Making Of The Gdr 1945 53

Andrew G. Bonnell

Making Of The Gdr 1945 53:

The Making of the GDR, 1945-53 Gareth Pritchard, 2004-09-04 The Making of the GDR 1945 53 is a groundbreaking analysis of the Stalinization of East Germany Whereas most traditional accounts have explained the creation of the GDR in terms of high politics and of Soviet foreign policy this book focuses on the social roots of the emerging dictatorship These were located above all in the traditions of the German labor movement and the history of the anti Nazi resistance The GDR was not imposed on the East German people at the point of Russian bayonets it emerged out of the interaction between Soviet occupation policy and the politics of the East German working class This book also tells a powerful human story in which the aspirations of antifascists and Socialists were manipulated and ultimately betrayed by Stalinism Based on extensive research this book will be of interest to those concerned with the division of Germany the nature of the GDR and the whole trajectory of post war German politics

The German Question and the International Order, 1943-48 N. Lewkowicz, 2010-09-30 An analysis of the German Question s influence on the origins of the Cold War arguing that the legal and diplomatic intercourse between the Allies regarding the treatment of the German Question brought forward the elements of intervention and coexistence which formed the basis for a relatively peaceful postwar international order

The German Democratic Republic Peter Grieder, 2012-11-02 A clear concise and thought provoking introduction to the history of East Germany which engages critically with key debates and advances new interpretations of the origins development and demise of the GDR Peter Grieder also offers an original conceptualization of the GDR as a totalitarian welfare state

The Last Revolutionaries Catherine Epstein, 2009-06-30 The Last Revolutionaries tells a story of unwavering political devotion it follows the lives of German communists across the tumultuous twentieth century Before 1945 German communists were political outcasts in the Weimar Republic and courageous resisters in Nazi Germany they also suffered Stalin s Great Purges and struggled through emigration in countries hostile to communism After World War II they became leaders of East Germany where they ran a dictatorial regime until they were swept out of power by the people s revolution of 1989 In a compelling collective biography Catherine Epstein conveys the hopes fears dreams and disappointments of a generation that lived their political commitment Focusing on eight individuals The Last Revolutionaries shows how political ideology drove people s lives Some of these communists including the East German leaders Walter Ulbricht and Erich Honecker enjoyed great personal success But others including the purge victims Franz Dahlem and Karl Schirdewan experienced devastating losses And as the book demonstrates female and Jewish communists faced their own sets of difficulties in the movement to which they had given their all Drawing on previously inaccessible sources as well as extensive personal interviews Epstein offers an unparalleled portrait of the most enduring and influential generation of Central European communists In the service of their party these communists experienced solidarity and betrayal power and persecution sacrifice and reward triumph and defeat At once sordid and poignant theirs is the story of European communism from the heroic excitement of its

youth to the bureaucratic authoritarianism of its middle age to the sorry debacle of its death *Social Democracy and the Working Class* Stefan Berger, 2014-06-11 This is a powerful and original survey of German social democracy breaks new ground in covering the movement's full span from its origins after the French Revolution to the present day Stefan Berger looks beyond narrow party political history to relate Social Democracy to other working class identities in the period and sets the German experience within its wider European context This timely book considers both the background and long term perspective on the current rethinking of Social Democratic ideas and values not only in Germany but also in France Britain and elsewhere **Watching the Watchers** Henry Thomson, 2024-03-13 Throughout history dictators have constructed secret police agencies to neutralize rivals and enforce social order But the same agencies can become disloyal and threatening This book explores how eight communist regimes in Cold War Europe confronted this dilemma Divergent strategies caused differences in regimes of repression with consequences for social order and political stability Surviving the shock of Josef Stalin's death elites in East Germany and Romania retained control over the secret police They grew their coercive institutions to effectively suppress dissent via surveillance and targeted repression Elsewhere ruling coalitions were thrown into turmoil after Stalin's death changing personnel and losing control of the security apparatus Post Stalinist transitions led elites to restrict the capacity of the secret police and risk social disorder Using original empirical analysis that is both rigorous and rich in fascinating detail Henry Thomson brings new insights into the darkest corners of authoritarian regimes Revolutions in Modern German History Andrew G. Bonnell, 2025-05-29 Andrew G Bonnell's innovative survey examines the history of revolution in modern Germany by focusing on key revolutionary developments in the German states There is coverage of Germany and the French Revolution the 1848 revolutions the Industrial Revolution the 1918 19 revolution the Nazi revolution of 1933 the revolution from above in Eastern Germany 1945 49 and the revolution in East Germany in 1989 90 *Revolutions in Modern German History* sheds new light on the subject by stressing the continuity of conflicts between revolution and counter revolution in German history thereby restoring a sense of the dramatic social conflicts that punctuated the history of the country It also reveals the significance of wider European and transnational developments of revolutionary and counter revolutionary movements and events Bonnell even reconstructs a sense of the participants changing horizon of expectations during these events by looking in depth at the lives of men and women who lived and experienced these tumultuous times *The German Question and the Origins of the Cold War* Nicolas Lewkowicz, 2008 The book analyses the role of the German Question in the origins of the Cold War The work evaluates the transformation which occurred in Germany and the post war international order due to the inter Allied work on denazification The author analyses the Rationalist aspects of superpower interaction with particular emphasis on the legal and diplomatic framework which sustained not only the treatment of the German Question but also the general context of inter Allied relations The author also tackles the conflictual aspects of the treatment of the German Question by examining

superpower interaction in relation to the enforcement of their structural interests The main argument of the book is that due to the interaction between the elements of intervention and coexistence the German Question constituted the most significant issue in the configuration of the post war international order

Training Socialist Citizens Molly Wilkinson Johnson, 2008 Drawing on archival published and oral history sources this book analyzes the successes and limitations encountered by the East German state as it used participatory sports programs sports festivals and sports spectatorship to transform its population into new socialist citizens

Becoming East German Mary Fulbrook, Andrew I. Port, 2013-09-01 For roughly the first decade after the demise of the GDR professional and popular interpretations of East German history concentrated primarily on forms of power and repression as well as on dissent and resistance to communist rule Socio cultural approaches have increasingly shown that a single minded emphasis on repression and coercion fails to address a number of important historical issues including those related to the subjective experiences of those who lived under communist regimes With that in mind the essays in this volume explore significant physical and psychological aspects of life in the GDR such as health and diet leisure and dining memories of the Nazi past as well as identity sports and experiences of everyday humiliation Situating the GDR within a broader historical context they open up new ways of interpreting life behind the Iron Curtain while providing a devastating critique of misleading mainstream scholarship which continues to portray the GDR in the restrictive terms of totalitarian theory

Film and Memory in East Germany Anke Pinkert, 2008 Rethinks the politics of public memory in East German film

Popular Protest in East Germany Gareth Dale, 2006-05-02 Popular Protest in the East German Revolution is an incisive new study of dissent and protest in the German Democratic Republic focusing on the upheaval of 1989 1990

Conflict and Stability in the German Democratic Republic Andrew I. Port, 2007 This book explores the reasons why the post World War II Communist regime in East Germany outlasted both the Weimar Republic and the Third Reich

Barbarism and Civilization Bernard Wasserstein, 2009 History

Socialism with a Human Face Gary B. Magee, Wayne Geerling, 2022-03-31 East Germany's economic history is typically told as a story of the unravelling of an inherently flawed system Yet while the system's inefficiency is undeniable its economic history was much richer than its comparatively poor economic performance suggests For many who lived there it was a system that over its forty years was capable of achievements and generally functioned at bearable levels This book combines the insights of behavioural economics with archival research to peel away layers of rhetoric and assumptions about the East German economy and explore aspects of that underlying functionality Through a series of cases studies that examine the establishment of socialist workplaces the searches for productivity growth and efficiency and the emergence of financial crisis the book considers the system from the perspective of the humans who operated it and made the decisions that made it work Unencumbered by political preconceptions it offers a more realistic understanding of East German economic history than that derived from stagnant debates about the clash of systems The new perspectives and approaches presented

demonstrate that extracted from its Cold War context East Germany's economic history can be analysed for what it was rather than for what it symbolised *The German Democratic Republic* Ned Richardson-Little, 2025-07-24 The German Democratic Republic has come to stand as a symbol of communist tyranny a source of Cold War nostalgia and socialist kitsch and a failed alternative to the worst excesses of 21st century capitalism In this book Ned Richardson Little delves into the central contradictions of the GDR state This book illustrates the fault lines of GDR society the worldviews and experiences of not only those who ruled the GDR but also those who rebelled against the strictures of state socialism and those in between who sought a normal life under dictatorship The German Democratic Republic is a succinct and comprehensive history of East Germany that traces its story from the country's origins as the Soviet Zone of Occupation after World War II through key events such as the 1953 Uprising the building of the Berlin Wall the Helsinki Accords and the collapse of state socialism in 1989 Some of the themes explored include the memory of Nazism and national identity everyday life under dictatorship including consumerism sexuality and racism the global politics of the GDR the diversity of dissenting voices and the competing visions for East Germany's democratic future **Life among the Ruins** J. Evans, 2016-05-23 As home to 1920s excess and Hitler's Final Solution Berlin's physical and symbolic landscape was an important staging ground for the highs and lows of modernity In Cold War Berlin social and political boundaries were porous and the rubble gave refuge to a re-emerging gay and lesbian scene youth gangs prostitutes hoods and hustlers Burned Bridge Edith Sheffer, 2014 Examines Burned Bridge the intersection between two sister cities in East and West Germany and reveals how the daily adjustments of anxious residents shaped the barrier that divided them **Behind the Berlin Wall** Patrick Major, 2010 On 13 August 1961 eighteen million East Germans awoke to find themselves walled in by an edifice which was to become synonymous with the Cold War the Berlin Wall Patrick Major explores how the border closure affected ordinary East Germans from workers and farmers to teenagers and even party members caught out by Sunday the Thirteenth Hitler's Rival Russel Lemmons, 2013-03-01 Fascinating material This book will likely be the last word and the standard work on the Thimann myth and its role in East German history Catherine Epstein author of Nazi Germany Confronting the Myths Throughout the 1920s German politician and activist Ernst Thimann 1886-1944 was the leader of the largest Communist Party organization outside the Soviet Union Thimann was the most prominent left wing politician in the country's 1932 election and ran third in the presidential race after Hitler and von Hindenberg After the Nazi Party's victory in that contest he was imprisoned and held in solitary confinement for eleven years before being executed at Buchenwald concentration camp in 1944 under the Führer's direct orders Hitler's Rival examines how the Communist Party gradually transformed Thimann into a fallen mythic hero building a cult that became one of their most important propaganda tools in central Europe Author Russel Lemmons analyzes the party intelligentsia's methods demonstrating how they used various media to manipulate public memory and exploring the surprising ways in which they incorporated Christian themes into their messages Examining the facts as well as the

propaganda this unique volume separates the intriguing true biography of the cult figure from the fantastic myth that was created around him Lemmons analyzes in great detail the myth and legend that formed around Ernst Thälmann who became the leader of the German Communist Party in 1925 and was a dominant politician in Weimar Germany until imprisoned by the Nazis in 1933 This comprehensive study which treats the years before the war ended for the first time is thoroughly researched and well written it will be a standard work on the subject G P Blum Professor Emeritus University of the Pacific

Thank you very much for reading **Making Of The Gdr 1945 53**. Maybe you have knowledge that, people have look numerous times for their favorite readings like this Making Of The Gdr 1945 53, but end up in malicious downloads. Making Of The Gdr 1945 53 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Of The Gdr 1945 53 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Of The Gdr 1945 53 has opened up a world of possibilities. Downloading Making Of The Gdr 1945 53 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Of The Gdr 1945 53 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Of The Gdr 1945 53. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Of The Gdr 1945 53. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Of The Gdr 1945 53, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Of The Gdr 1945 53 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Of The Gdr 1945 53 Books

What is a Making Of The Gdr 1945 53 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Of The Gdr 1945 53 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Of The Gdr 1945 53 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Of The Gdr 1945 53 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Of The Gdr 1945 53 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password

protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
