Six Years and A Quarter Way Through Cassandre Brissot, 2019-04-19 *Six Years and a Quarter Way Through* is a story about a young woman who's lost her way Like many of us Leah believed that the vision supersedes the process until at age twenty six she stops believing in the vision and the one who gave it to her Leah has lost her faith her job her confidence and maybe her mind Utterly defeated and without hope that her dreams to become a star would come true she meets Trenton Shaw a rich powerful handsome hot shot producer who has spent the last six years of his life trying to find her Leah is weary of Trenton initially particularly since he is adamant about enlisting her for a new reality show that he is putting together called *Star Quality* However after reasoning that she has nothing left to lose she consents If she wins the show she will

receive a cash prize an agent and most importantly a part in a brand new feature film even if she loses people would still know her name Trent and Leah quickly fall for each other forming an intense and sometimes volatile relationship which only gets more complicated after she moves into the house she ll be sharing with her costars and meets Brice Frightened awake from a nightmare Leah stumbles into the living room where she finds Brice looking as haunted as she feels he confides in her about his dead fianc e and she in him about her nightmares and anxiety attacks Her nightmares recur worsening with each night as the competition intensifies and her relationship with Trent deepens Gradually it becomes apparent that Leah s way of getting everything she s ever wanted may have taken her on a road she should not have traveled At its core this is a story about the journey we all must take What do we believe How strongly do we believe it Will that belief be steadfast in the face of temptation Although everyone s story is different you only either chose to do it God s way or your own **Off Balance**

Mary Sheepshanks,2002-08-19 To all appearances Isobel and Giles Grant have it all happily married with two adored children and a glorious house in Scotland they are about to fulfil a lifetime s dream by launching the Glendrochatt Arts Centre The perfect life it would seem But beneath the surface there are cracks which threaten to destabilize everything they ve worked for While their daughter Amy is bright and talented her twin Edward is different nobody knows quite what Edward is And Giles s talent for manipulation occasionally threatens to provoke even sunny Isobel When Isobel s elder sister Lorna returns from South Africa and an unhappy marriage to take up residence at Glendrochatt the cracks widen For Lorna was once Giles s lover and she s determined to take him back The scars of a difficult childhood run deep in Lorna and watching Isobel live the life she had planned for herself is almost unbearable The situation is further complicated by the arrival of Daniel an undeniably talented but mysterious artist to whom both sisters are drawn It seems as if the Grants might be thrown irrevocably off balance Unexpected Baby For My Brother's Best Friend

Callie Stevens,2024-07-07 I broke the bro code and took my best friend s sister s V card Now there s hell to pay Rock n roll and relationships don t mix I knew my best friend s sister was trouble but I wanted a taste anyway I shouldn t be thinking about how her minidress would look crumpled on the floor Or how good she d look on my bed Or the feeling of her thighs resting on my shoulders But it s all I can think about She s all I can think about One night of bliss may cost me everything My best friend my career and my carefree future But when she tells me I m going to be her baby s daddy *Growing up with Parents who have Learning Difficulties* Tim Booth,Wendy Booth,2005-08-10 Growing up with Parents who have Learning Difficulties uses a life story approach to present new evidence about how children from such families manage the transition to adulthood and about the longer term outcomes of such an upbringing It offers a view of parental competence as a social attribute rather than an individual skill assessing the implications for institutional policies and practices The authors address the notion of children having to parent their disabled parents and argue for a shift in emphasis from protecting children to supporting families This innovative book provides a fresh approach to a subject rife with prejudice and challenges us to think again about many taken for granted ideas about the

process of parenting and the needs of children It also demonstrates the power of narrative research and its capacity for bringing alive people's experience in a way that enables us to better understand their lives *Cattenach Ranch Kelly Moran*,2021-11-06 The long awaited Cattenach Ranch anthology is here Featuring the RONE winning and RITA finalist book REDEMPTION and the story RT Book Reviews called an incredible story BENEDICTION together in one set Redemption He's not the hero she thinks he is Benediction She's no one's version of ever after except his Unparalleled story of love and healing Nom de Plume *His Second Wife* Ernest Poole,2022-09-16 Ernest Poole's *His Second Wife* stands as a remarkable exemplar of early 20th century American literature imbued with themes of personal transformation and social change Poole deftly weaves a narrative steeped in the emotional complexities of remarriage and identity employing a prose style that at once resonates with the clarity of journalistic observation and the depth of psychological introspection As part of DigiCat Publishing's esteemed effort to celebrate and preserve the written heritage of humanity this special edition ensures that Poole's work continues to engage a new generation of readers within its historical and literary context capturing the zeitgeist of its era while simultaneously offering timeless insights into the human condition Ernest Poole was not only a Pulitzer Prize winning author but a keen observer of the evolving American society His experiences as a journalist and his active engagement with the social issues of his time including the labor movement and the plight of the immigrant working class provided a rich tapestry of inspiration for his novels *His Second Wife* likely reflects Poole's persistent interest in examining the personal dimensions of broader societal changes particularly the shifting dynamics of family life and individual aspirations in the early decades of the 20th century This edition of *His Second Wife* is a must read for those interested in American literary history and the exploration of social issues through the lens of personal narrative The novel not only offers a window into the societal norms and challenges of Poole's time but also serves as a testimony to the enduring power of literature to transcend temporal boundaries and speak to the eternal human experiences of love loss and the quest for meaning Readers seeking both a rich character driven story and a thought provoking examination of the epoch's social fabric will find in Poole's work an invaluable addition to their literary collection *Mulberry Hill Josephine Booth*,2015-10-13 Gracie Atwell and Sylvia Jenkinson are best friends growing up in a small Yorkshire village under the shadow of World War II Both born to well off families from the outside their childhoods may have looked idyllic Under the roofs of the large houses on Mulberry Hill the families battle their own private demons **McClure's Magazine ...** ,1917 **The Gospel in All Lands** ,1887 **The Haunting of Jessica Kane** Greg Stevenson,2017-01-28 The sleepy town of Druid's Hollow offers fifteen year old Jessica Kane a fresh start but to her that seems like a lot of work She just wants to keep a low profile and avoid the drama of a new high school But Jessica quickly learns that adjusting to a new school and a new life is the least of her worries For something sinister has invaded Druid's Hollow and it's set its sights on her With the help of her newfound friends Jessica faces the fight of her life one which threatens everything and everyone she loves Fortunately Jessica Kane does not run from
