*The Making of an American* Jacob A. Riis, 2019-12-03 In *The Making of an American* Jacob A Riis intricately weaves together a compelling narrative that melds autobiography with social commentary chronologically tracing his journey from a humble Danish immigrant to a pioneering social reformer in the United States Riis employs vivid imagery and candid anecdotes capturing the stark realities of life in New York City's tenements His unflinching style not only illuminates the struggles of the urban poor in the late 19th century but also utilizes elements of realism reflecting the broader social tensions and aspirations that characterized the American landscape during this transformative period Jacob A Riis 1849 1914 was a journalist social reformer and photographer whose own experiences as an immigrant profoundly shaped his worldview His work in social reform was largely influenced by the harsh conditions he witnessed in urban America which he sought to expose through his writings and photographs Riis's dedication to improving living conditions for the impoverished was pivotal to the progressive movement and his firsthand accounts serve as critical historical documentation of the time I wholeheartedly recommend *The Making of an American* for readers who are interested in the immigrant experience the social fabric of 19th century America and the transformative power of rhetoric in promoting social change Riis's narrative is not just a personal history it is a clarion call for empathy and action that resonates with contemporary dialogues on immigration and social justice

**The Making of an American** Jacob August Riis, 1970-01-01 **Gertrude Stein and the Making of an American Celebrity** Karen Leick, 2013-05-13 This book is a cultural history of Stein's rise to fame and the function of literary celebrity in America from 1910 to 1935 By examining not the ways that Stein portrayed the popular in her work but the ways the popular portrayed her this study shows that there was an intimate relationship between literary modernism and mainstream culture and that modernist writers and texts were much more well known than has been previously acknowledged Specifically Leick reveals through the case study of Stein that the relationship between mass culture and modernism in America was less antagonistic more productive and integrated than previous studies have suggested

**The Making of an American** Jacob August Riis, 1921 *The Making of an American* Jacob August Riis, 1901 In all of which I have made no account of a factor which is at the bottom of half our troubles with our immigrant population so far as they are not of our own making the loss of reckoning that follows uprooting the cutting loose from all sense of responsibility with the old standards gone that makes the politician's job so profitable in our large cities and that of the patriot and the housekeeper so wearisome We all know the process The immigrant has no patent on it It afflicts the native too when he goes to a town where he is not known
