Elizabeth Cobbs Hoffman, Jon Gjerde, 2006 Designed to encourage critical thinking about history this book introduces students to both primary sources and analytical essays on important topics in US history It contains primary documents secondary sources chapter introductions separate introductions to documents and essays in every chapter bibliographies and documentation of sources     *Almost a Mormon* Adam Dommeyer, 2018-05-03 One family vacation to Utah back in 2002 changed Adams entire summer One Mormon girl in his 9th grade English class altered his path over the following year One book changed his outlook on faith One true church had him hooked Suddenly one unexpected dream from God transformed the course of his entire life Join Adam on his quest from Mormonism to the one true Faith Christianity and youll soon realize your own story is about to unfold before your very eyes Youre about to meet and encounter the One True God     Leaving Mormonism Corey Miller, Lynn K. Wilder, 2017-11-28 The growing popular perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens     **Cult Shock** Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah s Witnesses and Mormons when they come knocking Cult Shock is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah s Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler s recommended engagement techniques from their years of experience Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence     Mormon Crises James A Beverley, 2013-03-12 Mitt Romney s run for President of the United States and the recent success of the Broadway play Book of Mormon has created enormous interest in the Church of Jesus Christ of Latter day Saints In spite of enormous media focus during this so called Mormon Moment coverage has been often shallow and misleading even from the LDS Church Few reporters dug deep enough to deal with the evidence that the Mormon Church is in a deep crisis not only because of members leaving but because of increasing proof of lies fraud false teaching and criminality at the start of Mormonism In *Mormon Crisis* Jim Beverley deals with major issues about Joseph

Smith the first LDS prophet He provides a sustained critique of Mormon Scripture examines flaws in the LDS understanding of Church leadership and probes unique doctrines and practices including the secret temple ceremonies The book offers a serious indictment of the LDS belief system but also presents a way out of the current crisis facing one of America's most famous and controversial religions

**Is Mormonism Now Christian?** Steven A. Crane, 2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1 19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1 6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian

**Mormons** John R. Farkas, David A. Reed, 1997-04-01 Provides the basic tools Christians need to understand the non Christian teachings of Mormonism and the information they need for witnessing to them
