Major Problems of United States Foreign Policy Brookings Institution, 1951 **The Gallup Poll** George Gallup, 1990-06
The Gallup Poll Annual Series makes available every significant public opinion poll conducted by the Gallup Organization arranged chronologically by year Every volume has a full name and subject index to simplify accessing data on particular topics Standing orders may begin with any volume and may be canceled at any time U.S. Government Research & Development Reports , 1971 **The U.S. Army in a New Security Era** Sam Charles Sarkesian, John Allen Williams, 1990
Grappling with the constraints and opportunities the US Army faces in designing policy and strategic options for the post INF era the contributors to this book outline the current strategic posture of the army the challenges of the future and the steps needed to meet those challenges **United States Statutes at Large** United States, 1925 Biological Warfare Against Crops S. Whitby, 2001-11-12 Until now little attention has been paid to the development of military capabilities designed to target food crops with biological warfare agents This book represents the first substantive study of state run activities in this field It shows that all biological warfare programmes have included a component concerned with the development of anti crop biological warfare agents and munitions Current concern over the proliferation of biological weapons is placed in the context of the initiative to strengthen the Biological and Toxin Weapons Convention The book concludes by arguing that the risks posed by this form of warfare can be minimised but that this would depend largely on the effective and efficient implementation of regimes concerning the peaceful use and control of plant pathogens that pose a risk to human health and the environment **The Statutes at Large, the United States from ...** United States, 1930 *Resources in Education* , 1981 **Department of Defense Appropriations for 1973** United States. Congress. House Appropriations, 1972
Procurement, [Monday, March 27, 1972 United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 1972 **Department of Defense Appropriations for ...** United States. Congress. House. Committee on Appropriations, 1972 **Procurement** United States. Congress. House. Committee on Appropriations, 1972 **The Statutes at Large of the United States from ...** United States, 1925 Teaching Geography by Problems E. Ehrlich Smith, 1921 **Compendium of Research Reports** , 1979 Partisan Appointees and Public Servants C. Eichbaum, R. Shaw, 2010-01-01 This comparative collection of original contributions examines the role of political staff in executive government and the consequences for policy making and governance The leading contributors reveal that good governance is about governments getting the advice that they need to hear as well as the advice that they want to hear They highlight the importance of ensuring that the advice is appropriately responsive to the policy priorities of the government of the day In countries such as the United States and in some European democracies political appointments to senior administrative positions are not a new development However in recent years a third element the political adviser has also become a feature of policy making and political management in Westminster styled systems This authoritative work

seeks to illuminate the drivers behind the advent of political staff in executive government and the consequences for policy making and governance This unique book includes case studies from Australia Canada New Zealand the Republic of Ireland the United Kingdom and the United States Academics and postgraduates researching in public administration and management as well as political science will find this book invaluable Policymakers in agencies responsible for public service leadership will also find much to interest them in this important book **Investment Trust Organization and Management** Leland Rex Robinson,1929 **Catalogue of the University of Michigan** University of Michigan,1963
