*The Lord is My Counsel* Marion E. Wade, Glenn D. Kittler, 1966      **The Servicemaster Story** Albert M.

Erisman, 2021-10-05 The ServiceMaster Story written by faith and business expert Albert M Erisman examines how the first five leaders of ServiceMaster a cleaning and restoration service company managed to develop and give deeper purpose to their employees while also growing into a financially successful organization From 1929 to 2001 ServiceMaster grew from a few people making their living in Chicago to a publicly traded company with revenues of 6 billion in forty countries with five different leaders Each leader built on the work of the previous leader focusing on helping workers to develop as people Their number one goal was to honor God in all we do ServiceMaster was considered by employees at all levels as a great place to work and was selected by Fortune magazine as the most admired service company in the world both in the 1980s and 1990s How did ServiceMaster manage to develop and give deeper purpose to employees doing menial jobs like cleaning floors and toilets and at the same time grow financially This book explores the way the five early leaders collaborated complemented each other and adapted to changing economic and cultural environments while creating value for workers shareholders and customers alike Key points and features An inspirational story that studies the balance between honoring God serving people and growing financially for those interested in the dynamics of work and faith in the workplace Includes photos and charts

**God at Work** David W. Miller, 2007 In the 1980s Miller shows a complex set of independent developments gave rise to what is known as the Faith At Work movement He analyses the history of the movement examines membership profiles and modes of expression and constructs and proposes a new framework for discussing the movement      **The ^ABlessings of**

**Business** Darren E. Grem, 2016-05-02 While preachers activists and politicians have all helped spread the gospel Darren Grem argues that evangelicalism owes its strength to the blessings of business Grem offers a new history of American evangelicalism showing how its adherents strategically used corporate America its leaders businesses money ideas and values to advance their religious cultural and political aspirations      **Evangelical Christian Executives** Lewis D.

Solomon, 2017-10-24 In Evangelical Christian Executives Dr Solomon has captured the essence of an effective and refreshingly different approach to business In telling the compelling stories of six Christian CEOs he shows us an alternative to an ethic of greed that has so tarnished corporate America John D Beckett CEO and Chairman of R W Beckett Corp Events of recent years have encouraged a high degree of skepticism and doubt about business institutions and markets In the face of widespread cynicism about corporate credibility business leaders are seeking to restore the trust and confidence not only of investors but of employees customers suppliers shareholders potential investors and the public at large In this volume Lewis D Solomon focuses on evangelical Christians who have founded or come to lead six firms He explores whether religion offers a constructive way to think about corporate governance and the tensions between profitability and social responsibility Solomon finds that many Christian executives have a private faith leading quietly by example Others want their faith to shine

forth Solomon focuses on this latter group dividing them into two categories The first group he identifies as preachers who weave visible demonstrations of their faith into the fabric of their businesses The second are those who take a more sophisticated approach based on two biblical principles stewardship and or servant leadership In addition to examining how these leaders of faith have successfully brought their religious values into their businesses he assesses the consequences of incorporating their faith and values into their business organizations considering profitability employee and customer satisfaction legal and environmental compliance and charitable giving Together with these leadership styles and results Solomon presents three business models constant transformational and evolving that enable readers to gain a further understanding of the six companies While Solomon shows that it is possible to integrate financial profitability and broader religious goals he finds that it is difficult though not impossible to maintain a biblically based leadership style after a firm goes public or expands With the growth of evangelical Christianity in many sectors of American public life this volume will be of broad interest to business executives sociologists students of religion and economists Lewis D Solomon is Theodore Rinehart Professor of Business Law at the George Washington University Law School where he has taught corporate and tax law for over twenty five years A prolific author on legal business public policy and religious topics he has written over fifty books and numerous articles He is an ordained rabbi and interfaith minister *Spirituality, Inc* Lake Lambert, 2009-12-03

Finding meaning in business The genealogy of corporate spirituality The making of a Christian company How Jesus became a management guru The spiritual education of a manager Team chaplains life coaches and whistling referees The future of workplace spirituality **Creative Organization Theory** Gareth Morgan, 1989-02 Gareth Morgan believes that examining organizations and management should be interesting creative practical challenging and directly relevant to the needs of all students of organization and management In an ingenious and utterly delightful selection of organizational stories Morgan presents unique insights drawn from actual corporate as well as nonprofit public and institutional experience These carefully chosen examples illustrate both organizational success and failures because we can learn from both These stories offer the depth and breadth of perspective we have come to expect from Morgan's insightful and often witty framework of organizational analysis And they are interwoven with excerpts from many of the classics in organizational literature His aptly named Mindstretchers entices the reader to expand his or her personal repertoire of approaches to the understanding of and solutions to organizational problems and challenges For instructors in the field of organizational studies who wish to have a broad and creative resource for their courses this book is a resource you will use and reuse for many years to come Followed by cases and exercises again drawn from both private and public sectors that challenge us to view organizations in new and different ways Creative Organization Theory will undoubtedly prove to be a truly mindstretching book This exciting and enjoyable volume is one you'll turn to frequently An inspiration for the creative tutor and an excellent fund of knowledge and information for the teacher in the disciplines of business management and organizational theory The book contains

mindstretching and broadening ways of enhancing the thinking processes of anyone engaged in the study of organizations a subject which otherwise provokes much yawning and other signs of boredom The author provides much needed refreshment and is revolutionary in his approach Simulation Games for Learning A rich complement to primary management texts especially Morgan s provocative Images of Organization Although the book s focus is private sector the perspectives of organization are universal and translation to the public sector is smooth Creative Organization Theory particularly is imaginative in challenging students to abandon set ways of thinking using a rich mix of mind stretching exercises diverse articles and stimulating cases Robert Mier University of Illinois Chicago This resourcebook contains ideas stories cases exercises and pieces of information that will help the reader gain a broadbased understanding of the nature and function of modern organizations Very useful for teaching as well as being a good read for those with a particular interest in this important subject Long Range Planning      Religious Books, 1876-1982 R.R.
