*The Making of a Legionnaire* Bill Parris, 2004 Penniless divorced and AWOL from the British forces Bill Parris volunteered for the French Foreign Legion in the early 1980s Unlike many British volunteers to the Legion Bill did not desert He endured a horrendous training regime and despite a fear of heights joined the elite Foreign Legion Parachute Regiment He discovered how women from all over the world flock to Corsica where the Legion is based so his R R was almost as exhausting as the jungle warfare school he was later sent to This is more than a war story it is a personal journey too as Bill comes to terms with his own inner demons His five years service included brutal combat in Rwanda and Chad events that still trigger nightmares But he emerged as a man at peace with himself and with a story to tell **A Sociology of the Total**

**Organization** Mikaela Sundberg, 2016-03-09 Examining the organization of everyday life inside the regiments of the French Foreign Legion this book takes its theoretical point of departure in the notion of the voluntary total organization that is to say an institution that constitutes a geographically delimited place of residence and work in which inmates are voluntarily separated from the outside world leading an enclosed formally administered life Informed by a modified version of Goffman's original concept of the total institution *A Sociology of the Total Organization* untangles the Foreign Legion and the ways in which different kinds of social orders interplay there With a focus on regimental life the author characterizes the armed forces not only as a total organization but also as a greedy one seeking undivided loyalty and the incorporation of all social roles within its bounds Against this understanding the book draws on rich ethnographic work to develop the notion of atomistic unity the ideal relational condition that exists in the military in which individuals commit to a unit and articulate ties with individuals on an impersonal basis grounded in the belief in a greater whole A detailed and empirically grounded study of the mechanisms in which the Foreign Legion not only cuts members ties to people outside the organization but also restricts the creation and maintenance of ties among its members this book shows how atomistic unity is not limited to greedy organizations such as the military but applies to a variety of collectivist settings As such it will appeal to scholars of sociology and anthropology with interests in military life social relations social theory and the work of Goffman **The**

**British National Bibliography** Arthur James Wells, 2006 *Legionnaire* Simon Murray, 2007-12-18 A pleasure to read and nearly impossible to put down *Army Times* Embodies an experience that many have enjoyed in fantasy few in reality *The Washington Post* The French Foreign Legion mysterious romantic deadly is filled with men of dubious character and hardly the place for a proper Englishman just nineteen years of age Yet in 1960 Simon Murray traveled alone to Paris Marseilles and ultimately Algeria to fulfill the toughest contract of his life a five year stint in the Legion Along the way he kept a diary *Legionnaire* is a compelling firsthand account of Murray's experience with this legendary band of soldiers This gripping journal offers stark evidence that the Legion's reputation for pushing men to their breaking points and beyond is well deserved In the fierce sun baked North African desert strong men cracked under brutal officers merciless training methods

and barbarous punishments Yet Murray survived even thrived For he shared one trait with these hard men from all nations and backgrounds a determination never to surrender The drama excitement and color of a good guts and glory thriller Dr Henry Kissinger *Weekly World News*, 2003-09-16 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site *Voices of the Foreign Legion* Adrian Gilbert, 2010-04-06 Military historian Gilbert *Sniper The Skills the Weapons and the Experiences* focuses on the French Foreign Legion beginning with its 1831 formation by royal decree as an infantry force for overseas service Gilbert gained access to the Imperial War Museum sound archive along with permission to use material from that key source The book consists of excerpts from these and other firsthand accounts skillfully linked to vivify his informative and insightful interpolations He sets the scenes with a vivid backdrop letting the first person passages take center stage The reader peruses the nightmarish horrors of the battlefields but also the daily life of barracks barrooms and brothels such as the conga's young girls in 1950s Indochina One soldier wrote Cheerful and hardworking they knew biblically very nearly everyone in the battalion and gave not one damn for rank The history traces the legion through colonial and postcolonial eras through both world wars Vietnam Algeria Bosnia and the Congo These vibrant legionnaire voices are agonized bitter brutal fearful and haunting but some speak with pride and praise It's a soldier's dream recalling the legion as a life changing experience **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 ***Marching with the Devil*** David Mason, 2011-09-27 Since its creation in 1831 the French Foreign Legion has become the stuff of myth fiction and dreams Anyone thinking of joining up would be well advised to read this book first The Sun Herald A real life boy's own adventure *Marching With The Devil* is an account of David Mason's five years in the infamous French Foreign Legion David Mason graduated from the Australian National University with a law degree and an honours degree Like those around him he could easily have settled for a life of share portfolios good suits new cars and big houses But David wanted more he wanted a challenge an adventure something beyond the ordinary that would test him physically and mentally He looked around to see what he could do Working in an open cut mine done that Running a marathon hmm not hard enough Climbing Everest maybe Joining the French Foreign Legion perfect *Marching With The Devil* is the gripping true story of what happened when an Australian lawyer left his comfortable existence and joined the legendary French Foreign Legion He stayed for five years and served time in the elite Parachute Regiments With the motto March or Die the legion has a history of pain grief and glory David Mason takes us behind the myth to reveal exactly what happens the adventure the danger the drinking the fighting and the lies that sustain the legend fore the final choice must be made Remarkable It's hard not to think it a shame that a man of such obvious gifts should have wasted them on the legion just so as not to have to feel like a quitter even if this book was the result The Age *Marching with the Devil* quickly turns into an insightful and honest account of an unpretentious Aussie's experiences in one
