The Department of State Building - New Home of American Diplomacy United States. Department of State. Office of Media Services,1962 **Making the American Home** Marilyn Ferris Motz,Pat Browne,1988 The transformation of a house into a home has been in our culture a traditional task of women The articles examine this process as they reflected the role of American middle class women as homemakers in the years 1840 1940 **Making Americans** Jessica Lander,2022-10-04 Winner of the 2024 George Orwell Award for Distinguished Contribution to Honesty and Clarity in Public Language given by the National Council of Teachers of English Making Americans shines a light on the barriers that immigrant students in the US face and shares some inspiring stories about students who have overcome them Bill Gates A landmark work that weaves captivating stories about the past present and personal into an inspiring vision for how America can educate immigrant students Setting out from her classroom Jessica Lander takes the reader on a powerful and urgent journey to understand what it takes for immigrant students to become Americans A compelling read for everyone who cares about America's future Making Americans brims with innovative ideas for educators and policy makers across the country Lander brings to life the history of America's efforts to educate immigrants through rich stories including these The Nebraska teacher arrested for teaching an eleven year old boy in German who took his case to the Supreme Court The California families who overturned school segregation for Mexican American children The Texas families who risked deportation to establish the right for undocumented children to attend public schools She visits innovative classrooms across the country that work with immigrant origin students such as these A school in Georgia for refugee girls who have been kept from school by violence poverty and natural disaster Five schools in Aurora Colorado that came together to collaborate with community groups businesses a hospital and families to support newcomer children A North Carolina school district of more than 100 schools who rethought how they teach their immigrant origin students She shares inspiring stories of how seven of her own immigrant students created new homes in America including the following The boy who escaped Baghdad and found a home in his school's ROTC program The daughter of Cambodian genocide survivors who dreamed of becoming a computer scientist The orphaned boy who escaped violence in the Democratic Republic of the Congo and created a new community here Making Americans is an exploration of immigrant education across the country told through key historical moments current experiments to improve immigrant education and profiles of immigrant students Making Americans is a remarkable book that will reshape how we all think about nurturing one of America's greatest assets the newcomers who enrich this country with their energy talents and drive *American Home Life, 1880-1930* Jessica H. Foy,2024-07-31 In the pivotal decades around the turn of the century American domestic life underwent dramatic alteration From backstairs to front stairs spaces and the activities within them were radically affected by shifts in the larger social and material environments This volume while taking account of architecture and decoration moves us beyond the study of buildings to the study of behaviors particularly

the behaviors of those who peopled the middle class single family detached American home between 1880 and 1930 The book's contributors study transformations in services such as home utilities of power heat light water and waste removal in servicing for example the impact of home appliances such as gas and electric ranges washing machines and refrigerators and in serving changes in domestic servants duties hours of work racial and ethnic backgrounds In blending intellectual and home history these essays both examine and exemplify the perennial American enthusiasm for as well as anxiety about the meaning of modernity

Home Ownership in America Lawrence Samuel, 2024-10-01 A wide ranging cultural history centered around the concepts of real estate the family home and the American dream and how they evolved over the years Home Ownership in America A Socio Cultural History of Housing in the United States traces narratives around home ownership from the 1920s to today As a product of the emergence of a large middle class during the Roaring Twenties the modern concept of home ownership continued through the shaky Great Depression years holding pattern of World War II and glory days of the postwar era when home ownership became a reality for much of the White middle class While the late 1960s and 1970s were difficult years for home ownership as the postwar economic engine ran out of steam a renaissance took place in the 1980s and 1990s due to tens of millions of baby boomers wanting to nest Although there have been a few bumps in the road over the last couple of decades home ownership or at least the pursuit of it is once again booming making the subject as relevant as ever With the single family home central to the American idea and experience this book touches on a host of issues related to our social divisions of race gender and class Home Ownership in America is a truly interdisciplinary study crossing over into a wide variety of subjects including sociology family urban history planning suburban studies the built environment public policy business finance economics politics architecture design technology and popular and consumer culture

At Home in Nineteenth-Century America Amy G. Richter, 2015-01-23 Few institutions were as central to nineteenth century American culture as the home Emerging in the 1820s as a sentimental space apart from the public world of commerce and politics the Victorian home transcended its initial association with the private lives of the white native born bourgeoisie to cross lines of race ethnicity class and region Throughout the nineteenth century home was celebrated as a moral force domesticity moved freely into the worlds of politics and reform and home and marketplace repeatedly remade each other At Home in Nineteenth Century America draws upon advice manuals architectural designs personal accounts popular fiction advertising images and reform literature to revisit the variety of places Americans called home Entering into middle class suburban houses slave cabins working class tenements frontier dugouts urban settlement houses it explores the shifting interpretations and experiences of these spaces from within and without Nineteenth century homes and notions of domesticity seem simultaneously distant and familiar This sense of surprise and recognition is ideal for the study of history preparing us to view the past with curiosity and empathy inspiring comparisons to the spaces we inhabit today malls movie theaters city streets and college campuses Permitting us to listen closely to the nineteenth century's

sweeping conversation about home in its various guises At Home in Nineteenth Century America encourages us to hear our contemporary conversation about the significance and meaning of home anew while appreciating the lingering imprint of past ideals Instructor s Guide The settler's new home: or The emigrant's location. British America-Canada: the United States Sidney Smith (phrenologist.),1849 *Making It in America* Rachel Slade,2024-01-09 A moving and eye opening look at the story of manufacturing in America whether it can ever successfully return to our shores and why our nation depends on it told through the experience of one young couple in Maine as they attempt to rebuild a lost industry ethically From the best selling author of Into the Raging Sea Ben Waxman spent a decade organizing workers in Pennsylvania Ohio and Wisconsin fighting for men and women at a time when national support for unions had sunk to an all time low Frustrated with the state of the world he lands back in his hometown of Portland Maine to rethink his life There he meets Whitney Reynolds a restless bartender eager for a challenge In each other they see a better future a version of the American dream they can build together Ben and Whitney set out to prove that union made all American sourced apparel manufacturing is possible in the twenty first century Their quest takes us across the nation and across time from the cotton fields of Mississippi to the hollowed out garment district in New York City to a family owned zipper company in Los Angeles to the enormous knit and dye houses in North Carolina While battling anti immigrant hostility trade wars and a global pandemic they grapple with the true meaning of made in USA in our globalized world Making It in America offers a fascinating new take on free trade economics and manufacturing history Woven through the Waxmans journey is the essential story of textiles and their critical role in shaping capitalism It was the demand for cheap cloth that sparked the industrial revolution It was the brutal conditions in New England s textile mills that first drove workers to organize Making It in America is a deeply personal account of how individual choices shape a nation Each touchpoint casts a rare compassionate look at what came before where we are now and where we re going through the people places and ecologies that produce the fabric of our lives

The Making of Asian America Erika Lee,2015-09 In the past fifty years Asian Americans have helped change the face of America and are now the fastest growing group in the United States But as historian Erika Lee reminds us Asian Americans also have deep roots in the country The Making of Asian America tells the little known history of Asian Americans and their role in American life from the arrival of the first Asians in the Americas to the present day An epic history of global journeys and new beginnings this book shows how generations of Asian immigrants and their American born descendants have made and remade Asian American life in the United States sailors who came on the first trans Pacific ships in the 1500s to the Japanese Americans incarcerated during World War II Over the past fifty years a new Asian America has emerged out of community activism and the arrival of new immigrants and refugees No longer a despised minority Asian Americans are now held up as America s model minorities in ways that reveal the complicated role that race still plays in the United States Published to commemorate the fiftieth anniversary of the passage of the United States Immigration and Nationality Act of
