**Make Money with Small Income Properties** Gary W. Eldred, 2004-04-28 In the Make Money series renowned real estate investor and bestselling author Gary W. Eldred shows you how to profit from the safest most reliable wealth builder in the world real estate. With coverage of all the fundamentals from finding the right properties to financing and managing them, Eldred shows you the ropes so you don't have to learn important lessons the hard way. Unlike general guides to investing in real estate, each title in the Make Money series gives you the specialized expertise necessary to fully profit from a select investment strategy. **Make Money with Small Income Properties** shows you how to grow your fortune by purchasing and managing multi-unit rental properties from duplexes to twenty-four unit buildings. Compared to other real estate investments, small income properties offer higher returns, positive cash flows, and easy qualifying seller financing. The expert guidance you'll find here illustrates how you can boost property values and increase rent collections through effective and friendly management. This simple-to-follow guide offers the knowledge you need to find properties that will increase in value, manage them effectively, rule one never think of yourself as a landlord and maximize your profits. **Make Money with Small Income Properties** will show you how to purchase and profit from affordable rental properties. Develop your entrepreneurial strategy. Understand the economy and pick the right neighborhoods. Size up the market and your competition. Carve out a target market. Accurately price properties. Build equity fast with easy improvements. Create ways to generate more income.

**Investing in Income Properties** Kenneth D. Rosen, 2017-02-15 Create income property wealth. If you think tycoons are the only ones who can make big money in commercial real estate, think again. In **Investing in Income Properties: The Big Six Formula for Achieving Wealth in Real Estate**, real estate guru Ken Rosen lays out the fundamentals for building real estate wealth. By adhering to the Big Six, a step-by-step formula that has enabled the author to buy and sell over 500 million in investment real estate since 1975, you can take advantage of real estate opportunities and ensure your financial future. This book explains: What is the BIG SIX formula? How to find the right property. Using your IRA to invest. The romance of leverage. Overcoming fear. Real estate vs. stocks. Getting the money. Assembling the team. How to convert rentals to condos. Infinite returns. Types of income properties. Upside. You make your money in buying. Financing options. T N T. When it comes to understanding real estate investment, **Investing in Income Properties** stands alone for its straightforward approach and easy-to-understand explanations. It is a must-read for both beginners and seasoned pros. *Make Money with Affordable*
