Herman Edmond Matheny, 1963 **Avenging Lincoln's Death** Thomas J. Reed, 2015-11-12 Avenging Lincoln's Death The Trial of John Wilkes Booth's Accomplices is an examination of the 1865 military commission trial of eight alleged accomplices of John Wilkes Booth the assassin who murdered President Abraham Lincoln The book analyzes the trial transcript and other relevant evidence relating to the guilt of Booth's alleged accomplices as well as a careful application of basic constitutional law principles to the jurisdiction of the military commission and the fundamental fairness of the trial The author found that the military commission trial was unconstitutional and unfair because Congress never authorized trial by military commission for these eight civilians President Johnson exceeded the scope of his authority as commander in chief by ordering the accomplices to be tried by military commission He failed to follow the Habeas Corpus Act of 1863 that required him to turn over the alleged accomplices to civilian authorities for prosecution The accomplices were convicted on perjured testimony and the Government was allowed to drag in unrelated evidence of Confederate atrocities to poison the minds of the panel of officers *The Civil War Army Library* (U.S.), 1965 **Medical Histories of Union Generals** Jack D. Welsh, 2005 During the Civil War the majority of the 583 Union generals studied here were afflicted by disease injured by accidents or

suffered wounds This book includes a glossary of medical terms as well as a sequence of medical events during the Civil War listing wounds accidents and deaths

Every Day of the Civil War Bud Hannings,2014-01-10 From the early seizure of government property during the latter part of 1860 to the final Confederate surrender in 1865 this book provides a day to day account of the U S Civil War Although the book provides a daily chronicle of the combat it is written in narrative form to give readers some continuity as they move from skirmish to skirmish During the course of the saga the book also chronicles the life spans of more than 600 Union and Confederate vessels documenting when possible the time of each vessel s acquisition commissioning major engagements and decommissioning Seven appendices provide lists of prominent Union and Confederate officers primary naval actions and Medal of Honor recipients from 1863 to 1865

The Confederate Alamo John J. Fox,2014-04-25 The first book length study about the bloody chaotic Battle of Fort Gregg Sweeping insightful military history at its best Civil War News By April 2 1865 General Ulysses S Grant s men had tightened their noose around the vital town of Petersburg Virginia Trapped on three sides with a river at their back the soldiers from General Robert E Lee s Army of Northern Virginia had never faced such dire circumstances To give Lee time to craft an escape a small motley group of threadbare Southerners made a suicidal last stand at a place called Fort Gregg The venerable Union commander Major General John Gibbon called the struggle one of the most desperate ever witnessed At 1 00 p m hearts pounded in the chests of thousands of Union soldiers in Gibbon s 24th Corps These courageous men fixed bayonets and charged across 800 yards of open ground into withering small arms and artillery fire A handful of Confederates rammed cartridges into their guns and fired over Fort Gregg s muddy parapets at this tidal wave of fresh Federal troops Short on ammunition and men but not on bravery these Southerners wondered if their last stand would make a difference Many of the veterans who fought at this place considered it the nastiest fight of their war experience Most could not shake the gruesome memories yet when they passed on the battle faded with them On these pages award winning historian John Fox resurrects these forgotten stories using numerous unpublished letters and diaries to take the reader from the Union battle lines all the way into Fort Gregg s smoking cauldron of hell Fourteen Federal soldiers would later receive the Congressional Medal of Honor for their valor during this hand to hand melee yet the few bloody Confederate survivors would experience an ignominious end to their war This richly detailed account is filled with maps photos and new perspectives on the strategic effect this little known battle really had on the war in Virginia

The Era of the Civil War--1820-1876 Louise A. Arnold-Friend,US Army Military History Institute,1982

The Greatest Lie on Earth Edward Hendrie,2016-01-17 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is

happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it **Physician-generals in the Civil War** Paul Eby Steiner,1966 *West Virginia Legislative Hand Book and Manual and Official Register* ,1928 **The Era of the Civil War--1820-1876** US Army Military History Research Collection,1974 **Abraham Lincoln** Zofia Stone,2016-10-01 Abraham Lincoln an American politician and lawyer was the 16th President of the United States Lincoln led the United States through its Civil War its bloodiest war and its greatest moral constitutional and political crisis In doing so he preserved the Union abolished slavery strengthened the federal government and modernized the economy This book gives a brief account of his life early career ro presidency and assassination **Antichrist: The Beast Revealed** Edward Hendrie,2015-04-16 The antichrist is among us here and now This book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled This book documents the man of sin s esoteric confession that he is the antichrist You will learn how the antichrist has changed times and laws as prophesied by Daniel and how he is today sitting in the temple of God shewing himself that he is God in fulfillment of Paul s prophesy in 2 Thessalonians 2 4 The beast of Revelation has come into the world after the working of Satan with all power and signs and lying wonders And with all deceivableness of unrighteousness as prophesied in 2 Thessalonians 2 10 *The Lincoln Murder Conspiracies* William Hanchett,1989-01-15 Examines the many theories that have led to speculation that Lincoln s assassination was a conspiracy **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1865 **The Damnable Heresy of Salvation by Dead Faith** Edward Hendrie,2021-04-04 Good works follow salvation they do not earn salvation Good works do not save us The works of faith are those works ordained and performed by God through the believer They are the result of faith It is that perfect faith that justifies the believer For by grace are ye saved through faith and that not of yourselves it is the gift of God Not of works lest any man should boast For we are his workmanship created in Christ Jesus unto good works which God hath before ordained that we should walk in them For we are his workmanship created in Christ Jesus unto good works which God hath before ordained that we should walk in them Ephesians 2 8 10 In Romans chapters 6 and 8 Paul explains faith without good works cannot save Paul says that God s elect walk not after the flesh but after the Spirit Romans 8 1 He states that those who do not walk in the Spirit but instead walk in the flesh shall not inherit the kingdom of God

Galatians 5 15 25 John explains If we say that we have fellowship with him and walk in darkness we lie and do not the truth But if we walk in the light as he is in the light we have fellowship one with another and the blood of Jesus Christ his Son cleanseth us from all sin 1 John 1 6 7 James asks a rhetorical question What doth it profit my brethren though a man say he hath faith and have not works can faith save him James 2 14 James succinctly explains that faith without works is dead James 2 20 The pronouncement in James that true faith bears the fruit of good works is a theme found in the gospel But some perniciously preach that God saves a person by faith that has no good works That is one of the damnable heresies about which Peter warned See 2 Peter 2 1 22
