Making Beats:

Making Beats Joseph G. Schloss, 2013-04-01 Despite having created one of the most important musical cultures of the last fifty years hip hop composers who use digital sampling are rarely taken seriously as artists But hip hop deejays and producers have collectively developed an artistic system that features a complex aesthetic a detailed array of social protocols a rigorous set of ethical expectations and a rich historical consciousness Based on ten years of research among hip hop producers *Making Beats* is the first work of scholarship to explore the goals methods and values of this surprisingly insular community Focusing on a variety of subjects from hip hop artists pedagogical methods to the Afro diasporic roots of the sampling process to the social significance of digging for rare records Joseph G Schloss examines the way hip hop artists have managed to create a form of expression that reflects their creative aspirations moral beliefs political values and cultural realities

Making Beats Joseph G. Schloss, 2014-11-20 Winner of IASPM's 2005 International Book Award Based on ten years of research among hip hop producers *Making Beats* was the first work of scholarship to explore the goals methods and values of a surprisingly insular community Focusing on a variety of subjects from hip hop artists pedagogical methods to the Afrodiasporic roots of the sampling process to the social significance of digging for rare records Joseph G Schloss examines the way hip hop artists have managed to create a form of expression that reflects their creative aspirations moral beliefs political values and cultural realities This second edition of the book includes a new foreword by Jeff Chang and a new afterword by the author
