*Making it Big with God* David Warnke, 1969      **Big Problems, Bigger God** Steve Smothermon, 2015 You may be facing challenging circumstances intense pain crushing disappointment or silent regrets but you can find help and encouragement to get through the tough parts Big Problems Bigger God is your no holds barred guide to difficult challenges and the hope they can produce as you walk with God through them      Big Challenges, Even Bigger God Shireen Spencer, 2019-03-15 In Big Challenges Even Bigger God Shireen shares her story with transparency and explores every moment in which she faced overwhelming trials Her determination to walk through fires with faith is deeply inspiring God's fingerprints and the evidence of His presence in these moments is explicit How great is our God that He can reach His hands down from heaven to carry us through moments that seem insurmountable Thank you Shireen for the courage you had to write this memoir that points back to our heavenly father and His deep resounding love Cyndi Desjardins Wilkens International Speaker and Author of Shine On The Remarkable True Story of a Quadruple Amputee Sometimes life feels like it's just a constant series of trials each season presenting us with a new challenge to work through What do we do in times when things are going from bad to worse Is it possible to still live in joy and see God at work in our lives In Big Challenges Even Bigger God Shireen shows that

it is sharing her own hard learned understanding that while life is hard God is good You too can live every day in the knowledge that this is true That even when you fear that you are alone and feel that He has left you God is always at work in your life Remember the challenges that we face in life may be big but God is bigger It s time for everyone to experience the comfort of God s presence in even the darkest of times      *Big God with Study Guide* Britt Merrick,2012-06-15 Faith is trust It is a confidence in the power and goodness of God that leads us to make good decisions and allows us to surrender our lives to him As we strive to mature spiritually and lead lives pleasing to God we all want more faith Hebrews 6 12 says that we are to be imitators of those who through faith and patience inherit the promises One of the best ways to grow in faith is to imitate the lives of people who have shown great faith Hebrews 11 guides us through the lives of men and women like Abel Enoch Noah Abraham Sarah Moses Rahab David and others who have done just that Real people with real lives and real problems who had faith in a great God and trusted him at pivotal moments in their lives By drawing on some of the greatest lives of faith in the Bible readers will come to see that God was worthy of these men s and women s trust and faith during biblical times in the same way that he is worthy of ours today      *Big God, Big Glory* Kendall Hoeft,2024-04-25 Somewhere in Christian history we picked up the lie that it is good to suppress excitement We as the church carry with us the regurgitated message that our authentic joy is a distraction that it s bad for our brothers and sisters to see or be around But how can our honest displays of his glory be outlawed How can our authentic responses of adoration be bad Reflecting God s character and shining for him is often seen in the church as a selfish act Yet we are called to join with creation in boldly declaring the glory of God and worshiping him according to his greatness Big God Big Glory shares with readers a heavenly and biblical perspective on how to be free not suppressed fulfilled and wholly alive all for the glory of God      *Baptism Is Making a Difference* Dr. Ed Kruse,2024-09-06 Baptism is Making a Difference provides daily reflections on how Baptism gives meaning and focus to everyday living Using selected Bible verses and stories from his own experience the author identifies how remembering his Baptism affects his own life He invites you to experience the difference that remembering your Baptism can make in your own life and relationships      **Unfinished Business... with God** Daniel C. Diaddigo,2010-07-30 If God exists where is he in all of this pain This is one of the most pressing questions in life If you wish a biblical perspective on this question I recommend Dans book Walt Henrichsen author and mentor to men This book will inspire encourage and challenge you on your journey David H Wills President National Christian Foundation Dan uses his personal journey and engaging stories to sort through lifes most challenging moments In the process he exposes our conflict with God and our opportunity for healing Ron Dun co CEO of Alliance Flooring This story has a Center and its not me Im a fringe player in a larger drama that changed the lives of a handful of people forever Stories like this happen every day so in a sense this story is not unique but it is personal Very personal Tragedy is always personal to someone Thats why I wrote this book Ive done my best here to give you a window into one mans thoughts toward God during a season when God didnt make sense It is my prayer for you

that these pages will serve you well in your own journey and that God would somehow reach through the words to draw you to Himself You may not find in this book the answers to your questions but you will find permission to process your pain out loud and encouragement to finish your business with God Daniel C Diaddigo *Humbler Faith, Bigger God* Samuel Wells,2022-03-29 Finding a renewed Christian story in a time of skepticism and doubt Is Christianity just a fairy tale for the infantile Or worse a cruel fantasy the perpetrator of terrible harm and the cause of endless conflict At most one path among many Such questions reflect the skepticism of outsiders and the doubts of insiders some perennial some underscored by recent events and movements The answer to these objections isn't a louder faith to shout them down it's a humbler faith that points to a bigger God Samuel Wells shows the way through his generous respectful and earnest engagement with ten difficult questions about Christianity In each case he portrays the traditional position and the skepticism of the modern age as two rival stories Transcending both he then offers a revitalized Christian story that better renders the radical courageous and vulnerable nature of authentic faith Wells is unwaveringly honest about the failures of the institutional church and acknowledges many people's negative prior experiences of Christianity making this a book for both Christians and non-Christians who have found the stories of their lives disrupted and now seek a fulfilling and truthful story to live by **Little Strength, Big God** Debbie W. **God Made Me** Zach Alexander,2017-07-12 My oldest child Alex came home from school one day upset that all the children at his school were a different color than him He lay on the floor of our house sad and almost crying I tried to explain to him that there were lots of different colors at his school but he persisted that he was the only one of his color He seemed to be ashamed of himself So I looked to my faith in God and explored the biblical teaching about why we are all different colors Daily Strength Crossway Publishers,2022-04-25 A 365 Day Devotional for Men Perfect for Gift Giving and Daily Reading Daily Strength a year long devotional walks Christian men through Scripture passages that speak to their most pressing issues Featuring content from the ESV Men s Devotional Bible each single page daily reading features a short summary of a Bible passage with a thought provoking message from one of more than forty contributors Arranged canonically from Genesis to Revelation with short introductions to each Bible book Daily Strength encourages and enlightens men throughout the year while equipping them for moral and spiritual transformation 365 Devotionals Topics include resting in God s word wisdom forgiveness prayer God s purposes living a life of integrity salvation confessing Christ forgiveness discipleship and maturity Covers the Bible from Genesis to Revelation Includes at least one devotion for every book of the Bible Great Gift Idea for Dads Sons and Students Perfect for Father s Day Christmas or birthdays Written by Pastors and Counselors Edited by Sam Storms contributors include Greg Gilbert David Powlison Drew Hunter and more *Trusting God's Timing* Steven Stoffelsen,2017-01-17 Many times Christians excitedly receive a promise or vision from God From that

moment forward they want to tell the whole world what God is going to do in and through them It s so exciting to have a promise from God The Bible says Where there is no vision the people perish Proverbs 29 18 But when God gives us a promise or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It s for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass

*The Creative Spark* Agustín Fuentes,2017-03-21 A bold new synthesis of paleontology archaeology genetics and anthropology that overturns misconceptions about race war and peace and human nature itself answering an age old question What made humans so exceptional among all the species on Earth Creativity It is the secret of what makes humans special hiding in plain sight Agust n Fuentes argues that your child s finger painting comes essentially from the same place as creativity in hunting and gathering millions of years ago and throughout history in making war and peace in intimate relationships in shaping the planet in our communities and in all of art religion and even science It requires imagination and collaboration Every poet has her muse every engineer an architect every politician a constituency The manner of the collaborations varies widely but successful collaboration is inseparable from imagination and it brought us everything from knives and hot meals to iPhones and interstellar spacecraft Weaving fascinating stories of our ancient ancestors creativity Fuentes finds the patterns that match modern behavior in humans and animals This key quality has propelled the evolutionary development of our bodies minds and cultures both for good and for bad It s not the drive to reproduce nor competition for mates or resources or power nor our propensity for caring for one another that have separated us out from all other creatures As Fuentes concludes to make something lasting and useful today you need to understand the nature of your collaboration with others what imagination can and can t accomplish and finally just how completely our creativity is responsible for the world we live in Agust n Fuentes s resounding multimillion year perspective will inspire readers and spark all kinds of creativity

*God Promises Me Abundant Life* Evangelist Claudia V. Jackson,2012-08-08 Reaching for your blessing and pulling them down And I will give into thee the keys of the kingdom of heaven and whatsoever thou shalt bind on earth shall be bound in heaven and whatsoever thou shalt loose on earth shall be loosed in heaven Are you speaking the word out of your mouth but from your heart You dont believe what you are saying Look at this in the natural I have a peach tree in August The peach is ripped on the tree Now get this where are peaches They are not on the ground They are hanging on the peach tree ready to be pulled off or down You need a ladder to pull the peach down and if you want them bad enough you will reach up and get your peach Now take that same determination and reach for your blessing Reach Gods heart A son knows how to reach his dad To all the young men and women who have a college education but youre still having problems

and you think that because your father or mother with a second grade education you feel they are not educated enough to talk to that they dont understand You have not read the book of Proverbs 6 20 21 My son and daughter keep your fathers command and do not forsake the law of your mother Bind them continually upon your heart tie them around your neck The wisdom that comes from your mother and father the biggest book cannot retain it Life experiences are priceless So dont look down your nose on mom and dad because you have a college degree When have you said thank you You call everyone except mom and dad     The Conservator ,1906     **The Excavating Engineer** ,1926
