In MAKING LIFE A MASTERPIECE Marden teaches us to unlock our possibilities look for opportunities and find our place in life without letting failures stand in our way Failures are nothing but stepping stones to be learned from on the path towards greater achievements Many a man has finally succeeded only because he has failed after repeated efforts If he had never met defeat he would never have known great victory says Marden *Making Life a Masterpiece* Orison Swett Marden, 2015-07-30 In MAKING LIFE A MASTERPIECE Marden teaches us to unlock our possibilities look for opportunities and find our place in life without letting failures stand in our way Failures are nothing but stepping stones to be learned from on the path towards greater achievements Many a man has finally succeeded only because he has failed after repeated efforts If he had never met defeat he would never have known great victory says Marden *Making Life a Masterpiece* Orison S. Marden, 1998-08 *Making Life a Masterpiece* Orison Swett Marden, 2013-09-01 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1916 edition Excerpt CHAPTER XVII LIVING IN THE FINER SENSES if this life is not a real fight in which something is eternally gained for the Universe says Professor William James it is no better than a game of private theatricals But it feels like a real fight as if there were something really wild in the Universe which we with our idealities and faithfulness are needed to reform There is no more real fight than that which is being waged perpetually between man s higher and lower nature If this lower nature triumphs if one elects to live only in his coarser animal nature in his lower senses he pays for his choice in coin of his finer nature in the gradual atrophy of his noblest qualities The lower part of the brain was intended merely to serve the higher faculties not to minister to the further development of a purely animal existence The higher living must be carried on in the upper the finer part of the brain where beauty ideality sentiment benevolence reverence freely function Until that fine portion of the brain is developed we do not taste the real joy of life Living in the ideal makes the commonplace beautiful increases the depth and the range of one s sources of happiness enriches life and makes more significant every attribute of one s personality Those who live mainly in their animal instincts in the base of their brain who do not rise into the upper stories of their being who never develop the upper brain where ideality the higher ambitions and loftier sentiments are born have a much more circumscribed range of perceptions and of enjoyment than those who live in that cleaner atmosphere of the ideal The eat drink and be merry for to morrow we die philosophy of life is the most fraudulent of all material **Your Life, a Masterpiece in the Making** Renae Green, 2015-07-21 Life happens Every event that takes place in your life every person you have ever met every circumstance you have lived through has a place in your puzzle of life Before you were born God had created a beautiful masterpiece It is filled with color happiness laughter and tears It is filled with struggles as well as sweet triumphs It is filled with every experience in your life

both good and bad As you move through your life the pieces of your puzzle are set one at a time Each one is essential and relevant When completed your puzzle will finally make sense You will be able to recognize how each piece has brought you to where you are today Each piece fits in some way to help bring you to a place where God wants you to be When something happens that is unbearable and you cannot find a reason for it sometimes it is Gods own steadying hand that helps set the piece into place Build your puzzle with confidence one piece at a time and know your masterpiece was created by the Master Himself piece by important piece *Service* ,1912 **Digest** ,1916 **Literary Digest** ,1916 **The Homiletic Review** ,1919 *Selling Things* Orison Swett Marden,Joseph Francis MacGrail,1916 *Round Pegs in Square Holes* Orison Swett Marden,1922 *Books of 1912-* ,1922 **Life Rhymes** Walt F.J.
