Brown, 2022-05-09 Since Columbine the topic of school shootings has become ever more prevalent in the media in research and in fiction This book provides analyses of several Young Adult YA texts about school shootings and uncovers how the authors represent such violence and those who perpetrate it while developing stories that effectively speak to their adolescent readers Employing Bronfenbrenner's Ecological Systems Theory Laura A Brown examines how the texts frame particular settings and events as important to the development of young people as a way of accounting for the shootings Likewise psychologist Peter Langman's classification of the three populations of school shooters is utilized as a framework to analyze the characterization of fictional shooters in the texts The author argues that these texts while not easy to read are important as they problematize the ways we think about approach and react to school shootings and the students who commit such acts *Massive Resistance and Southern Womanhood* Rebecca Brückmann, 2021-01-01 Massive Resistance and Southern Womanhood offers a comparative sociocultural and spatial history of white supremacist women who were active in segregationist grassroots activism in Little Rock New Orleans and Charleston from the late 1940s to the late 1960s Through her examination Rebecca Brückmann uncovers and evaluates the roles actions self understandings and media representations of segregationist women in massive resistance in urban and metropolitan settings Brückmann argues that white women were motivated by an everyday culture of white supremacy and they created performative spaces for their segregationist agitation in the public sphere to legitimize their actions While other studies of mass resistance have focused on maternalism Brückmann shows that women's invocation of motherhood was varied and primarily served as a tactical tool to continuously expand these women's spaces Through this examination she differentiates the circumstances tactics and representations used in the creation of performative spaces by working class middle class and elite women engaged in massive resistance Brückmann focuses on the transgressive street politics of working class female activists in Little Rock and New Orleans that contrasted with the more traditional political actions of segregationist middle class and elite women in Charleston who aligned white supremacist agitation with long standing experience in conservative women's clubs including the United Daughters of the Confederacy

and the Daughters of the American Revolution Working class women s groups chose consciously transgressive strategies including violence to elicit shock value and create states of emergency to further legitimize their actions and push for white supremacy **Keep Praying** Stacie Caywood,2014-01-07

When our son was diagnosed with Stage 4 cancer in August of 2009 our world came crashing down Through Cash s treatment we found strength in Christ and our faith grew by leaps and bounds We always wanted our story to help others going down the same path or to be a guide to help others who have friends or family going through this This is our story during one of the most trying times in our marriage and our lives We made it against the odds and use our story to bring hope and comfort to others Keep Praying

In His Image for Teen Girls Priscilla Soos,2015-12-09 God created each of us in His image and when He was finished He said It is good These three words from the book of Genesis give us all enormous value one that is not limited to a future in heaven In His Image for Teen Girls began as a quest by author Priscilla Soos to explain the value of these three little words and more for her teen daughter We all need to understand how much worth strength and focus can come from knowing that we are each created in Gods image A personal understanding of what it means to be created in Gods image not only helps us to defend against the negative images pressing down on us every day but also provides the tools to lift us up to the level God has planned for us God opened Soos eyes and helped her see that the challenges her daughter faced were the same as those she encountered at a similar age The situations differed but the core issues were the same the worth she placed on herself would reflect not only the value others would place on her but also the value she would accept from her environment In His Image for Teen Girls seeks to help teen girls understand that being created in Gods image makes them heirs to God and His kingdom
