendly resource guides teachers and reading programme coordinators in selecting quality books for their classrooms incorporating global literature into different content areas and facilitating the discussions that follow Practical guidance is provided on how to Integrate the reading of global texts across the curriculum with specific application to language arts social studies science maths and the arts Locate and evaluate the authenticity and literary merit of potential books avoiding those that depict stereotypes Get started with an annotated list of children s books samples of student work and classroom vignettes from teachers [The Whispering Gallery](#) William Logan,2005-09-27 The poems here delve into what William Logan calls the ill lit kingdom of the past The book is haunted by the dead but equally penitent toward the rich insinuations of the living the lost floral paradise of the Florida outlands the steamy Gatsby summers of a Long Island childhood the frozen stones of a colonial burying ground This new collection of seventy two poems will allow readers to delight in the richness of Logan s language and the boldness of his vision

Marsden Hartley's Maine Donna M. Cassidy,Elizabeth Finch,Randall R. Griffey,2017-03-13 Marsden Hartley had a lifelong personal and aesthetic engagement with Maine where he was born in 1877 and where he died at age sixty six As an important member of the artistic circle promoted by Alfred Stieglitz Hartley began his career by painting the mountains of western Maine He subsequently led a peripatetic life traveling throughout Europe and North America and only occasionally visiting his native state By midlife however his itinerant existence had taken an emotional toll and he confided to Stieglitz that he wanted so earnestly a place to be Finally returning to the state in his later years he transformed his identity from urbane sophisticate to the painter from Maine But while Maine has played a clear and defining role in Hartley s art not until now has this relationship been studied with the breadth and richness it warrants p p1 margin 0 0px 0 0px 0 0px 0 0px font 14 0px Verdana Marsden Hartley s Maine is the first in depth discussion of Hartley s complex and shifting relationship to his native state Illustrated with works from throughout the painter s career it provides a nuanced understanding of Hartley s artistic range from the exhilarating Post Impressionist landscapes of his early years to the late roughly rendered paintings of Maine and its people The absorbing essays examine Hartley s view of Maine as a place of light and darkness whose spirit imbued his art which encompassed buoyant coastal views mournful mountain vistas and portraits of Mainers An illustrated chronology provides an overview of Hartley s life juxtaposing major personal incidents with concurrent events in Maine s history For Hartley who was strongly influenced by such artists as Paul C zanne Winslow Homer and Albert Pinkham Ryder Maine was an enduring source of inspiration one powerfully intertwined with his past his cultural milieu and his desire to create a regional expression of American modernism
