Different from previous researches weighted toward historical description and individual writer and work this book establishes a general analytical system and a multi angled methodology to examine Chinese literature In ancient China there was no definite concept of pure literature Considering both modern ideas of literature and the corresponding traditional concept this book broadly discusses Shi and Fu poetry Ci poems and Qu verses novels and essays The four chapters deal with the origins evolutions structures and styles of the various genres respectively analyzing some representative works It s worth mentioning that the book is written from an individual perspective Based on his own appreciation as a reader the author expresses the depth of his various related impressions on Chinese literature In addition it conveys many fresh points of views which will enrich and inspire related researches This book will appeal to scholars and students of Chinese literature and comparative literature People who are interested in Chinese literature and Chinese culture will also benefit from this book *The History of Literature in Song, Liao, Jin and Xixia of Dynasty* Li Shi, The book is the

volume of *The History of Literature in Song, Liao, Jin and Xixia of Dynasty* among a series of books of *Deep into China Histories* The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the *Bamboo Annals* 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze

River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world s oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period These states became independent and warred with one another in the following Warring States period Much of traditional Chinese culture literature and philosophy first developed during those troubled times In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC 220 AD Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly In the 21 centuries from 206 BC until AD 1912 routine administrative tasks were handled by a special elite of scholar officials Young men well versed in calligraphy history literature and philosophy were carefully selected through difficult government examinations China s last dynasty was the Qing 1644 1912 which was replaced by the Republic of China in 1912 and in the mainland by the People s Republic of China in 1949 Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927 1949 China was occasionally dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population Between eras of multiple kingdoms and warlordism Chinese dynasties have ruled parts or all of China in some eras control stretched as far as Xinjiang and Tibet as at present Traditional culture and influences from other parts of Asia and the Western world carried by waves of immigration cultural assimilation expansion and foreign contact form the basis of the modern culture of China

China The Editorial Committee of Chinese Civilization: A Source Book, City University of Hong Kong, 2007-04-01 Written with precision and flair by a host of leading academics from Beijing and Hong Kong this single volume is a welcome addition to the study of world civilizations a broad yet detailed chronological sweep through time Every aspect of Chinese civilization is explained interpreted contextualized and brought to life with well balanced commentary and photographic documentation Published by City University of Hong Kong Press

The Silk Dragon II Arthur Sze, 2024-04-16 National Book Award winner Arthur Sze presents a one of a kind anthology that vividly traces Chinese poetry from its centuries old lyrical traditions up to the present day In The Silk Dragon II National Book Award winning poet Arthur Sze presents a sophisticated vision of the vitality diversity and power of the Chinese poetic tradition Traveling over one and a half millennia Sze guides readers through a luminous history of verse from the contemplative insights of fifth century poet

Tao Qian through Tang dynasty poets such as Wang Wei and Du Fu and into subsequent centuries in which lived such innovative artists as Li Qingzhao and Bada Shanren among many others Extending the work from the original 2001 volume *The Silk Dragon II* then traces classical Chinese poetry's eruption into the free verse of the modern and contemporary eras introducing groundbreaking poems by the Chinese Modernist master Wen Yiduo as well as those from major living poets such as Wang Jiaxin Zhai Yongming and Xi Chuan Through this remarkable journey deepened by Sze's personal introduction we see that the impossible task of translation is yet rich with encounter as both long lost voices and those still speaking enter the same conversation with the same vivacity *Teaching Writing in Chinese Speaking Areas* Mark Shiu-Kee

Shum,2005-07-27 One of the most civilized nations in history China has a long standing writing tradition and many Chinese texts have become world treasures However the way the Chinese teach writing in various countries in contemporary times is little known to the outside world especially in Western countries Undoubtedly the Chinese have had an established traditional method of writing instruction However recent social and political developments have created the perception amongst both practitioners and researchers of a need for change Whilst certain socio political changes both in Mainland China and in the territories acted as agents for reform of the teaching of composition the shape these reforms are taking has been due to many different influences coming both from inside the countries themselves and from foreign sources Mainland China Hong Kong Taiwan and Singapore have each developed their own approach to the teaching of composition *Teaching Writing in Chinese Speaking Areas* aims to provide an accurate picture of the diverse composition teaching contexts and approaches in these four regions and countries This is the first book that systematically introduces recent developments in teaching composition in Chinese speaking areas It outlines current theories and paradigms originating both in the West and in China and Chinese speaking territories and the way in which these have been adapted to suit the various cultural contexts and learning environments The overview is of relevance not only to the East but throughout the world **The Origins and**

Continuity of Chinese Sociology Tiankui Jing,2022-11-14 This book examines the origins and basic concepts of sociology in China and traces the discipline's evolutionary trajectory Building on the premise that qunxue which goes back to Xunzi is essentially the Chinese antecedent of modern Western sociology contributors try to show the distinctive ways qunxue addresses a wide range of both foundational and practical issues related to society using its own set of conceptual analytical and methodological apparatus The book argues that the rise of Chinese sociology will depend crucially on whether the rich heritage of traditional Chinese sociology can be fully appreciated and integrated with the Western tradition of learning Following two preliminary chapters laying out qunxue's basic parameters the four remaining chapters focus on its four primary concerns cultivation of the self xiushen regulation of the family qijia governance of the state zhiguo and realization of universal peace pingtianxia *Chinese Lexical Semantics* Qin Lu,Hong Gao,2016-01-11 This book constitutes the thoroughly refereed post workshop proceedings of the 16th Chinese Lexical Semantics Workshop CLSW 2015 held in Beijing

China in May 2015 The 64 regular and 4 short papers included in this volume were carefully reviewed and selected from 248 submissions They are organized in topical sections named lexical semantics lexical resources lexicology natural language processing and applications and syntax

Literature and Power Zhu Guohua,2023-11-28 With reference to the theoretical framework of Michel Foucault and Pierre Bourdieu this book offers a critical investigation into such epic issues as the end of art and the inherent laws of literature s evolution while conflating the two into one major argumentation The book proceeds from Hegel s claim of the end of art to tackle the universal yet essential problem of literature its legitimacy in a sociological sense It invests Bourdieu s sociological terms power capital habitus field and so forth into the study of literature and art while taking on other theoretical enquiries particularly the Marxist exploration into ideology as well as aspects of economics and communication studies This book will be a valuable resource for students and scholars of the sociology of literature cultural studies and those with specific interests in Chinese literature literary and art theory

Redefining Chinese Literature and Art Jixi Yuan,2019-02-04 This Key Concepts pivot discusses the significance of the ancient Chinese concept of x ng or Association in defining Chinese civilization and thought through the centuries An approach unique to literary creation in China x ng highlights the importance Chinese civilization sets by the integration of intellect emotion and will into a highly consistent concept across its personal and public spheres The book explores how the concept has been a widely used creative technique even in the earliest collections of Chinese poems using metaphor and symbolism to set the scene and indicate thoughts and emotions invested in the vehicle of metaphor as well as its impact on Chinese literature and philosophy as a domain of multiple meanings in classical Chinese aesthetics

The Poetics of Repetition in English and Chinese Lyric Poetry Cecile Chu-chin Sun,2011-01-15 In this pioneering book Cecile Chu chin Sun establishes a sound and effective comparative methodology by using a multifaceted understanding of the concept of repetition not merely a recurrence of words and images as a key perspective from which to compare the poetry and poetics from these two traditions
