

Making Of An Insurgent

RM Cervero

Making Of An Insurgent:

The Making of an Insurgent Fiorello Henry La Guardia, 1961 **"The" Making of an Insurgent** Fiorello H. La Guardia, 1948 The Making of an Insurgent Fiorello Henry La Guardia, 1948 Based on material dictated and edited by the New York City's mayor during the last six months of his life **The Making of an Insurgent** Fiorello H. La Guardia, 1948

The Making of an Insurgent an Autobiography 1882-1919 Fiorello La Guardia, 2018-10-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. *The Making of an Insurgent an Autobiography 1882-1919 - Primary Source Edition* Fiorello H. La Guardia, 2014-02 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact or were introduced by the scanning process. We believe this work is culturally important and, despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book. The making of an insurgent Fiorello H. LA GUARDIA, 1961 **The Making of an Insurgent; An Autobiography, 1882-1919. Introductions by H.M. Christman and M.R. Werner** Fiorello Henry La Guardia, 1948 *I Never Did Like Politics* Terry Golway, 2024-02-20 In our current dismal passage of American politics, it's exhilarating to read about a politician who exemplified all the qualities: courage, honesty, vision, energy, disdain for hypocrisy, concern for the downtrodden that we were taught to revere. Remarkable Wall Street Journal. Fiorello LaGuardia was one of the twentieth century's most colorful politicians on the New York and national stage. He was also quintessentially American: the son of Italian immigrants who rose in society through sheer will and chutzpah. Almost one hundred years later, America is once again grappling with issues that would have been familiar to the Little Flower, as he was affectionately known. It's time to bring back LaGuardia, argues historian and journalist Terry Golway, to remind us all what an effective municipal officer, as he preferred to call himself, can achieve. Golway examines LaGuardia's extraordinary career through four essential qualities: As a patriot, a dissenter, a leader, and a statesman. He needed them all when he stood against the nativism, religious and racial bigotry, and reactionary economic policies of the 1920s and again when he faced the realities of Depression-era New York and the rise of fascism at home and abroad in the 1930s. Just before World War II, the Roosevelt administration formally

apologized to the Nazis when LaGuardia referred to Hitler as a brown shirted fanatic There was nobody quite like Fiorello LaGuardia In this immensely readable book as entertaining as the man himself Terry Golway captures the enduring appeal of one of America's greatest leaders *The Insurgent's Dilemma* David H. Ucko, 2022-06-01 Despite attracting headlines and hype insurgents rarely win Even when they claim territory and threaten governmental writ they typically face a military backlash too powerful to withstand States struggle with addressing the political roots of such movements and their military efforts mostly just mow the grass yet for the insurgent the grass is nonetheless mowed and the armed project must start over This is the insurgent's dilemma the difficulty of asserting oneself of violently challenging authority and of establishing sustainable power In the face of this dilemma some insurgents are learning new ways to ply their trade With subversion spin and disinformation claiming centre stage insurgency is being reinvented to exploit the vulnerabilities of our times and gain new strategic salience for tomorrow As the most promising approaches are refined and repurposed what we think of as counterinsurgency will also need to change *The Insurgent's Dilemma* explores three particularly adaptive strategies and their implications for response These emerging strategies target the state where it is weak and sap its power sometimes without it noticing There are options for response but fresh thinking is urgently needed about society legitimacy and political violence itself *Defenseless Under the Night* Matthew Dallek, 2016-06-02 In his 1933 inaugural address Franklin D Roosevelt declared that the only thing we have to fear is fear itself Yet even before Pearl Harbor Americans feared foreign invasions air attacks biological weapons and conversely the prospect of a dictatorship being established in the United States To protect Americans from foreign and domestic threats Roosevelt warned Americans that the world has grown so small and eventually established the precursor to the Department of Homeland Security an Office of Civilian Defense OCD At its head Roosevelt appointed New York Mayor Fiorello La Guardia First Lady Eleanor Roosevelt became assistant director Yet within a year amid competing visions and clashing ideologies of wartime liberalism a frustrated FDR pressured both to resign In *Defenseless Under the Night* Matthew Dallek reveals the dramatic history behind America's first federal office of homeland security tracing the debate about the origins of national vulnerability to the rise of fascist threats during the Roosevelt years While La Guardia focused on preparing the country against foreign attack and militarizing the civilian population Eleanor Roosevelt insisted that the OCD should primarily focus on establishing a wartime New Deal what she and her allies called social defense Unable to reconcile their visions both were forced to leave the OCD in 1942 Their replacement James Landis would go on to recruit over ten million volunteers to participate in civilian defense ultimately creating the largest volunteer program in World War II America Through the history of the OCD Dallek examines constitutional questions about civil liberties the role and power of government propaganda the depth of militarization of civilian life the quest for a wartime New Deal and competing liberal visions for American national defense questions that are still relevant today The result is a gripping account of the origins of national security which will interest anyone with a passion for modern American political

history and the history of homeland defense Sanctuary And Survival Rex Brynen, 2019-07-11 This book analyses the Palestine Liberation Organization's PLO Lebanese era and its aftermath of the changing position of the Palestinian nationalist movement in Lebanon It presents the PLO's efforts to maintain for itself a secure political and military base of operations in Lebanon

Insurgent Play Duncan McDuie-Ra, 2025-07-08 Insurgent Play Social worlds of urban disruption explores play as a transgressive expression that counters the existing urban order neoliberal authoritarian militarised Insurgent play is disruptive yet through disruption it brings social worlds into being undergirds global subcultures and overcomes hostile urban environments characterised by ever diminishing spaces for free expression Acts of insurgent play are claims on space lasting from brief moments to years animating patches of the city designed for commercial industrial and logistical imperatives Even in public spaces designed for leisure and play insurgent play brings different expressions at different speeds transgressing designated uses and bodily expectations Through insurgent play people find belonging in the city especially for those excluded from other spaces based on race class sexuality and citizenship As such stories of insurgent play are stories of alternative ways of inhabiting cities stemming from the widespread human desire and need for play for joy and for sociality Insurgent Play draws upon examples from street skateboarding Street skateboarding disrupts the city in the pursuit of play enlivens patches of space through temporary claims and initiates encounters with authorisers property owners and citizens gravid with hostility with instants of wonder Insurgency is a way of being and the desire for insurgent play cannot be placated by better urban planning or formal expertise Nor will multiplying designated play spaces creative precincts and flexible public spaces stop people seeking out space to create their own worlds of disruption The book makes four arguments First insurgent play is bodily expression that can challenge disrupt and transgresses dominant ways of city making Second insurgent play takes us to parts of the urban landscape that we might not otherwise go politics we might not otherwise recognise and encounters we might otherwise overlook Third claims on the city made through insurgent play enliven urban space through transformative power In this way these claims territorialise patches of the built environment intended for other uses Last insurgent play space is generated from below never above Insurgent play shapes and is shaped by identities that position adherents in opposition to prevailing urban orders

Insurgent Aesthetics Ronak K. Kapadia, 2019-10-25 In Insurgent Aesthetics Ronak K Kapadia theorizes the world making power of contemporary art responses to US militarism in the Greater Middle East He traces how new forms of remote killing torture confinement and surveillance have created a distinctive post 9 11 infrastructure of racialized state violence Linking these new forms of violence to the history of American imperialism and conquest Kapadia shows how Arab Muslim and South Asian diasporic multimedia artists force a reckoning with the US war on terror's violent destruction and its impacts on immigrant and refugee communities Drawing on an eclectic range of visual installation and performance works Kapadia reveals queer feminist decolonial critiques of the US security state that visualize subjugated histories of US militarism and make palpable

what he terms the sensorial life of empire In this way these artists forge new aesthetic and social alliances that sustain critical opposition to the global war machine and create alternative ways of knowing and feeling beyond the forever war

An Autobiography Fiorello H. La Guardia,1961 *Understanding Insurgent Resilience* Andrew Henshaw,2020-07-30
This book examines terrorist and insurgent organisations and seeks to understand how such groups persist for so long while introducing a new strategic doctrine for countering these organisations The work discusses whether familial or meritocratic insurgencies are more resilient to counterinsurgency pressures It argues that it is not the type of organization that determines resilience but rather the efficiency functions of social capital and trust which have different natures and forms within them It finds that while familial insurgencies can challenge incumbents from the start they weaken over time whereas meritocracies will generally strengthen The book examines four of the most enduring and lethal insurgent organizations the Haqqani Network in Afghanistan Lashkar e Taiba in Pakistan Jemaah Islamiyah in Indonesia and the Abu Sayyaf in the Philippines The author breaks down each group into its formative strengths and vulnerabilities and presents a bespoke model of strategic counterintelligence that can be used to manipulate degrade and destroy each organization This book will be of much interest to students of counterinsurgency terrorism intelligence security and defence studies in general *The Social Construction of Kidnapping* Camilo Tamayo Gomez,2025-08-15
Moving beyond simplistic and sensationalist portrayals of kidnapping this book offers a critical and interdisciplinary analysis that examines kidnapping as a social historical cultural and political phenomenon Kidnapping is a profound violation of human rights that reshapes societies disrupts governance and inflicts lasting trauma on individuals and communities In Colombia kidnapping became an endemic feature of the armed conflict leaving tens of thousands of families in a perpetual state of uncertainty and fear Through an innovative blend of criminology sociology transitional justice surveillance studies and collective memory epistemologies this book unpacks kidnapping as a crime of im mobility a strategy of war and a serious human rights violation Drawing on fifteen years of research including statistical analysis archival work and interviews with former hostages ex combatants and policymakers it reveals how kidnapping shaped Colombia s conflict and its ongoing efforts toward justice truth and reconciliation By exploring its patterns motivations and legacies this book not only sheds light on Colombia s experience but also contributes to global discussions on transitional justice collective memory and the strategies societies adopt to confront mass victimisation The Social Construction of Kidnapping is essential reading for scholars and students of criminology transitional justice human rights political violence and Latin American studies as well as policymakers human rights advocates and anyone seeking a deeper understanding of how societies confront legacies of mass victimisation and forge paths toward accountability and healing **Handbook on Gender and Cities** Linda Peake,Anindita Datta,Grace Adeniyi-Ogunyankin,2024-10-03
This Handbook acts as a state of the art foundation for the field of gender and cities scholarship through in depth assessments of the latest research within key areas of feminist urban academia

Multidisciplinary in its scope editors Linda Peake Anindita Datta and Grace Adeniyi Ogunyan bring together over 60 feminist scholars to present contemporary research in this important field of study **Mozambique's Samora Machel** Allen F. Isaacman, Barbara S. Isaacman, 2020-09-08 The precipitous rise and controversial fall of a formidable African leader Samora Machel 1933 1986 the son of small town farmers led his people through a war against their Portuguese colonists and became the first president of the People's Republic of Mozambique Machel's military successes against a colonial regime backed by South Africa Rhodesia the United States and its NATO allies enhanced his reputation as a revolutionary hero to the oppressed people of Southern Africa In 1986 during the country's civil war Machel died in a plane crash under circumstances that remain uncertain Allen and Barbara Isaacman lived through many of these changes in Mozambique and bring personal recollections together with archival research and interviews with others who knew Machel or participated in events of the revolutionary or post revolutionary years The Message Matters Lynn Vavreck, 2009 Demonstrating how candidates and their campaigns affect the economic vote this book provides a different way of understanding past elections and predicting future ones It offers a theory of campaigns that explains why electoral victory requires more than simply being the candidate favored by prevailing economic conditions
