Phillip Curtis McKee, III

Make It Or Break It Stained Glass For Beginners:

Make It Or Break It Phillip Curtis McKee, III, 2004-07-01 *Make It Or Break It Stained Glass for Beginners* is a ground breaking stained glass instructional book designed to be used either on its own allowing students to teach themselves how to make stained glass artworks or by an instructor in a classroom setting The 1st edition is currently in use in classrooms on three continents Unlike many other books on the subject this book does not assume that a student has any prior knowledge of stained glass or any other glass artform It has the largest discussion of stained glass tools and their uses as well as of glass types found in any stained glass instruction book It also covers more information than most books It begins with basic glass cutting then moves onto making simple copper foil suncatchers Readers then learn how to make three dimensional objects such as business card holders and jewelry boxes After mastering the copper foil technique it takes students into the realm of lamp making As a reader s skill increases the book then moves onto leaded glass work like that found in many churches and other houses of worship Finally it contains lessons on designing your own glass patterns The CD ROM eBook contains on it a trial version of GlassEye 2000 design software and the print version contains instructions for downloading this free trial from the author s website No other book has this feature

Make It Or Break It Phillip Curtis McKee, 2012-02-15 The innovative stained glass textbook by award winning stained glass artist Phillip McKee who was also injured as a firefighter at the Pentagon fighting the fires spawned by the terrorist attacks on 9 11 The easy to follow lessons guide you through all the stages of making stained glass art In a first for a stained glass textbook this work includes links to free online videos that actually show readers how to perform the tasks covered in the lessons You re no longer learning alone Instead it s like having a private tutor Plus there are additional links for downloading the free patterns included with the book a free trial of the GlassEye 200 stained glass design software and over 340 stained glass patterns that you can use for free No other stained glass instructional book has this combination of features The first edition of *Make It or Break It Stained Glass for Beginners* went through multiple printings and sold copies on every continent a scientist on Antarctica even bought a copy It has been used by stained glass instructors in numerous English speaking countries and by self taught artists around the globe Now with the added online content improved and expanded lessons and in eBook form the 2nd Edition has gotten even better
