Routledge Handbook of Sustainable Product Design Jonathan Chapman,2017-05-08 As a cultivated form of invention product design is a deeply human phenomenon that enables us to shape modify and alter the world around us for better or worse The recent emergence of the sustainability imperative in product design compels us to recalibrate the parameters of good design in an unsustainable age Written by designers for designers the Routledge Handbook of Sustainable Product Design presents the first systematic overview of the burgeoning field of sustainable product design Brimming with intelligent viewpoints critical propositions practical examples and rich theoretical analyses this book provides an essential point of reference for scholars and practitioners at the intersection of product design and sustainability The book takes readers to the depth of our engagements with the designed world to advance the social and ecological purpose of product design as a critical twenty first century practice Comprising 35 chapters across 6 thematic parts the book s contributors include the most significant international thinkers in this dynamic and evolving field

Healing Pandora Gail Thomas,2009-09-29 The story of Pandora is one of the most resonant in Greek mythology As *Healing Pandora* shows it s also one of the most relevant Psychologist Gail Thomas has used Pandora in her practice for two decades often with profound results Cast in popular accounts as the evil bringer of doom to humanity in divine retaliation for Prometheus stealing fire Pandora in Thomas view is a much more complex character with enormous healing powers as well as her better known destructive capacity In this revelatory book Thomas shows Pandora s true nature as the dark but all giving feminine the archetypal vessel of culture and city with the power to heal our culture Pandora s task is to help us transform our overwhelmingly material civilization into a culture of undivided participation and engagement Part one discusses Pandora s multifaceted persona as both beautiful evil and divine benefactress Here Thomas contextualizes Pandora in the cycle of myth and archetype In part two the author proposes a series of healing rituals *Healing Our Fear of Sacrifice Healing Our Dis Ease Healing the Control of Patriarchy* and others inspired by Pandora Both practical guide and inspiring study *Healing Pandora* argues persuasively for manifesting our inner work concretely on the cultural not just personal level

Human Ecology Markus Nauser,Dieter Steiner,2002-11-01 We face an environmental catastrophe of global proportions The ecological rationality of modern society and of science in particular is in question Science still responds to crises at the level of technocratic expertise and still treats society as an adaptive system By bringing

together a number of integrative approaches to the human environment problem Human Ecology shapes a more radical fundamental agenda for change The book creates a framework for a cohesive discourse for a new human ecology From the notion that the individual person is an agent mediating between society and environment the individual contributors recognize that the environmental crisis is really a crisis of society manifesting itself in an increasing fragmentation of lives in general and knowledge in particular Arguing for environmentally sustainable lifestyles the book envisages a new kind of consciousness and a new environment
