he quickly realized what had just happened Jesus had given him a life vision He prayed that night for God to give him another mountain to climb and a physical sign that he was being called out of the boat The answers to those two questions came with God not only showing him the mountain and the physical sign he had prayed for but taking him on a faith journey that would change his life forever Then in September after venting in an e mail to his pastor about his unanswered prayers for another church to become involved in the mission project and for the fundraising to end with a miracle that only God could do God provided answers to both of those prayers the next night For Thomas 2010 would quickly become a spiritual marker Ten One Dollar Bills not only tells the story of this incredible journey but reminds us that life is a journey not a destination and as with any journey serving the Lord loving people purpose We are all challenged to get out of the boat move beyond comfort love without limit that is where we ll discover not only who we truly are but the bounty of Christ REVIEW Read the book from cover to cover An absolutely amazing and compelling story The courage you have shown in your walk with the Lord is very inspiring to me And when reading it in between tears and joy all I felt was God s healing grace Thank you so much Ken Frantz **Memoirs and Addresses of Two Decades** John Alexander Low Waddell, Frank Woodward Skinner, 1928
