Adedibu,Felicity Apaah,Okelloh Ogera,Benson O. Igboin,2024-10-04 The idea of mega ness is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa s megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality Making Sense of Death Gerry Cox,Robert Bendiksen,Robert Stevenson,2021-11-18 The editors of Making Sense of Death Spiritual Pastoral and Personal Aspects of Death Dying and Bereavement provide stimulating discussions as they ponder the meaning of life and death This anthology explores the process of meaning making in the face of death and the roles of religion and spirituality at

times of loss the profound and devastating experience of loss in the death of a spouse or a child a psychological model of spirituality the dimensions of spirituality humor in client caregiver relationships the worldview of modernity in contrast to postmodern assumptions the Buddhist perspective of death dying and pastoral care meaning making in the virtual reality of cyberspace individualism and death and the historical context of Native Americans the concept of disenfranchised grief and its detailed application to the Native American experience It also explores a qualitative survey on the impact of the shooting deaths of students in Colorado a team approach with physicians nursing social services and pastoral care a study of health care professionals comparing clergy with other health professionals marginality in spiritual and pastoral care for the dying a qualitative research study of registered nurses in the northeast United States and loss and growth in the seasons of life

Hastings, Ann Wilson Hastings, Edward Hastings, 1903 *Accountability in Missions* Jonathan J. Bonk, 2011-10-21 The Korean missions movement is perhaps the most significant story of the Church in the world over the past one hundred years Today Korea can boast of being the leading sender of missionaries per head of population Yet this movement has not been well integrated into the global mission community and also this community has at times failed to understand and learn from this tremendous work of God I am excited that God has brought together a unique body of people to wrestle with these issues This work will help bring about much needed collaboration and develop each other's strengths in an environment of mutual respect MALCOLM L MCGREGOR SIM International Director Accountability in Missions is a remarkable book exploring the full range of mission accountability issues strategic financial and relational from both Korean and North American perspectives This is global missiology made practical and accessible to all missions practitioners The many articles that penetrate the mysteries of Korean and North American interaction especially make it a must read book for all Koreans and North Americans working together STEVE STRAUSS Professor of Mission and Intercultural Studies Dallas Theological Seminary This collection of essays provides a biblical and theological basis for accountability and brings voices East and West demonstrating that accountability to God and to others is a universal principle not linked to one culture or context i.e. Western Further the collection is eminently practical addressing matters of governance decision making finance and personal

Pastor Paul D. Stevens,2012-04-28 Seminary plays a crucial role in the lives of ministers pastors and lay leaders But seminary cannot teach you the real life day to day practical experiences and operation of leading God s people In this book we will look at some practical principles a pastor will not learn in seminary Many pastors are in for a rude awakening when they are called to their pastorate They enter the job with excitement and zeal only to be later frustrated by the everyday duties a pastor must deal with This book will cover everything from understanding your call how to handle criticism do you and your church make a good fit leading church meetings to knowing when your assignment is over We will discuss how to plan a construction project dealing with ministry and staff betrayal finding a mentor the power of preaching the Word and spending time with the Lord in prayer i will add a small photo of myself **Walk Like Jesus** Dann Spader,2019-01-01 Let s take a walk with the Master Is it even possible to walk as Jesus walked Well there s only one way to find out Follow along and study the very model of how to live life the way Jesus lived More than just highlighting various aspects of Jesus life ministry veteran Dann Spader examines the broad scope of who He is helping us understand how the life of Christ should transcend our busy 21st century lifestyles With a practical approach daily lessons in this 10 week study touch on foundational elements of Jesus life including His intentionality in fostering loving relationships His unwavering obedience and reverent submission to God A life that was steadfast in prayer His dependence upon the Holy Spirit His movement of multiplying disciples Walk Like Jesus will not only provide you with a wealth of biblical knowledge on Jesus life it will also challenge you to follow after Christ It is sure to bring insight and godly nourishment in your trajectory toward knowing Christ and becoming more like Him Learn how to implement the Like Jesus series into your small group ministry and church to build a culture of disciple making Use the Like Jesus App and Digital Access platform for videos assessment engagement real time metrics are more download today <https://LikeJesus.church> **Christopraxis** Andrew Root,2014 Finding practical theology not always able to present frameworks for understanding concrete and lived experience with divine action Andrew Root s Christopraxis seeks to reset the edifice of practical theology on a new foundation While not minimizing its commitment to the lived and concrete Root argues that practical theology has neglected deeper theological underpinnings Root seeks to create a practical theology that is properly and fully theological post postmodern post Aristotelian and that attends to doctrines such as divine action and justification **From Members to Disciples** Michael W. Foss,2007 The book of Acts serves as our playbook for ministry as it prepares us for the active presence of God Studying the book of Arts takes us back to the future It shows the church how to trust in the active presence of God and inspire people to move from being mere members to bold disciples As members become disciples of faith they experience the unstoppable power of disciplined growth and divine purpose in Christian living *Covenant-Making* Charles J. Conniry,Laura K.

Simmons, 2014-05-29 This collection explores the central theological notion of covenant. It has been produced in honor of Dr. R. Larry Shelton, respected scholar and beloved husband, father, colleague, and friend. Covenant, the unifying theme of this book, is a subject to which Dr. Shelton devoted considerable attention over his forty-five year career as a scholar and teacher. His 2006 book, *Cross and Covenant: Interpreting the Atonement for 21st Century Mission*, stands as one of the most incisive treatments of the atonement from a covenantal perspective. The contributors of this volume consist of Shelton's current colleagues at George Fox Evangelical Seminary, those with whom he served in other institutions, and friends and former students whose vision of covenant Shelton inspired. These writers demonstrate that whether one considers such diverse subject matter as atonement theory, the church's mission, the discernment of prophetic spirits, non-western ontologies, soteriology, biblical interpretation, sanctification, theodicy, family life, or theology proper, one's understanding is deficient without giving due consideration to the role of covenant relationality.

Vital Missions Issues Roy Check B. Zuck, 2004-09-24
Vital, pertaining to life, essential of critical importance. Missions, specific tasks to which a person or group is charged. Issues, a point or matter the decision of which is of special or public importance. A dictionary can define the terms, but tackling the tough texts and difficult issues of world evangelism requires skillful study and balanced reflection upon the whole of Scripture.

Vital Missions Issues: Examining Challenges and Changes in World Evangelism draws upon the insights and study of numerous evangelical scholars and writers to address crucial issues in world missions. Some of the chapters included are: *The Destiny of the World and the Work of Missions* by Michael Pocock; *The Fate of Those Who Never Hear* by Millard J. Erickson; *Missions in Cultural Perspective* by George W. Peters; *Missions in a Religiously Pluralistic World* by George W. Peters; *Paul's Corporate Evangelism in the Book of Acts* by George W. Murray. Church leaders, missionaries, and evangelists will appreciate the helpful scholarship of Vital Missions Issues.
