Long Way Round An Escape Through Occupied France:

The Second World War Through Soldiers' Eyes James Goulty, 2016-07-31 What was it really like to serve in the British Army during the Second World War Discover a soldier's view of life in the British Army from recruitment and training to the brutal realities of combat Using first hand sources James Goulty reconstructs the experiences of the men and women who made up the citizen's army Find out about the weapons and equipment they used the uniforms they wore how they adjusted to army discipline and faced the challenges of active service overseas What happened when things went wrong What were your chances of survival if you were injured in combat or taken prisoner While they didn't go into combat thousands of women also served in the British Army with the ATS or as nurses What were their wartime lives like And when the war had finally ended how did newly demobilised soldiers and servicewomen cope with returning home The British Army that emerged victorious in 1945 was vastly different from the poorly funded force of 865 000 men who heard Neville Chamberlain declare war in 1939 With an influx of civilian volunteers and conscripts the army became a citizen's force and its character and size were transformed By D Day Britain had a well equipped disciplined army of over three million men and women and during the war they served in a diverse range of places across the world This book uncovers some of their stories and gives a fascinating insight into the realities of army life in wartime

RAF Evaders Oliver Clutton-Brock, 2009-02-19 Stories of the British airmen shot down over Western Europe who evaded capture by the Germans and made their way to Allied territory during World War II During the five years from May 1940 to May 1945 several thousand Allied airmen forced to abandon their aircraft behind enemy lines evaded capture and reached freedom by land sea and air The territory held by the Germans was immense from Norway and Denmark in the north through Holland Belgium Luxembourg to the south of France and initially there was no organization to help the men on the run The first one to assist the evaders and escapers E named after a naval officer Pat O Leary from 1942 it became the PAO line Next was the Comet line from Brussels to the Pyrenees Thousands of brave people were to be involved for whom if caught the penalty was death Theirs is a stirring and awe inspiring story Respected historian Oliver Clutton Brock has researched in depth this secret world of evasion uncovering some treachery and many hitherto unpublished details operations and photos It is a tremendous reference work written in his own colorful style with numerous anecdotes which fills a gap of knowledge formerly unavailable to historians professional or amateur Packed the information key figure biographies and listings 2 094 evaders identified this is a valuable testimony to the courage of all those involved

When Men Fell from the Sky Claire Andrieu, 2023-04-13 A fascinating comparative history of the treatment of fallen airmen in Second World War Europe

Churchill's Sacrifice of the Highland Division Saul David, 1994 On 12 June 1940 more than a week after the last British troops had been evacuated from Dunkirk the 51st Highland Division was forced to surrender to General Erwin Rommel's 7th Panzer Division at St Valery en Caux More than 10 000 members of the Division were driven into five years of captivity in prison camps
