Selected Early Poems and Letters. Edited by Charles T. Davis. (Second Printing.). Edwin Arlington Robinson, Charles Twitchell DAVIS, 1961 **Selected Early Poems and Letters - ed. by Charles T. Davis ,** 1965

Select Early English Poems , 1921 **Selected Early Poems** Arthur Symons, 2017-04-11 Arthur Symons 1865 1945 was a central figure in the decadent phase of English poetry of the 1890s His early verse notably in the major collections *Silhouettes* 1892 revd 1896 and *London Nights* 1895 revd 1897 created a sophisticated new kind of urban poetry out of the gas lit world of London theatre and night life Under the French influences of Baudelaire and Verlaine Symons developed a wistful poetic eroticism new to English readers leading the way to the modernism of T S Eliot and others in the next generation This selection from Symons s most fertile period as a poet reproduces the fuller revised editions of *Silhouettes* and *London Nights* in their entirety together with related poems from his other early volumes *Days and Nights* 1889 *Amoris Victima* 1897 *Images of Good and Evil* 1900 and with early poems collected in *Knave of Hearts* 1913 p p1 margin 3 0px 0 0px 3 0px 0 0px text align justify font 14 0px Adobe Garamond Pro Fully annotated and supplemented by related critical writings by Symons Walter Pater and others this text offers students of late Victorian literature a rich resource for the understanding of decadence in the London literary scene of the 1890s p p1 margin 0 0px 0 0px 0 0px 0 0px font 7 9px Calibri **Selected Early Poems and Letters. Edited by Charles T. Davis** Edwin Arlington Robinson, 1964 **Selected Early Poems and Letters** Edward Arlington Robinson, 1965 **Felicia Hemans: Selected Poems, Prose and Letters** Felicia Hemans, 2002-01-22 Felicia Hemans was the most widely read woman poet in the nineteenth century English speaking world Broadview s edition shows why she was one of the few standard poets to be found in middle class homes on both sides of the Atlantic despite being routinely disparaged as a merely feminine poet Included here is poetry representative of her entire career from often anthologized works such as *The Homes of England* and *Casabianca* to several long poems in their entirety such as *The Forest Sanctuary* Also included are selections of her prose and letters a comprehensive introduction and selections of views and reviews showing her changing and controversial place in culture into the twentieth century All selections are edited annotated and introduced **Selected Letters of Robert Penn Warren** Robert Penn Warren, 2000 In America s twentieth century there is no man of letters more versatile distinguished and influential than the poet novelist editor critic social commentator and teacher Robert Penn Warren 1905 1989 The most intimate of Warren s letters his personal correspondence now join his published canon under William Bedford Clark s expert supervision Volume 1 *The Apprentice Years* forms a kind of epistolary coming of age novel taking Warren from the awkwardness of emerging genius during his Fugitive student years at Vanderbilt to the brink of producing great work in a newly appointed post at Louisiana State University Warren s letters all but one previously unpublished fascinate in their revelations such as the author s surprisingly tangled relationship with his parents his delicate health and the gossip about major literary figures including

Allen Tate John Crowe Ransom Donald Davidson and Laura Riding But beyond rich biographical detail they offer a veritable self portrait of the fledgling artist When a person writes a letter it is nearly as much one to himself as to the person who takes it from the postbox The precocious self conscious yet sensitive young Warren transforms into the sardonic irreverent aesthete wit Red and finally acquires a voice distinctively Warrenesque confident and sophisticated Thus the imaginative as well as literal aspects of these years in Warren s life are conveyed his writing persona and historical person always an intriguing comparison Highly accessible unfailingly interesting and scrupulously annotated The Apprentice Years will satisfy scholar and lay reader alike providing a unique window on what it means to profess the writer s calling in an era of rapid change When complete the selected letters of Robert Penn Warren will prove an indispensable addition to the author s literary oeuvre

Robinson's Narrative Poetry Faisal Al-Doori,2023-07-10 Edwin Arlington Robinson was a prolific American poet during the 1920s This book approaches one of the critical features of Robinson s poetry often overlooked by critics which is his method of narration Narration is one of the crucial points in Robinson s poetry that puzzles his critics Robinson s poems are portraits that include characters setting a method of narration and all other points that fit any narrative piece This book takes as its point of departure the idea that unless Robinson s narrative approach is discussed no proper understanding of his poems will be achieved The book deals with the influence of New England and Puritanism on the poet s life and works The book studies the poet s shorter and longer poems It also includes the study of his masterpiece The Man Against the Sky

The Letters of Robert Duncan and Denise Levertov Robert Edward Duncan,Robert J. Bertholf,Albert Gelpi,2004 This volume presents the complete correspondence between two of the most important and influential American poets of the postwar period The almost 500 letters range widely over the poetry scene and the issues that made the period so lively and productive But what gives the exchange its special personal and literary resonance is the sense of spiritual affinity and shared conviction about the power of the visionary imagination Duncan and Levertov explore these matters in rich detail until under the stress of dealing with the Vietnam War in poetry they discover deep seated differences in the religious and

ethical convictions underlying their politics and poetic stance The issues that drew them together and those that drove them apart create a powerful personal drama with far reaching historical and cultural significance The editors have provided a critical Introduction full notes a chronology and a glossary of names **H.D. and Sapphic Modernism 1910-1950** Diana Collecott, 1999-11-25 Diana Collecott proposes that Sappho s presence in H D s work is as significant as that of Homer in Pound s and of Dante in Eliot s **Mary and Charles Lamb: Poems, Letters, and Remains: Now First Collected, with Reminiscences and Notes** Mary Lamb, William Carew Hazlitt, 1874
