Making Of Modern Switzerland 1848 1998 Between Continuity And Change:

The Making of Modern Switzerland, 1848-1998 M. Butler, M. Pender, J. Charnley, 2000-08-30 A fascinating collection of essays by leading British and Swiss scholars which explore the development of Swiss democracy from 1848 to the present day Culture and literature politics and economics are looked at in turn in an attempt to unravel the extraordinary success of this microcosmic multicultural society at the heart of Europe The problem of contemporary Switzerland faced with rapid changes within the European Union are outlined with refreshing candour The question is posed whether the country can retain its distinctive identity and traditional attitudes while at the same time seeking closer cooperation with the newly emerging Europe and accepting the challenges of the globalized economy

Comparative Federalism Thomas O. Hueglin, Alan Fenna, 2015-08-24 Comparative Federalism A Systematic Inquiry Second Edition is a uniquely comprehensive analytic and genuinely comparative introduction to the principles and practices as well as the institutional compromises of federalism Hueglin and Fenna draw from their diverse research on federal systems to focus on four main models America Canada Germany and the European Union but also to range widely over other cases At the heart of the book is careful analysis of the relationship between constitutional design and amendment fiscal relations institutional structures intergovernmental relations and judicial review Such analysis serves the dual role of helping the reader understand federalism and providing a comparative framework from which to assess the record of federal systems The second edition has been extensively revised and updated taking into account new developments in federal systems and incorporating insights from the growing body of literature in the field It includes two new chapters Fiscal Federalism and The Limits of Federalism

[German Writers and the Politics of Culture](#) Paul Cooke, Andrew Plowman, 2003-12-09 Before the fall of the Berlin Wall many East German writers were praised in the Western world as dissident voices of truth bravely struggling with the draconian constraints of living under the GDR's communist regime However since unification Germany has been rocked by scandals showing the level to which the Stasi the East German Secret Police controlled these same writers This is the first study in English to systematically explore how the

writers have responded to the challenge of dealing with the Stasi from the 1950s to the present day
