

A photograph of two men standing in a mountainous landscape. The man on the left has long hair and is wearing a brown jacket and grey pants. The man on the right has a beard and is wearing a dark jacket and blue pants. They are standing next to two motorcycles. A metal toolbox is on the ground between them. The background shows steep, rocky mountains under a cloudy sky.

Long Way Round:

Long Way Round Ewan McGregor, Charley Boorman, Robert Uhlig, 2004 It started as a daydream Poring over a map of the world at home one quiet Saturday afternoon Ewan McGregor actor and self confessed bike nut noticed that it was possible to ride all the way round the world with just one short hop across the Bering Strait from Russia to Alaska It was a revelation he couldn't get out of his head So he picked up the phone and called Charley Boorman his best friend fellow actor and bike enthusiast Charley he said I think you ought to come over for dinner From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride over 20 000 miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire Long Way Round is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream

Long Way Down Ewan McGregor, Charley Boorman, 2008-07-15 This unique travelogue offers the breathtaking account of the authors three month motorcycle journey across two continents that took them from the northernmost tip of Scotland across Europe and down through Africa ending in Cape Town
