Making Choices In Sexuality

Peter F Buckley

Making Choices In Sexuality:

Making Smart Choices about Sexual Activity Stephanie C. Perkins, 2008-01-15 Establishing one's identity is a huge part of being a teen. During the process of self-discovery, most teens are regularly faced with difficult decisions regarding dating, sexual activity, and abstinence. Too often in such cases, they are unprepared to make informed, responsible decisions. Objective and engaging, this title offers practical, realistic advice to help teens understand the consequences of the choices they make regarding their sexuality.

The Teenage Body Book Kathy McCoy, Charles Wibbelsman, 1999 An updated manual for teenagers and their parents offers clear and comprehensive information about all aspects of mental and physical health for adolescents, discussing diets, sex, drugs, peer pressure, and much more. Original.

Making Choices in Sexuality Susan McCammon, David Knox, Caroline Schacht, 1998 Designed to help students make informed choices about this complex aspect of human behavior, this new book centers around the unique theme of choices: how to make them and how to live with their impact. This briefer version of text provides a comprehensive and affordable alternative to longer texts for the course without sacrificing depth and detail. The book helps readers broaden their understanding of sexuality by examining it from a variety of perspectives, including psychological, biological, sociological, feminist, historical, and cross-cultural. Without preaching or bias, the authors present cutting-edge information to ensure that students are knowledgeable about critical issues in sexuality. From the latest on HIV/AIDS and sexually transmitted diseases to coverage of cultural variations in human sexuality, this book is unequalled in its presentation of scholarly yet engaging subject matter. To demonstrate how the content applies to students' research-based inventories, self-assessments taken from sexuality and health literature provide scales students can use to assess their own beliefs, attitudes, and behaviors.

The Social Organization of Sexuality Edward O. Laumann, John H. Gagnon, Robert T. Michael, Stuart Michaels, 2000-12-15 New York Times Book Review Notable Book of the Year. The Social Organization of Sexuality reports the complete results of the nation's most comprehensive representative survey of sexual practices in the general adult population of the United States. This highly detailed portrait of sex in America and its social context and implications has established a new and original scientific orientation to the study of sexual behavior.

Sexuality, Learning Difficulties and Doing What's Right Gavin Fairbairn, Denis Rowley, Maggie Bowen, 2013-10-31 This book has resulted from the author's awareness of the difficulties that professionals and parents face in accepting the sexuality of the people with learning disabilities with whom they live and work. It has been written at a time when discussion of such difficulties and awareness of the prevalence of the sexual abuse of people with learning disabilities is becoming more and more common. Though they are difficult and distasteful at times, this analysis is stimulating, provocative, and shocking.

Sexuality and Serious Mental Illness Peter F. Buckley, 2013-05-13 Reflecting current understanding of the complexities of sexual activity among persons with chronic mental illness, the text draws upon the collective wisdom and experience of experts from a variety of settings. Clinicians

advocates consumers researchers legal experts and administrators all contribute to document the concerns about sexual behavior and the consequent health risks for this at risk population The research presented here is particularly timely in view of recent emphases on patient choice recovery and advocacy and can be used to provide guidance to clinicians mental health administrators policymakers advocates and researchers

Making Sense of Child Sexual Exploitation Sophie Hallett, 2017-03-29 Providing fresh insight into child sexual exploitation CSE this book uses the voices of children and young people who have experienced sexual exploitation and the practitioners who have worked with them to challenge the dominant discourse around CSE

Ethics, Sexual Orientation, and Choices about Children Timothy F. Murphy, 2012-10-05 A critical review of the debate over the still hypothetical possibility of prenatal intervention by parents to select the sexual orientation of their children Parents routinely turn to prenatal testing to screen for genetic or chromosomal disorders or to learn their child's sex What if they could use similar prenatal interventions to learn or change their child's sexual orientation Bioethicists have debated the moral implications of this still hypothetical possibility for several decades Some commentators fear that any scientific efforts to understand the origins of homosexuality could mean the end of gay and lesbian people if parents shy away from having homosexual children Others defend parents' rights to choose the traits of their children in general and see no reason to treat sexual orientation differently In this book Timothy Murphy traces the controversy over prenatal selection of sexual orientation offering a critical review of the literature and presenting his own argument in favor of parents' reproductive liberty Arguing against commentators who want to restrict the scientific study of sexual orientation or technologies that emerge from that study Murphy proposes a defense of parents' right to choose This he argues is the only view that helps protect children from hurtful family environments that is consistent with the increasing powers of prenatal interventions and that respects human futures as something other than accidents of the genetic lottery

Healthy Sexuality: A Values Based Approach Managing Healthy Relationships in a Sexualized World Sandra Larson, MSW, LCSW, Kathy Daniels Ockey, MSW, LCSW, 2022-08-29 Healthy Sexuality is a long neglected area of learning that is needed for the growth required to be a healthy happy and well adjusted adult Frequently formal education on healthy sexuality is completely lacking especially in a values based context What values do you equate with sexuality Are the ideas presented in popular culture reflective of those values Understanding the physical emotional social intellectual spiritual and legal consequences is valuable in making informed decisions Concepts such as choice and accountability self control and intimacy will increase the knowledge of adolescents which can empower them with confidence as they make informed decisions about their sexual concerns They will be better prepared to make the decisions that are right for them before they are in a situation where they could be pressured or it is hard to think Confronting the myths and effects of sexual abuse can help recognize the effects acknowledge the struggle of healing offer hope and increase compassion to those that have been affected whether directly or indirectly

Pondering the information and questions in Healthy Sexuality A ValuesaEURBased Approach to Managing Relationships in a Sexualized World will aid adolescents along with parents educators counselors treatment providers etc to enhance needed conversations and the quality of relationships Information is power *Ethics and the Endangerment of Children's Bodies* Gunter Graf,Gottfried Schweiger,2016-11-30 This book addresses the endangerment of children s bodies in affluent societies Bodily integrity is an important part of a child s physical and mental well being but it can also be violated through various threats during childhood not only affecting physical health but also causing mental damage and leading to distortions in the development of the self The authors give an account of three areas which present different serious dangers 1 body and eating 2 body and sexuality and 3 body and violence Through an in depth examination of the available theoretical and empirical knowledge as well as a thorough ethical analysis the central injustices in the mentioned areas are identified and the agents with responsibilities towards children displayed The authors conclude by providing invaluable insight into the necessity of an ethical basis for policies to safeguard children and their bodies **A Christian's Guide to Overcoming Sexual Struggle** Michael Clairborne,2010-10 Every day single Christians are stuck in a spiritual and physical place they cannot control Their sexual struggle seems too overwhelming to deal with alone They ask questions like Why won t God send me my marriage partner Should I ever give in sexually while dating If I have gay feelings does this mean that I was born to be a homosexual What causes a sexual impulse These questions and many more are answered in Michael Clairborne s A Christian s Guide to Overcoming Sexual Struggle Subjects addressed include your true sexual age sexual impulses dating a non Christian sex and your walk with Jesus masturbation homosexuality tempting situations forgiveness sex in marriage And much more **Child Sexual Exploitation: Why Theory Matters** Jenny Pearce,2019-12-02 The issue of Child Sexual Exploitation CSE is firmly in the public spotlight internationally and in the UK but just how well is it understood To date many CSE related services have been developed in reaction to high profile cases rather than being designed more strategically This much needed book breaks new ground by considering how psychosocial feminist and geo environmental theories amongst others can improve practice understanding and interventions Edited by one of the leading scholars in the field this is an essential text for students and those planning strategic interventions and practice activities in social youth and therapeutic work with young people as it supports understanding of how CSE arises and how to challenge the nature of the abuse **International technical guidance on sexuality education** UNESCO,UNAIDS,UNFPA,UNICEF,UN Women,WHO,2018-01-15 **Learning Difficulties and Sexual Vulnerability** Andrea Hollomotz,2011-08-15 People with learning difficulties are considerably more likely to experience sexual violence than those without and for this reason they are often described as vulnerable This book argues that treating adults with learning difficulties as vulnerable leaves them with fewer of the skills which are needed to protect themselves from harm [The Cambridge Handbook of Sexual Development](#) Sharon Lamb,Jen Gilbert,2018-12-20 The Cambridge Handbook of Sexual Development is a carefully curated conversation that brings together

the top researchers in child and adolescent sexual development to redefine the issues conflicts and debates in the field The Handbook is organized around three foundational questions first what is sexual development Second how do we study sexual development And third what roles might adults including the institutions of the media family and education play in the sexual development of children and adolescents As the first of its kind this collection integrates work from sociology psychology anthropology history education cultural studies and allied fields Writing from different disciplinary traditions and about a range of international contexts the contributors explore the role of sexuality in children s and adolescents everyday experiences of identity family school neighborhood religion and popular media **The Hope Clinic for Women, Ltd.
