Looking At Art From The Inside Out The Psychoiconographic Approach To Modern Art:

Looking at Art from the Inside Out Mary Mathews Gedo, 1994 This book highlights the role played by an artist's psychological world in shaping the subject matter and form of art works Analyzing masterpieces by Manet Gauguin Magritte and Picasso the author details how the creative process can transform the artist's inner world into public statements meaningful for a broad audience Demonstrating how biological predisposition familial relationships and childhood experiences of future artists play a pivotal role in shaping their careers she merges formal iconographic and psychobiographical elements to provide insight into their production

Inside/Outside Islamic Art and Architecture Saygin Salgirli, 2021-07-29 When we walk into a gallery we have a fairly good idea where the building begins and ends and inside while observing a painting we are equally confident in distinguishing between the painting proper and its frame and borders Yet things are often more complicated A building defines an exterior space just as much as an interior and what we perceive to be ornamental and marginal to a given painting may in fact be central to what it represents In this volume a simple question is presented instead of dichotomous separations between inside and outside or exterior and interior what other relationships can we think of The first book of its kind to grapple with this question Inside Outside Islamic Art and Architecture focuses on a wide spectrum of mediums and topics including painted manuscripts objects architectural decoration architecture and urban planning and photography Bringing together scholars with diverse methodologies who work on a geographical span stretching from India to Spain and Nigeria and across a temporal spectrum from the thirteenth to the twenty first century this original book also poses engaging questions about the boundaries of the field

Handbook of Autobiography / Autofiction Martina Wagner-Egelhaaf, 2019-01-29 Autobiographical writings have been a major cultural genre from antiquity to the present time General questions of the literary as e g the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc can be studied preeminently in the autobiographical genre Yet the tradition of life writing has in the course of literary history developed manifold types and forms Especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance By conceiving autobiography in a wide sense that includes memoirs diaries self portraits and autofiction as well as media transformations of the genre this three volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective While autobiography is usually considered to be a European tradition special emphasis is placed on the modes of self representation in non Western cultures and on inter and transcultural perspectives of the genre The individual contributions are closely interconnected by a system of cross references The handbook addresses scholars of cultural and literary studies students as well as non academic readers **Thematics** Max Louwerse, Willie van Peer, 2002 Themes play a central role in our everyday communication we have to know what a text is about in order to understand it Intended meaning cannot be understood without some knowledge of the underlying theme This book helps to define the concept of themes in texts and how they are structured in language use Much of the literature on Thematics is scattered over different disciplines literature psychology linguistics cognitive science which this detailed collection pulls together in one coherent overview The result is a new landmark for the study and understanding of themes in their everyday manifestation **Hans Bellmer** Sue Taylor, 2002

A study of Hans Bellmer's eroticized images and the psychological origins of his disturbing art *Twelve Views of Manet's Bar* Bradford Collins, 2021-01-12 Bradford Collins has assembled here a collection of twelve essays that demonstrates through the interpretation of a single work of art the abundance and complexity of methodological approaches now available

to art historians Focusing on Manet's *A Bar at the Folies Bergère* each contributor applies to it a different methodology ranging from the more traditional to the newer including feminism Marxism Lacanian psychoanalysis and semiotics By demonstrating the ways that individual practitioners actually apply the various methodological insights that inform their research *Twelve Views of Manet's Bar* serves as an excellent introduction to critical methodology as well as a provocative overview for those already familiar with the current discourse of art history In the process of gaining new insight into Manet's work and into the discourse of methodology one discovers that it is not only the individual painting but art history itself that is under investigation An introduction by Richard Shiff sets the background with a brief history of Manet scholarship and suggestions as to why today's accounts have taken certain distinct directions The contributors selected to provide a broad and balanced range of methodological approaches include Carol Armstrong Albert Boime David Carrier Kermit Champa Bradford R Collins Michael Paul Driskel Jack Flam Tag Gronberg James D Herbert John House Steven Z Levine and Griselda Pollock

Critical Theory and the Classical World Martyn Hudson, 2018-07-17 This book radically re-examines Europe's imaginaries of its origin in the ancient Greek world Extracting central concepts of critical theory in its widest sense beyond the Frankfurt School like the human force spirit and domination it allies them to characters mythologies and motifs in ancient thought Just as the stories of Achilles Helen and Odysseus have become central to our modes of self-understanding so we can also examine the roots and routes of the concepts of social theory out of the ancient earth and its myths An important book for scholars and students of critical theory social theory aesthetic theory and the history of the human sciences it alerts us to the catastrophe that we are facing in the 21st century a catastrophe of domination and ecological collapse that has its origins in the ancient world and the ways in which it began to define a certain sense of humanness Considering the artistic production of the ancient world in relation to the thought of Adorno *Critical Theory and the Classical World* argues that it is only by understanding the persistence of the haunted motifs of the past into the present that we can begin to re-forge our critical theory of society and re-found our social formations on a new basis

Picasso's Demoiselles Suzanne Preston Blier, 2019-12-13 In *Picasso's Demoiselles* eminent art historian Suzanne Preston Blier uncovers the previously unknown history of Pablo Picasso's *Les Femmes d'Alger (O.J.)* one of the twentieth century's most important celebrated and studied paintings Drawing on her expertise in African art and newly discovered sources Blier reads the painting not as a simple bordello scene but as Picasso's interpretation of the diversity of representations of women from around the world that he encountered in photographs and sculptures These representations are central to understanding the painting's creation and help identify the demoiselles as global figures mothers grandmothers lovers and sisters as well as part of the colonial world Picasso inhabited Simply put Blier fundamentally transforms what we know about this revolutionary and iconic work

Manet and Modern Beauty Gloria Groom, 2019-06-25 This stunning examination of the last years of douard Manet's life and career is the first book to explore the transformation of his style and subject matter in the 1870s and early 1880s The name Manet often evokes the provocative heroically scaled pictures he painted in the 1860s for the Salon but in the late 1870s and early 1880s the artist produced quite a different body of work stylish portraits of actresses and demimondaines luscious still lifes delicate pastels intimate watercolors and impressionistic scenes of suburban gardens and Parisian caf's Often dismissed as too pretty and superficial by critics these later works reflect Manet's elegant

social world propose a radical new alignment of modern art with fashionable femininity and record the artist's unapologetic embrace of beauty and visual pleasure in the face of death. Featuring nearly three hundred illustrations and nine fascinating essays by established and emerging Manet specialists, a technical analysis of the late Salon painting *Jeanne Spring*, a selection of the artist's correspondence, a chronology and more, *Manet and Modern Beauty* brings a diverse range of approaches to bear on a little studied area of this major artist's oeuvre.

Visual Culture John A. Walker, Sarah Chaplin, 1997-12-15 This book is about the expanding realm of visual culture in architecture, art, design, advertising, photography, film, television, video, theatre, performance, computer imagery and virtual reality. It is also about Visual Culture Studies, a relatively new academic discipline or rather range of disciplines that scholars employ to analyse visual artefacts. Unlike many other texts on the same subject, it foregrounds the visual and is systematic and accessible. Visual culture provides an overview of the subject that pays heed to the achievements of both traditional and new theory whilst directing the reader to a large body of literature via references and an extensive bibliography. Walker and Chaplin discuss the concepts of the visual and of culture as well as the field and origins of Visual Culture Studies, coping with theory, models of production and consumption, institutions, pleasure, the canon and concepts of value, visual literacy and poetics, modes of analysis, culture and commerce and new technologies. This book is designed for those studying the history and theory of fine arts, design and the mass media.
