Long Way From Heaven:

Hearts and Mines Terrence Weatherbe, 2020-10-22 This book is about heroes and victims often playing both roles at the same time The storied characters are common people generally country people dealing with the affairs of life and of the heart There is humor and there is pathos There is also hope This book has poems for men and for women for the old and for the young people They are slices of real life served in digestible portions There are elements of war in this book from both perspective of the dove and the hawk Unlike many offerings in the world today the contents are clear and easily understood I know that people today will get much enjoyment to reading the poems in the book *A Long Way Home* Terence Dillon, 2013-12 *A Long Way Home* is a dramatic and tension filled fictional story that explores the relationship between the English and the Irish in the late nineteenth century It provides a fascinating insight into the issues created when those looking for conciliation come into conflict with those relying on confrontation in the struggle for Irish independence The book traces the experiences of Paul Doherty an Irishman immigrant In a story that raises important issues of race class religion sex violence and secret societies Doherty struggles to look for conciliation rather than confrontation bringing him into conflict with his great friend and fellow Irishman Will who is a member of the Irish Republican Brotherhood The theme of confrontation and conciliation continues through the relationships Doherty has with the English arch racist Maurice Whitehouse and the English philanthropist William Harding The book also draws upon comparisons between life in rural Ireland and the dark streets of an English industrial town of the late nineteenth century as it builds to a powerful conclusion of romance and violence *The Long Way Home* Mariah Stewart, 2013-01-29 NEW YORK TIMES BESTSELLER Mariah Stewart presents a captivating contemporary romance novel in the tradition of Robyn Carr Susan Mallery and Barbara Freethy As the only child of a wealthy investment manager Ellie Chapman has never known anything besides a life of perfect privilege But her years of good fortune come to an abrupt end when her father is exposed for swindling billions of dollars from innocent investors in a massive Ponzi scheme And just like that Ellie loses everything money job home even her fiancé who's jailed as her father's partner in crime With no job prospects on the horizon no cash and her family name in tatters Ellie has only one place to go Sleepy St Dennis Maryland is hardly where Ellie intends to stay however Keeping her identity a secret she plans to sell the house her late mother left her in the small town and use the proceeds to move on with her life Unfortunately her ticket to a new beginning is in dire need of a laundry list of pricey improvements many of which she'll have to do herself And until the house on Bay View Road is fit to be sold the sole place Ellie will be traveling is the hardware store But as the many charms of St Dennis not to mention Cameron O Connor the handsome local contractor who has secrets of his own begin to work their magic what begins as a lesson in do it yourself renovations might just end up as Ellie's very own rejuvenation Includes a preview of the next book in the Chesapeake Diaries series *At the River's Edge* *A Long Way to Goulacullin* John Kingston McMahon, 2013-12-05 The seasons of my life have passed by so quickly and now as I reach the

autumn of my life I reflect on what has been and what might have been I have been lucky and am somewhat surprised that I have made it this far on my journey of life Now I look back and remember on these pages those that I knew and those whose lives were never fulfilled I am only one of a quarter of a million people who were brought up in the child welfare system in the 1950s and 60s in Australia and who are now referred to as the Forgotten Australians *A Mistaken Angel* Eve Grafton,2017-06-02 Alessandro Rodrigues was trying hard to overcome the loss of his wife and drawing comfort from his family His little daughter was emphatic that her mother had come back from heaven and this needed investigation His suspicion that his extended family had something to do with his wife's death urged him to present them with evidence that his grandmother was the owner of the family ranch not him expecting them to show themselves in their true colors He waited for the repercussions expecting some action from them It was a surprise to him when the response was to kidnap his daughters mistaken angel to prove to him that his wife did not die Someone was certainly confused **Ascension** Gabriel Da Silva,2006-03-01 Ascension is a new kind of sci fi It's dark gothic cyberpunk with a twist or two in the tail Set in a tower with Heaven at the top and Hell at the bottom Frakture is a humanoid creature able to swap limbs at will as she ascends towards the top Her bizarre struggles are not dissimilar to those we face in our own lives the question being when do you give up and settle for what you've got **Long Way Home** Lynn Austin,2022 Peggy Serrano couldn't wait for her best friend to come home from the war But the Jimmy Barnett who returns is much different from the Jimmy who left changed so drastically by his experience that he can barely function When he attempts the unthinkable and his parents check him into the VA hospital Peggy determines to help the Barnetts unravel what might have happened to send their son over the edge starting by contacting Jimmy's war buddies and trying to identify the mysterious woman in the photo they find in Jimmy's belongings Seven years earlier sensing the rising tide against her people Gisela Wolff and her family flee Germany aboard the passenger ship St Louis bound for Havana Cuba Gisela meets Sam Shapiro the love of her life on board but the ship is eventually denied safe harbor and sent back to Europe This begins Gisela's perilous journey of exile and survival made possible only by the kindness and courage of a series of strangers she meets along the way including one man who will change the course of her life *Swan people* Robin Ridington,1978-01-01 This volume presents some of the myths and oratories of the Dunne za or Beaver of the upper Peace River The first section offers a discussion of how the Dunne za adapt the prophet tradition common to northwestern Native peoples to a nomadic hunter lifestyle while the second presents a collection of mythic and oratorical texts Published in English **Prayer, Praise and Poetry** Susan Champion,2017-12-06 This book is for anyone aged nine to ninety plus Dip into it at any time of day Read it quietly or out loud Let it uplift you **Catalog of Copyright Entries** Library of Congress. Heaven's Wind Stephen Earle, 2017-04-11 For the first time in English Stephen Earle tells the epic story of Nakamura Tempu one of Japan's most inspirational twentieth century thinkers and teachers whose mind body approach to personal

transformation influenced hundreds of thousands including prominent leaders in government industry and the arts Earle chronicles Tempu s origins in the samurai tradition his genius for martial arts and his work in Manchuria as a spy during the Russo Japan War of 1904 1905 He relates how after escaping a Russian firing squad Tempu contracted tuberculosis how he embarked on a search for a cure that led to the halls of Columbia University the salons of Paris and the foothills of the Himalayas where he practiced yoga under the tutelage of an Indian guru and how he not only regained his health but also underwent a spiritual transformation This transformation laid the groundwork for the secular and practical methodology for self realization and the cultivation of will that Tempu developed and disseminated to the sick and socially disenfranchised as well as to princes and prime ministers Over the course of nine decades Tempu s philosophy of mind body unification has charted a clear and accessible path to mastery over hardship and the ability to meet life s challenges head on Yet the man his story his teachings and his legacy remain almost unknown outside of Japan until now In addition to demonstrating how Tempu s teachings were significant to Japan s reconstruction and economic rise following the devastation of World War II *Heaven s Wind* is also an engaging historical narrative an account of personal transformation and a clear guide to the practical philosophy of mind body unity Heaven's Gate George D. Chryssides,2011 The Heaven s Gate suicides were part of a series of major violent incidents involving New Religions in the 1990s Despite the major attention that Heaven s Gate attracted there have been few scholarly studies This anthology on Heaven s Gate includes a combination of articles previously published in academic journals some new writings from experts in the field and some original Heavens Gate documents All the material is expertly brought together under the editorship of George Chryssides **The Mutineer, Or Heaven's Vengeance** ,1899 *Heaven's Bride* Leigh Eric Schmidt,2010-12-07 The nineteenth century eccentric Ida C Craddock was by turns a secular freethinker a religious visionary a civil liberties advocate and a resolute defender of belly dancing Arrested and tried repeatedly on obscenity charges she was deemed a danger to public morality for her candor about sexuality By the end of her life Craddock the nemesis of the notorious vice crusader Anthony Comstock had become a favorite of free speech defenders and women s rights activists She soon became as well the case history darling of one of America s earliest and most determined Freudians In *Heaven s Bride* prize winning historian Leigh Eric Schmidt offers a rich biography of this forgotten mystic who occupied the seemingly incongruous roles of yoga priestess suppressed sexologist and suspected madwoman In Schmidt s evocative telling Craddock s story reveals the beginning of the end of Christian America a harbinger of spiritual variety and sexual revolution **The Dawn of the Day** ,1893 Saints Herald ,1887 **The Road to Hell** David Pawson,2014-04-11 Most of Jesus teaching on this uncomfortable subject was addressed to his followers yet it hardly features in sermons today Challenging the modern alternatives of liberal universalism and evangelical annihilationism David Pawson presents the traditional concept of endless torment as soundly biblical illustrating his argument with in depth Scripture studies on controversial passages Heaven is also a reality he affirms but it is hell which is being overlooked
