Making Friends For Christ:

Making Friends for Christ Wayne McDill, 2010-04 Making Friends for Christ A Practical Approach to Relational Evangelism Second Edition This is not a gimmick It is not the next modern evangelism strategy for you or your church to use for a while and then discard when the next one comes along It is not about pretending to be friends with people to fulfill a hidden conversion agenda Making Friends for Christ is an exploration of loving others the way that Jesus loved us intentionally relationally and sacrificially The people all around us want to be loved They need a friend who will listen to them and care for them And that is just what Jesus wants us to do As we live in love and truth his light shines into people s lives so that they may know Love Himself Making Friends for Christ is a guide for learning how to be a real friend It offers practical everyday ideas for touching the people God has already put into your life You will learn how to be a good listener overcome common barriers and invest in relationships You can turn your home into a place of ministry and effectively tell how Christ has changed your life You can learn to pray in faith for your friends and family and join with other believers for support and encouragement This second edition of Making Friends for Christ is revised and enlarged for the challenges of the Twenty First Century evangelism Wayne McDill teaches Communication and Bible Exposition in Wake Forest North Carolina at Southeastern Seminary He has also taught courses in Evangelism Church Planting and Pastoral Leadership He is author of seven books including the first edition of Making Friends for Christ along with books on preaching and personal Christian growth **Making Friends for Christ** Wayne McDill, 1979 *Making Friends for Christ* Touch Publications, 1998

Friendship Pamela Baker Powell, 2024-04-12 We all need friends This book is an exploration of Christian friendship It turns out that friendship has one surprising overlooked almost forgotten spiritual quality Friendship in Christ is eternal Scripture emphasizes this Jesus himself emphasized this Theologians emphasized this throughout the first thousand plus years of Christian history Then it was somehow mostly neglected This book maintains that friendship isn t just a passing luxury Participation in the joy of friendship is a spiritual blessing It is an unrecognized spiritual discipline that enriches your soul eternally Here you will have an opportunity to consider your friendships as more than a pleasant engagement and discover what they can mean for your life today and eternally Join others on this exploration of the exciting truth that friendships are forever Men and Women Making Friends in Early Modern France Lewis C. Seifert, Rebecca M. Wilkin, 2016-03-03 Today the friendships that grab people s imaginations are those that reach across inequalities of class and race The friendships that seem to have exerted an analogous level of fascination in early modern France were those that defied the assumption inherited from Aristotle and patristic sources that friendships between men and women were impossible Together the essays in Men and Women Making Friends in Early Modern France tell the story of the declining intelligibility of classical models of male friendship and of the rising prominence of women as potential friends The revival of Plato s friendship texts in the sixteenth century challenged Aristotle s rigid ideal of perfect friendship between men In the

seventeenth century a new imperative of heterosociality opened a space for the cultivation of cross gender friendships while the spiritual friendships of the Catholic Reformation modeled relationships that transcended the gendered dynamics of galanterie Men and Women Making Friends in Early Modern France argues that the imaginative experimentation in friendships between men and women was a distinctive feature of early modern French culture The ten essays in this volume address friend making as a process that is creative of self and responsive to changing social and political circumstances Contributors reveal how men and women fashioned gendered selves and also circumvented gender norms through concrete friendship practices By showing that the benefits and the risks of friendship are magnified when gender roles and relations are unsettled the essays in this volume highlight the relevance of early modern friend making to friendship in the contemporary world

Friendship: Exploring its Implications for the Church in Postmodernity Steve Summers,2011-10-27 Is the Church a community of friends Steve Summers explores the significance of friendship for our understanding of the church today Since Jesus statement in St John s gospel I call you friends the concept of friendship has had a huge influence on the Christian understanding of community But is the historical understanding of friendship enough to serve the needs of the church in a post modern age Steve Summers explores the limits of the concept as well as it s possible use in contemporary ecclesiology *Awakening America* Kari Bitz,2013-05 Is spiritual awakening and revival possible to have in our nation and our own lives Absolutely We can make a difference for God and leave a lasting legacy As we obey God and choose to move forward in unity prayer fasting and a deeper commitment to God we will begin again to turn a tide that seems impossible The prospect of making a difference in the world can seem daunting As Christians we are called to influence the world around us and bring back a love for God and His Word Author Kari Bitz brings alive the principles of living a victorious life that many seem to have forgotten Her comprehensive view of Biblical principles will inspire anyone to refresh their own walk with the Lord and influence the world around us We can be the beacon of light that God desires for us to be We all know people that need Jesus We must reach them Join Kari Bitz for an incredible journey of spiritual growth and learn how you can be a part of starting the awakening that we and our country desperately need Will we turn the tide together Made for Friendship Drew Hunter,2018-09-20 God made you for friendship Friendship is one of the deepest pleasures of life But in our busy fast paced mobile world we ve lost this rich view of friendship and instead settled for shallow acquaintances based on little more

than similar tastes or shared interests Helping us recapture a vision of true friendship pastor Drew Hunter explores God's design for friendship and what it really looks like in practice giving us practical advice to cultivate the kinds of true friendships that lead to true and life giving joy The New Testament in Color Esau McCaulley, Janette H.
