Make Your Own Miracle Surviving Cancer:

Make Your Own Miracle Paul Huff, Julie Valeant Yenichek, Kim Huff, 2005 Inspirational stories of real people who overcame incredible odds Cover **The Resilience Mindset** Terry Healey, 2025-09-09 An actionable framework to overcome adversity and create a more fulfilling life Finally a book that provides practical guidance for business professionals and everyday people to find greater success and purpose despite daily challenges Grant Riggs CEO Riggs Distributing Adversity can deliver a blow to our emotional physical mental and spiritual health eroding our self confidence and self esteem Having experienced a harrowing ordeal with a life threatening cancer that left him with a permanent facial difference at the age of twenty one Healey found a way to harness daily inspirations into key turning points that enabled him to create an actionable framework of four key principles to not only manage adversity whenever confronted with it but to learn how to create a better more fulfilling life because of it Healey s four principles are invaluable to individuals and to those leading teams of people Coping with adversity is one thing but thriving is another To thrive we must find happiness success and purpose by developing ways to build resilience embrace change and strengthen our resolve so that we become unstoppable Each of us has the capacity to incorporate Healey s resilience framework into our daily routines and become more empowered and self confident The Resilience Mindset offers evidence backed research and stories from others who overcame seemingly insurmountable odds including paralysis traumatic brain injury TBI severe dyslexia burn injuries and other adversities Offering more than just inspiration The Resilience Mindset provides readers with the tools to build their own survival kits to take on the smallest and biggest obstacles leading to a more fulfilling life **Miracle Survivors** Tami Boehmer, 2014-11-11 If you have received an incurable cancer diagnosis hearing about someone who made it is like spotting a rescue ship when you re drowning in a stormy sea Miracle Survivors provides that lifeline with a collection of stories of cancer survivors who were given a terminal diagnosis but shocked everyone by thriving years past their prognoses These miracle survivors have different cancers and circumstances but share a poor prognosis and incredible drive to overcome it After being diagnosed with stage IV breast cancer award winning author and blogger Tami Boehmer decided she and others like her desperately needed hope to override the dismal statistics and death sentences provided by many doctors So she began interviewing incredible men and women from around the country who defied the odds and lived to tell about it Miracle Survivors will help answer the question What sets people apart who beat the odds of a terminal or incurable prognosis Overcoming the odds wasn t something that just happened to those who share their stories Each person took a very active role in overcoming their challenges whether it was activating their faith or transforming their lifestyle Rather than passively accepting their circumstances they decided to transform them The book is essential reading for anyone with cancer their loved ones and everyone else who wants inspiration to conquer their life challenges **Youth Retreats for Any Schedule** Maryann Hakowski, 2007 Retreats offer young people an opportunity to learn more about themselves build relationships with

others and grow in their relationship with God Retreats are occasions for conversion and a chance to get away from the busyness of life and encounter God Youth Retreats for Any Schedule includes five retreats on a variety of topics that speak to the needs and daily experiences of young people Ministry leaders can use each retreat as written or mine the book for resources to use in religious education classes youth group meetings mission trips and so on The retreats and activities can also be used as a springboard for creating new retreats

Making Your Own Reality: a Survival Story James P. Meade Jr. PhD, 2013-05-14 Making Your Own Reality is a collection of the experiences that guided James Meade Jr from being an animal like survivor of a massive brain injury to being a Ph D in Psychology and an internationally known speaker who has shared with audiences around the United States and the world Dr Meade has worked with brain injured individuals and their families around the world and has seen people create miracles that even other professionals thought could never happen Dr Meade does not cure people but has watched people make their own miracles Much of what he writes describes what he has experienced and seen changed his own life and the lives of others Al Sibert Ph D the author of The Survivor Personality who wrote that Dr James P Meade Jr is a man who KNOWS what this is all about *Ordinary Miracles* S. David

Nathanson, 2007-04-30 After nearly three decades of providing medical care for women and men facing breast cancer surgeon S David Nathanson calls the survival rates today an ordinary miracle Ordinary because the vast majority of patients now do live at least 20 years after diagnosis due to enormous progress that has been made in medicine and a miracle too because of the intangible qualities such as faith and hope that seem key to success in battling the disease In this book survivors describe their experiences emotions and means to overcome the disease S David Nathanson is an esteemed longtime surgeon who calls the survival rates today for women and men facing breast cancer nothing short of an ordinary miracle Ordinary because the vast majority of patients live at least two decades after diagnosis due to great advances that have been made in early detection surgery radiation and chemotherapy But also a miracle because we know that key elements for a woman or man succeeding in a personal battle against breast cancer include completely intangible qualities of courage fortitude trust persistence faith and hope Although science cannot completely explain it a supportive network of family and friends with those qualities also empower patient survival and recovery In these pages Nathanson shares stories from his patients teaching us about the experience of breast cancer and explaining how they found and fueled the will and power to defeat the disease Even surgeon Nathanson himself cannot fully describe what goes through the hearts and minds of breast cancer patients as they discover deal with and finally triumph over the diagnosis So in this book he acts as a narrator letting his ordinary yet miraculous cancer survivors tell their stories certainly filled with fear of the known and unknown and with pain but opening up to courage love sometimes humor and finally hope It is hope that firms up their resilience hope that initiates their fortitude Hope is an important component of healing says the surgeon Seventy one survivors including one man tell their stories to illustrate every step of the experience **The Black Woman's Breast**

Cancer Survival Guide Cheryl D. Holloway, 2017-07-14 Breast cancer is reaching epidemic levels especially among black women This survival guide provides tools that women black women in particular can use to identify and combat this all too common threat This what you need to know guide is unique in its common sense laywoman s approach and particular relevance to women of color Its premise is simple ignorance and lack of education about breast cancer signs and symptoms are still all too prevalent among black women Many women are not informed about resources available for early detection screening and are not referred for mammography screening They may also receive significantly delayed treatment especially black women For those reasons and more black women with or at risk for breast cancer need an advocate who speaks for them and tells them the truth They have that advocate in Cheryl Holloway PhD and in this book A breast cancer survivor and cancer researcher Dr Holloway draws on her personal experience and research to offer something far different than the usual medical oncological works Her book provides support current information and practical advice for confronting and beating the disease The book is divided into four parts Dealing with the Basics explains how breast cancer hits black women harder and discusses the types of breast cancer they may develop with an emphasis on the most dangerous The second section offers practical information such as how screenings work and the meaning of various breast cancer tests Part three describes treatments including surgery radiation therapy chemotherapy hormone therapy combined therapy and other options The final section describes how to stay vigilant after the cancer is gone and also discusses other forms of cancer for which black women are at risk such as lung cancer colon cancer and cervical cancer
