Managerial Accounting Steve Jackson,Roby Sawyers,Greg Jenkins,2005 First and foremost the emphasis of this managerial accounting text is decision making as opposed to number crunching Additionally this text is unique in its first person discovery learning approach using a 4 step decision making model throughout It truly conveys a management perspective by including coverage of topics such as ABM the value chain and balanced scorecard evaluation techniques It is also the first managerial text to incorporate coverage on knowledge management Ch 13 highlighting the latest developments for improved managerial decision making

Loose Leaf for Fundamental Managerial Accounting Concepts Thomas P. Edmonds,Mark A. Edmonds,Christopher Edmonds,Philip R. Olds,2022-01-27 Fundamental Managerial Accounting Concepts focuses on the development of decision making skills helping students to truly understand managerial accounting concepts and improving their ability to make sound business decisions The text places a heavy emphasis on service and merchandising companies For example the budgeting chapter uses a merchandising business while most traditional texts use a manufacturing company Using a service company is not only more relevant but also simplifies the learning environment thereby making it easier for students to focus on budgeting concepts rather than procedural details The Edmonds author team also promotes a student's understanding of concepts by isolating and introducing the concepts individually in decision making contexts This allows for students to not only comprehend the concepts but also to understand how business concepts interrelate which is a very critical part of seeing the bigger picture in accounting Utilizing a heavy emphasis on decision making and a unique approach to how accounting concepts are introduced will provide your students the foundational knowledge they need to succeed in the classroom and beyond

Weygandt's Managerial Accounting 4th Canadian Edition is written by a highly trusted and respected author team: Weygandt, Kieso, Kimmel, and Aly. Hundreds of thousands of students have been successful using books written by these authors. Again, these authors bring you a one-semester undergraduate text that presents the fundamental concepts of managerial accounting in a concise and easy-to-read fashion. This edition retains the same features that made it popular in the previous editions; it gives students all the necessary techniques and concepts of managerial accounting in a focused, concise framework with an excellent pedagogy that has been praised by instructors. It does this by focusing on the tools students need to succeed. Because not all students taking this course may be accounting majors, the authors have focused more on building decision-making skills on how to use accounting information to make quality business decisions and on the tools needed by future managers. Pair this book with our new Managerial Accounting Cases by Carty and Wick for a complete solution for your Managerial Accounting needs.
