**African Philosophical Adventures** John Murungi, 2023-05-31 *African Philosophical Adventures* presents African philosophy as a convergence wherein what is African what is philosophy and what is an adventure enter an inter relational and reciprocal process each giving birth to the others Philosophy whether African or non African is an open ended process There is no finality in what it says about itself or about the subject matter that it investigates John Murungi uses this sense of philosophy to guide the chapters in this book The word adventure bears this sense of philosophy and the same time informs what is to be understood as African philosophy The singularity of African philosophy as well as its link to other branches of philosophy is subject to adventure Readers of this book who are themselves

adventurers in the world of philosophy will benefit greatly For those who are not already so it will be an invitation to undertake such an adventure
