101 Things NOT to Do Before You Die Robert W. Harris, 2007-01-23 A witty subversive guide that turns conventional wisdom upside down Too many books tell us what to do to achieve happiness unfortunately often at great risk expense or effort 101 Things NOT to Do Before You Die is not one of those books It's a book for the rest of us Robert W. Harris says it's what we don't do that determines our happiness quotient Using the exciting principle of selective inaction the author helps us adjust our thinking so we can make more satisfying decisions in everyday situations For example do you think you'll feel complete if you try to run with the bulls Don't do it Do you feel compelled to drive around searching for the best parking spot Don't do it Are you sometimes tempted to confuse Randy Quaid with Dennis Quaid Just don't do it Do you think that you should watch the colorized version of It's a Wonderful Life Or ponder the lyrics to Louie Louie Or read War and Peace Or push an elevator button more than twice Think again In many cases you'll be better off not doing what they say you should do Let 101 Things NOT to Do Before You Die be your guide to getting more out of life simply by doing less
