Georgis* William T. Georgis, Donald Albrecht, Natalie Shivers, 2013-06-04 Sumptuous and scrupulous in equal measure the work of William T Georgis is a glamorous blend of high style architecture and expressive innovative applications of the traditions of the decorative arts In the twenty years since he founded his namesake firm Georgis has created a dazzling portfolio consisting primarily of houses and apartments other projects include restaurants commercial interiors and galleries Georgis melds elegant architecture imaginative furniture and fixtures often custom designed and a layered assembly of art and objects with what he terms a bit of magic A thoughtful eclecticism informed by an extensive knowledge of art architecture and the decorative arts

characterizes all his work The first monograph on Georgis Make It Fabulous presents sixteen houses and apartments in New York City Long Island Florida Montana and California All the residences were designed around important art collections and often include specially commissioned pieces Among the projects showcased are Georgis s own homes a smoked glass townhouse in New York and a vacation house that hangs over the bay in La Jolla California Also included in the volume are Chinatown Brasserie a theatrical eatery in lower Manhattan and the interiors of historic Lever House a respectful restoration of a modern masterpiece Along with lavish large scale photography each project features the architect s trenchant commentary on the architecture the decoration and the process Perceptive essays by design historians Donald Albrecht and Natalie Shivers illuminate Georgis s relationships with his clients or patrons and the creation of narratives in his work Multifaceted and multilayered just like the work this inventive volume is a virtuoso tutorial in the world of fabulous

Industrial Arts & Vocational Education ,1922 *Industrial Arts and Vocational Education* ,1926 *My Favorite Small Woodworking Projects* Jim Townsend,2014-07-10 *My Favorite Small Woodworking Projects* is an idea book for the woodworker interested in making craft items for fun sale or gifts Some items are simple for the beginner while others require more experience and skill This is the hardback black and white version **The Pursuit of Pleasurable Work** Trevor H. J. Marchand,2021-11-01 Against the backdrop of an alienating technologizing and ever accelerating world of material production this book tells an intimate story one about a community of woodworkers training at an historic institution in London s East End during the present renaissance of craftsmanship The animated and scholarly accounts of learning achievement and challenges reveal the deep human desire to create with our hands the persistent longing to find meaningful work and the struggle to realise dreams In its penetrating explorations of the nature of embodied skill the book champions greater appreciation for the dexterity ingenuity and intelligence that lie at the heart of craftwork **Designing Modern Norway** Kjetil Fallan,2016-09-19 *Designing Modern Norway* A History of Design Discourse is an intellectual history of design and its role in configuring the modern Norwegian nation state Rather than a conventional national design history survey that focuses on designers and objects this is an in depth study of the ideologies organizations strategies and politics that combined might be said to have designed the modern nation s material and visual culture The book analyses main tropes and threads in the design discourse generated around key institutions such as museums organisations and magazines Beginning with how British and continental design reform ideas were mediated in Norway and merged with a nationalist sentiment in the late nineteenth century *Designing Modern Norway* traces the tireless and wide ranging work undertaken by enthusiastic and highly committed design professionals throughout the twentieth century to simultaneously modernise the nation by design and to nationalise modern design Bringing the discussion up towards the present the book concludes with an examination of how Norway s new found wealth has profoundly changed the production mediation and consumption of design
