Make Room For The Boom Or Bust Six Church Models For Reaching Three Generations:

Make Room for the Boom-- Or Bust Gary L. McIntosh, Gary McIntosh, 1997 Church Growth specialist Gary L. McIntosh explores six different church models designed to reach yesterday's, today's, and tomorrow's generations for Christ Staff Your Church for Growth Gary L. McIntosh, Gary McIntosh, 2000-05 Why, when, and how should a church add to its professional staff? Here is a practical manual dealing with the issues of hiring and utilizing multiple staff positions to encourage church growth **Mission as God's Spiral of Renewal** R. Ross, 2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades, Kenneth R. Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s. He further reflects on Scotland's experiences in the world-wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity. This volume is invaluable in its argument for a rethinking of Christian mission, especially in relation to the West, which is now a new frontier for Christian mission. The book will be immensely beneficial to students of missiology and general readers who are interested in the subject of Christian Mission **Who Are You, and Who Am I?** Hannes Wiher, 2024-12-20 In a globalized world with increasing migration and diaspora, we live alongside a growing number of people from different backgrounds and cultures. With these multicultural communities, how do we live as good neighbours as well as share the love of God with cultural awareness and sensitivity? *Who Are You and Who Am I?* provides an in-depth approach that makes accessible the knowledge needed for harmonious intercultural relationships, evangelism, and discipleship. Hannes Wiher, a renowned missiologist, explores the concepts of worldview and identity, drawing on communication theory, philosophy, anthropology, theology, and missiology to bring the practicalities of both to life and fruitfully apply these to Scripture, theology, and the church. Missiologists, missionaries, and Christians in multicultural societies alike will find in this work a rich, practical, and accessible resource Multisite Churches Dustin L. Slaton, 2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God's design for the local church, but does Scripture support this claim? In *Multisite Churches*, pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model, dismantling critiques with both urgency and care for the local church's future. At a time when church fostering and church adoption are predicted to increase significantly, the multisite church model is a solution that can support the adoption of churches. Bringing in personal experience and erudite research, Slaton heuristically demonstrates a methodological approach of ecclesiology with a theological framework for the multisite model, fairly addressing both critics and supporters. *Multisite Churches* is a resource for biblical ecclesiology with wide-ranging benefits for both clergy and congregants. Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource **American Book Publishing Record**, 1997 How United Methodists Share Their Faith Rodney E. Wilmoth, 1999 The author believes that United Methodists are

sometimes reluctant to bring up the subject of religion with their friends and next door neighbors They doubt that their acquaintances would be interested and feel it would be inappropriate to inquire about their personal faith They know however that they should witness to United Methodist beliefs How do United Methodists share their faith Discussing evangelistic practices that are unique to United Methodists Rodney E Wilmoth suggests ways in which United Methodists can become more comfortable about sharing their faith *International Mission Bibliography* Norman E.
